

Friday 27 th March - Maths	English	Computing
<p><u>Task 1: Decimals</u></p> <p>A variety of questions which require you to identify hundredths, order decimals and to divide by 10 and 100.</p> <p>https://www.theschoolrun.com/what-are-decimals</p> <p>This link might help your parents if you get stuck!</p> <p><u>Task 2: Challenge (If you're up for it!)</u></p> <p>Extra maths for those who are up for it! I will introduce a maths challenge for every maths lesson and this one is based on Rounding to the nearest 1000.</p>	<p><u>Story writing</u></p> <p>Read the story 'The hole in the wall.'</p> <p>I'd like you <u>all</u> to take part in the discussion activity. Answer the two questions by discussing them with someone.</p> <p>Then, either pick two of the orange tasks or complete Task 4, to finish the story..</p> 	<p><u>LO: To design a maze on scratch</u></p> <p>I can:</p> <ul style="list-style-type: none"> • Create a sprite with different costumes. • Chose a background and use the edit tools to create a maze. • Broadcast messages to change costumes. • Instruct the sprite to move. <p>Open scratch on the internet https://scratch.mit.edu/</p> <p>Follow the crib sheet to create your own maze. Have fun! This is mine:</p> 
<p>Reading- Task 1 is to complete the chapter 1 comprehension by either discussing or writing down the answers Your weekend homework is to read chapter 2 😊</p>
