22nd May 2020

If you would like an item included in the Newsletter, which is also published on the website (www.ccht.rbkc.sch.uk) - please send it to Mrs Phillips by **Wednesday lunchtime at the latest**
iphillips@ccht.rbkc.sch.uk

Philosophy For Children

Each week in the newsletter we will pose a question that you and your child or your family can discuss.....remember, listen and respect each other's views!

What is something that makes your family special?

“Accept children the way we accept trees - with gratitude, because they are a blessing! but do not have expectations or desires. You don't expect trees to change, you love them as they are.” – Isabel Allende

Dear Children and Parents,

This newsletter is full of wonderful home learning! Each week since school closed, we have celebrated your creativity, ingenuity and hard work. All the staff are so grateful to you for taking the time to send in your fantastic work.

As we come to our second home learning holiday, I would like to thank all the parent & carers for helping our children to continue to work hard at home. I know there has been highs and lows and I am grateful for you continuing to stay positive and persevering when things have been difficult.

I also want to thank all my teachers and other staff for working so hard to keep our schools running, when we are all at a distance. It has proved yet again what an amazing team we have.

After half term, we will start the new challenge of having some children at home and some at school. Those that are coming back to school will get a separate letter outlining how it is going to work. Children in Years 2,3,4 and 5, who are going to still be home learning, we will keep in good contact with you and we look forward to continuing to see your good work. On Monday 1st June, home learning will be on the website as usual. Have a great Reverse Mufti Day, we look forward to seeing the photos of you in your uniform at home!

Have a lovely holiday.

Best wishes, Mrs Hawkins

DON'T FORGET!
TODAY IS
REVERSE MUFTI DAY!
MAKE SURE YOU WEAR
YOUR UNIFORM.

Recommended Read

Saving Winslow (ages 6-8 & up)

Author: Sharon Creech Publisher: Guppy Books

No-one thinks the newborn donkey will survive. No-one except Louie. He accepts the challenge of raising Winslow, the tiny, helpless creature that his Uncle Pete brought from his farm. As Winslow grows, Louie misses his brother Gus who is away in the army, and forges a friendship with awkward, pessimistic Nora, who can't understand the point in loving something if it's just going to be taken away by death or time - but out of the story, an answer full of quiet hope emerges.

Sharon Creech's books are full of an understated elegance that perfectly captures children's emotional lives, and her ability to paint a full, rounded character in just a few lines of dialogue and description is breath-taking. *Saving Winslow* fearlessly confronts the emotional lives of children, without ever talking down to its young audience.

Uniform Notice

As some of you prepare to return to school on 1st June, we just wanted to remind you what school uniform to wear.

Girls

red cardigan summer dress

- Navy blue or red socks
- Navy blue or black shoes
- Navy blue or red hair accessories

Boys

red jumper navy shorts white shirt

- Navy blue or red socks
- Navy blue or black shoes

PE kit

- Navy logo polo shirt and jumper
- PLAIN navy tracksuit bottoms or shorts
- PLAIN black or white trainers

Please only bring coats on colder days or days that it is forecast to rain.

Coats should be CCHT school coats or plain navy ones
(no logos, no fur hoods, no coloured patterns.)

Also, please leave bags at home.

Countryside

Take a look at the British Farming Website, Countryside Online, there are lots of fun activities including 'Be a Food Scientist' which shows you how to make a dried fruit snack and how to make ice cream in a bag! Check out the [Countryside Online](#) website for this and many more fun and informative activities.

EVERYTHING
is **INTERESTING**
MIND & BODY EXPLORATIONS
TO LIVEN UP THE WEEK

Don't forget to check out the 'Everything is Interesting' page on our website for lots of fun and interesting activities each week! Week 5's activities include making a Guatemalan worry doll, designing a gadget, tree spotting activity and much more!
You will find the link button under the weekly learning for your year group.

REVERSE MUFTI DAY TODAY!

Our mini fundraising event

Don't forget to send us a photo of yourself in your school uniform! Please send to : lphillips@ccht.rbkc.sch.uk and we will add your photo to the newsletter after half term.

Please go to School Comms to pay your £1 donation.

All money raised will go towards our enrichment fund.

We may not be able to have parties with our friends, but we can still celebrate in style at home. What better way to mark a birthday, baby shower, engagement or celebration than with balloons. Stay at home celebrations can still be fabulous! If you have an up coming occasion that you want to make special, please contact Mrs Phillips at the email address below. Deliveries to your doorstep, with no social contact and 5% of each booking made by CCHT families will go to the school.

