

Session 1	<p>Maths- Perimeter 10 min warm up: square numbers (WI) https://www.topmarks.co.uk/maths-games/hit-the-button_square_numbers</p> <p>LO: Know what perimeter is and understand how to calculate it (WI) or (WA) Resources: Tape measure (optional) Paper and pencil Tips, clues or methods to help: 4 steps is roughly 3 metres. Perimeter is the distance around the outside of a shape calculated by adding the length of all sides together. 30 min Activity: Using any unit of measurement you like (feet, hands, steps, cm, m), estimate then calculate the perimeter of your kitchen. Write down your measurements and calculations in your book. Check your calculation with a calculator</p> <p>Extension: https://nrich.maths.org/7280?utm_source=primary-map</p>
Session 2	<p>Break- Go outside or look out of the window. Question: What type of clouds can you see? Use this website to find our facts about clouds: https://www.ducksters.com/science/earth_science/clouds.php</p>
Session 3	<p>English- Stories from Other Cultures LO: Understand what culture means (WA) 20 mins Activity 1: Make a mind map of all the ideas you have about what culture means. (If you did one of these with Mrs Nelson on Friday, try to see what you can remember.) Show your ideas to an adult or older sibling and see if they have any other ideas. Add these to you mind map</p> <p>You have read this story for homework last week but please read again: Text: <i>How The Beetle Got Its Colours</i> https://www.vmfamuseum/mlit/the-story-of-how-the-beetle-got-its-colors/</p> <p>LO: Plan a character description (WI) 30 mins Activity 2: Write the plan for a character description of the beetle. Success criteria:</p> <ul style="list-style-type: none"> - Use bullet points - Include description of appearance, character and likes and dislikes
Session 4	<p>Lunch- What are you eating today? Which countries do you think the ingredients have come from? Have you eaten any bread or cake?</p>
Session 5	<p>History/Geography/Science/DT/Art/Spanish/R.E DT Unit: Bread LO: Understand the difference between bread and cake Problem Solving: Q: What is the difference between bread and cake? Is a Welsh Cake bread or cake? Is a donut bread or cake? Is a hot cross bun bread or cake? Is a crumpet bread or cake? 50 mins Activity: Research the ingredients of these products. Research top tip: Type into Google the question you are trying to answer.</p> <p>Draw a picture of each of them in your book and label their ingredients.</p> <p>Decide if they are bread or cake and label them</p>

Reading EVERY day- Read your own book. What are you reading at the moment? Remember to keep filling in the details in your new Reading Journals.

Date: Monday 23rd March 2020

LO: Know what perimeter is and understand how to calculate it (WI) or (WA)

Activity: Using any unit of measurement you like (feet, hands, steps, cm, m), estimate then calculate the perimeter of your kitchen.

Success criteria:

- Estimate the perimeter
- Calculate the perimeter
- Write down measurements and calculations in your book.
- Check your calculation with a calculator

Date: Monday 23rd March 2020

LO: Understand what culture means (WA)

20 mins Activity 1:

Make a mind map of all the ideas you have about what culture means. (If you did one of these with Mrs Nelson on Friday, try to see what you can remember.)

Show your ideas to an adult or older sibling and see if they have any other ideas. Add these to your mind map

LO: Plan a character description (WI)

You have read this story for homework last week but please read again:

Text: *How The Beetle Got Its Colours*

<https://www.vmfamuseum/mlit/the-story-of-how-the-beetle-got-its-colors/>
