MIND & BODY EXPLORATIONS  
TO LIVEN UP THE WEEK

WEEK 2

## Hello Parents and Children!

We hope you are enjoying 'Everything is Interesting' and its keeping your brain ticking over.

This week we have a competition, animals to vote for, things to make and songs to sing. We have enjoyed seeing your designs and projects from last week. Please keep them coming.

**DON'T PANIC - they're intended to be fun and educational things for those that want it, not EXTRA HOME LEARNING!**

Make sure you upload any photos or videos on your [classdojo.com](https://www.classdojo.com) or email your teachers. We love to see your efforts!

## How to Explore

1. Explore in any order
2. All are open to interpretation
3. Feel free to add alter or ignore
4. There are no rules, merely suggestions
5. Treat everything as an experiment
6. Start with whatever gives you the most excitement

## Origami with Mr Godfrey

Be entertained by a weekly origami session with Mr Godfrey from Holy Trinity. He is an infamous origamist.

## Computer World

Discuss with your family and or sibling:

How many items in your home rely on a computer to make them work? Estimate how many before you count them?

(In case it helps... Computers follow instructions or sequences programmed in to them. A standard light switch which is either on or off is not using a computer. A kettle which is on until it reaches a certain heat and then turns off is using a computer)

## Animal Magic

New Big 5 wildlife photography project – in pictures.

An international initiative aims to do away with the old big five of wildlife – based on the toughest animals to shoot and kill – and create a new selection based on photography, not hunting.

The New Big 5 project is supported by more than 100 of the world's leading photographers, wildlife organisations and conservationists. It is asking people around the world to vote for the five animals they want to be included in the new big five of wildlife photography

# Teacher's Pet

EVERYTHING  
IS INTERESTING

Many of our teaching staff across both schools have pets at home who are very pleased to be with their owners a lot more! We have asked the staff to send in pictures and or videos for their pet.

Can you match the pet and the teaching staff member? To make it even harder some have more than one pet! You may be able to guess easily as there are some give away clues.

Match the number of the image to the staff member and email your answers to: [cchteverythingisinteresting@gmail.com](mailto:cchteverythingisinteresting@gmail.com)

The child with the most correct answers will receive a prize in the post! Closing date for entries is Sunday 3<sup>rd</sup> May 2020. The winner will be announced in the newsletter on the 8<sup>th</sup> May.

***All entries need to in by Sunday 3<sup>rd</sup> May .***

## Spanish

In Spain, weather is sometimes very hot, so a lot of people carry fans to keep themselves cool. They are also used to dance flamenco! Make a Spanish fan using paper! Be as creative as possible with the decorations.

## Musical Mayhem!

Take a song you know really well (can be a nursery rhyme, or a hymn, any song at all, just not too long). Now find some other words written down somewhere (your favourite book, a magazine, even this article here!). Now...can you sing the song with the 'wrong', mixed up words you have found?