Ascension Day Thursday 21st May

We hope you all managed to take part in our Ascension Day celebration yesterday and blew your bubbles to represent Jesus's ascension into heaven.

Please send your Ascension Day bubble photos, to [Mrs Phillips](#) who will publish them on a special, Ascension Day page after half term.

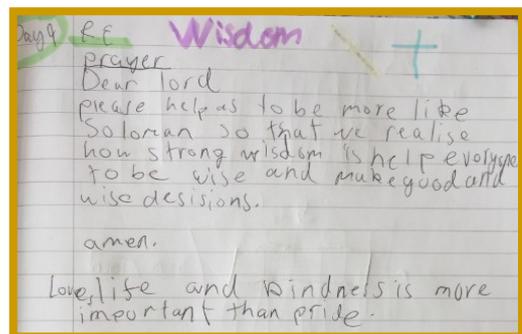

Our School Virtues

Our school virtues:

- Forgiveness
- Patience
- Wisdom
- Peace
- Love
- Justice
- Generosity
- Friendship

Thank-you to Azlan in Year 5 for sharing his wisdom prayer with us.

HOLY TRINITY SLOANE SQUARE

Holy Trinity Junior Church Zoom Sundays at 11am

Families have been meeting online to share in a 20 minute encounter to maintain friendships, learn about interesting pieces of artwork pertaining to the Gospel of the day and subsequently making a craft at home. If you have children and your family would like to join on Sunday, please email our Parish Administrator on parishoffice@sloanechurch.org for the login details. Please note that a formal register of children joining the 'zoom meet' will be taken and this will provide Fr Nicholas with a record of attendance, with regards to school admissions during this challenging time.

Eid al-fitr

On Saturday 23rd May, Muslims around the world will be celebrating Eid. There

are two Eid celebrations in the Muslim Calendar and this one is called Eid al-fitr. Both Eid celebrations take place when Ramadan comes to an end. Ramadan is a month of fasting, as well as spiritual reflection and prayer. Whilst there may be more restrictions on visiting family and friends, we hope that all of you celebrating Eid have a very enjoyable day. Eid Mubarak to you all (this is another way of telling someone to have a blessed or happy Eid). If you would like to find out more about Ramadan and Eid, visit the link below.

Stop Press!

Latest news from Mrs Ross:
One of the swan eggs has hatched!

If you look carefully, you can see the little cygnet in the photo. It hatched on Wednesday and now we are waiting for the others to hatch too...

(You could read or watch the story of The Ugly Duckling over half term. The story, about a young swan who ends up hatching in a duck's nest, was written by Hans Christian Andersen over 150 years ago. There are lots of versions on YouTube. Here's a link to a short 1939 Walt Disney film version:

<https://www.youtube.com/watch?v=qafXdmFsTbE>)

Half-Term homework

Here is some amazing, optional Half-Term homework for you.

'16 years ago, Patrick Vernon OBE launched the first 100 Great Black Britons campaign to ensure the continued legacy and achievements of Black people in Britain'

'In the light of the COVID-19 crisis and with many schools closed we are launching the 100 Great Black Britons

home school competition open to all age groups. This competition, sponsored by The National Education Union (NEU), the largest education union in Europe, is a fantastic way for children and young people to learn more about the legacy and achievements of Black people in Britain and how they helped shape our country'.

'Alone or in a group, children need to create a unique and exciting way to celebrate Great Black Britons. Parents, families, and young people can get involved in the competition and share their ideas, their knowledge and be creative!'

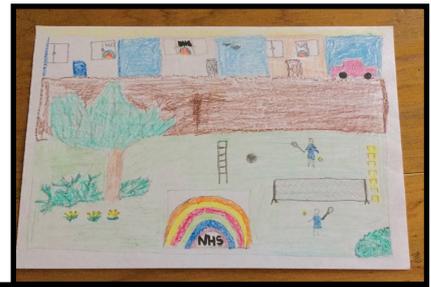

To find out more and to enter the competition, please visit the website below

<https://www.100greatblackbritons.co.uk/>

New home school competition to explore Black British History

Entries now open! Close date: 30th September

Your Beautiful, Rainbow Creations

Artwork for Chelsea & Westminster Hospital

Some of you kindly produced beautiful pieces of artwork for the staff at Chelsea and Westminster Hospital. This project was organised by one of our governors, Quentin Nason, who sent all of your art to the hospital .

