MIND & BODY EXPLORATIONS
TO LIVEN UP THE WEEK

WEEK 3

Hello Parents and Children!

We hope you are enjoying 'Everything is Interesting' and its keeping your brain ticking over.

This week we have a competition, animals to vote for, things to make and songs to sing. We have enjoyed seeing your designs and projects from last week. Please keep them coming.

DON'T PANIC - they're intended to be fun and educational things for those that want it, not EXTRA HOME LEARNING!

Make sure you upload any photos or videos on your [classdojo.com](https://www.classdojo.com) or email your teachers. We love to see your efforts!

P.S Have a look at BBC Bitesize:

How to Explore

1. Explore in any order
2. All are open to interpretation
3. Feel free to add alter or ignore
4. There are no rules, merely suggestions
5. Treat everything as an experiment
6. Start with whatever gives you the most excitement

Animal Magic

See the worlds fastest animal - living in Chelsea!

Check out the Peregrine Falcon nesting in a chimney at the old power station on Lots Road, Chelsea. The newest update - 2 chicks can be seen in the nesting box. Mr Paul from HT has been up dating us on their progress.

There have been some Peregrine Falcons nesting in the tower of Salisbury Cathedral for many years.

Pillow Pal

You will need:

- One clean white pillow case
- Felt tips
- Scraps of material
- Pins
- Scissors (optional)
- Needle and cotton (optional)
- One pillow

EVERYTHING
IS INTERESTING

1. Lay the pillow case on a table or a flat surface
2. Think about the kind of pillow pal you would like- puppy, cat monster. Choose something you love.
3. Use your markers to make a face for your new pal
4. Use scraps of fabric to make the ears
5. Sew the ears on the pillow case
6. Put the pillow inside your pillow case
7. Your pillow pal is ready for a hug!

Spanish

5 de Mayo is a special date in Mexico, celebrating their culture around the world. Celebrate Mexican culture at home, you can either make a sombrero or maracas, you can make traditional food (or draw it), or you can wear something inspired by their traditional clothes.

Little Jar of Strength

Find an empty jar with a lid. Decorate it with pens, paint or stickers. Every time you think of a strength write it on a scrap of paper and put it in the jar. Keep it somewhere safe.

Computer World

Computers work by following algorithms. Algorithms are similar to lists of instructions.

However, most computers will follow algorithms even if they are wrong, as they do not know if they are wrong, they only know to follow the instruction. This is one reason why the human brain is better than a computer.

Can you think of other things that people can do better than computers?

Musical Mayhem!

Desert Island Discs

If you could choose 1 song or piece of music to take with you to a desert island (where you would be stranded forever!), what would it be and why? (Does it remind you of somebody? Make you happy every time you hear it?)

Can you find out everybody's "Desert Island Disc" in your family? And ask why they chose that piece? Perhaps you could write them all down, or make an playlist and listen to all of them, and then talk about your choices!

Cooking with Katie

Follow a step-by-step guide to make a Tortilla, otherwise known as Spanish omelette. It is a tiny bit harder than tomato pasta but still easy enough for bigger kids to make on their own. If you want to try this at home you will need; eggs, potatoes, 1 onion and olive oil.

With or without parental guidance (depending on age / year, but definitely with parental permission).

Big Broad Bean Challenge

Watch out for the Postie this week! They will be delivering you your next challenge. All instructions are included in your delivery.

My Bugbears

Bugbears are things that annoy you or irritate you. Write anything that makes you fed up on a bug (copy one of these) and imagine them flitting away or strolling off into the forest never to be seen again.

StART the week - draw your favourite place.

Artists have always liked to record places in different ways.

Look at this painting by the landscape artist John Constable »

How has Constable created a 'sense of place'? What is happening in the picture? What is the weather like?

Perhaps you might choose to draw your bedroom like Vincent VanGogh »

To do this you will need to look carefully, use your memory or photos.
Why is this your favourite or special place?

Dream Design

Design a campervan or a teardrop trailer of the future.

Use your imagination but also be inspired by some of these designs » www.youtube.com/watch?v=5vrScALxJ0E&vl=en-CA

How would you make your design eco friendly? Perhaps you could attach your trailer to your bike?

Remember to label your design and include some measurements if you want.

Teacher's Pet

Many of our teaching staff across both schools have pets at home who are very pleased to be with their owners a lot more! We have asked the staff to send in pictures and or videos for their pet.

Can you match the pet and the teaching staff member? To make it even harder some have more than one pet! You may be able to guess easily as there are some give away clues.

Match the number of the image to the staff member and email your answers to: cchteverythingisinteresting@gmail.com

The child with the most correct answers will receive a prize in the post! The winner will be announced in the newsletter on the 15th May.