He has since had lovely feedback from the Chief Executive of Chelsea & Westminster, who is very thankful for the gesture. she has sent some photos to show the cards and pictures displayed in the hospital foyer, staff wellness rooms and ICU. She told Quentin that looking at the art has really helped lift the spirits of the staff at this challenging time.

Well done and thank-you to all who took part and thank-you for organising it Quentin.

Home Learning

Thank-you for continuing to send in photos of your wonderful home learning.
Please keep sending them to Mrs Phillips lphillips@ccht.rbkc.sch.uk

Reception Class' Mermaid Project

Breaking news
 there is a mermaid
 in the sea. She
 is nice because
 she care a lot
 for us. She has
 blonde hair and
 her fin is blue.

Annabelle

Stepress we see
 mermaid she
 was swimming
 with the fish
 she had blonde
 hair.

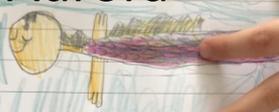

Emily

I have seen a mermaid
 today at the riverside
 close to Ballysea bridge
 she has long blonde
 hair and a blue fin and
 she swims like a fish.

Ethan

Aurora

was flash. The little
 mermaid was
 seen swimming
 with the sea animals.
 She has blonde
 hair.

Breaking News
 We saw the mermaid
 in the sea.
 She was right
 looking like a
 mermaid with a
 blue fin. She was
 looking at us
 from the sea.

Uliks- Year 4

I would like to visit Colosseum because it's the largest amphitheatre in the world and is made of stone and concrete. The Colosseum was used as a games arena for gladiator combats. Gladiators were armed warriors, usually slaves, who entertained Roman audiences by fighting in the arena. The Colosseum has become a symbol against the death penalty. The name Colosseum came from the Colossus, of Emperor Nero.

All animals

Outstanding work by Chryssa - Year 1

One day, Albert and his family were climbing up a steep mountain when all of a sudden, a blustery wind blew Albert away to the distant clouds. His mum and dad could not save him, they were devastated!

Albert had been carried away to the enchanting Cloudland. Albert met the cloud children who lived there. They showed him around their fluffy land. First, he taught them how to play tag. Then, the children

Next, Albert flies up and down
in the sky like a bird. He felt
greatful.

Then suddenly a huge cloud full
of candies come
across. He had a
sticky sluggy and
delicious cotton
candy.

Albert was having
fun but he was
missing his
lady.

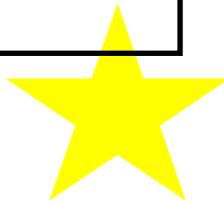

Students of the week

Our first student of the week award goes to a little girl who has been working really hard from home. She completes her work with ease and is always very proud to show and share her achievements with Miss Martin during their zoom calls. This girl's handwriting is beautiful and neat and it is always a pleasure to read. Well done and congratulations to Rosheen.

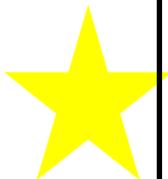

Our second student of the week award goes to a little girl who has shown great commitment and dedication towards her learning and completing her school work from home. She has been trying really hard with her writing activities, always using her sounds to spell words and remembering her capital letters, fingers spaces and full stops. Well done and congratulations to McKayla.

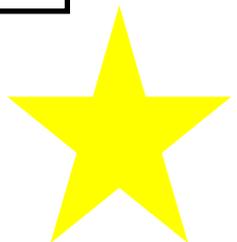

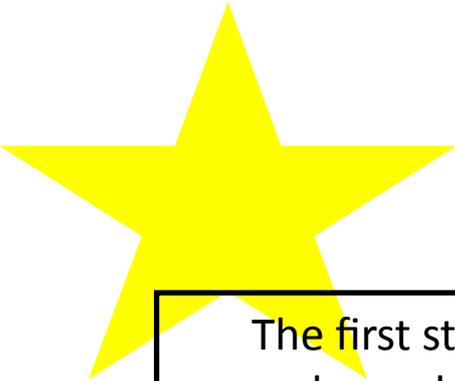

Students of the week

As we all know, this last half term has not been an easy one. We have had to adapt to a new normal of learning and working from home and communicating in different ways. Miss Quirke has been so impressed by the resilience and dedication of so many of you in year 1 and she could not be prouder of all you who continue to try your best to be superstar learners.

Each week over zoom, many of you impress Miss Quirke with the learning you show, your reading, your creations, magic tricks and more. So many of you have continued to work incredibly hard, learn new skills and have not given up on your learning! All of the video chats never fail to brighten up Miss Quirke's day and seeing all of your work and creations always brings a smile to her face! So, a big well done to all of you superstar learners
Congratulations Year 1.

Students of the week

The first student of the week is a boy who has really embraced his home learning. He has been very busy cracking on with his math and has showed great progress with his fractions understanding, including finding a half and a quarter. It was a pleasure to listen to this boy read over our Zoom call. He was able to answer some questions about the text, as well as read with improved fluency. This excellent learner has also been working hard on his spellings, including self-correcting some of his words.

Keep up this love for learning!

Congratulations, Hamza.

The second student of the week is a boy who has blown Miss Birmingham away this week with his fun facts about space. He has been enthusiastically learning all about the different phases of the moon with Miss Cecilia.

Not only did this boy find lots of facts, but he also set up a demonstration using balloons to help him fully explain the movements of the moon, earth and sun. His dedication is out of this world!

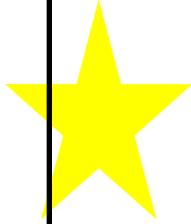

It has been so refreshing to see this enthusiastic learner each week over Zoom, I already can't wait for our next session to learn something new!

Congratulations, Edoardo.

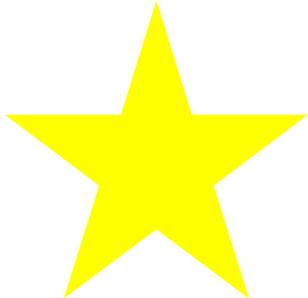

Students of the week

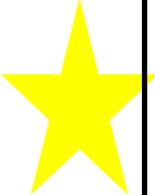

This half-term has not been easy, and has probably been, if not the most difficult, then definitely the strangest time most of us have ever had at school, be they staff or pupils. Mr Broughton is incredibly proud of how all of Year 3 have coped and as such this Special Mention is for every single pupil in Year 3JB. Well done boys and girls and I look forward to seeing you all again as soon as possible.

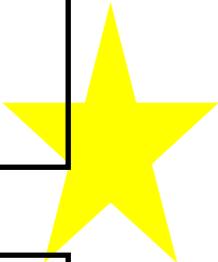

Students of the week

The first student of the week is someone who Miss Harman looks forward to seeing every week on Zoom. This week, this boy was an excellent mathematician when learning how to find both the area and perimeter of rectangular shapes and applying this skill to solve word problems. Well done and keep up the fantastic work, Issa.

The second student of the week is someone who always works hard during Zoom lessons. When learning how to write a persuasive letter, this girl really thought about how to give evidence and examples to support her three main arguments on the topic 'all families should own a pet.' Miss Harman is certain that the Queen would have been convinced after reading this letter. Congratulations and keep up the wonderful writing, Maryam.

Students of the week

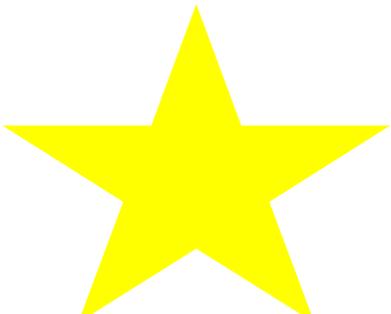

This week's first special mention goes to a girl, who has been going above and beyond with her home learning. Miss Neave is constantly impressed with the efforts that Year 5 puts in and she often is amazed with the pictures of extra work and activities that the class is doing.

However, this girl has really impressed as she is always working and increasing her knowledge, particularly when she finds a topic tricky. Her enthusiasm for Art and Science is incredible and her comments in her reading record always make Miss Neave smile.

So, congratulations and well done, Erin.

Routine and hard work are always to be admired, but so is having an amazing attitude to learning and a bright smile while working hard. This boy is always a delight to have on Zoom, easily bringing a smile to Miss Neave's face as he talks about his maths. His poetry reading and writing were amazing, his description of play and wanting life to be normal again was very touching.

Congratulations and well done, Rony.

Students of the week

The first special mention this week goes to a girl who has consistently made progress in all aspects of learning and school life throughout this year. When still in school, this pupil was a much more active and engaged member of the class than she had been at the start of the year, really coming out of her shell. Through this lockdown period she has been working incredibly hard independently, this dedication has to be applauded. All learning is posted on class dojo in a very timely manner. She puts everything into her learning and isn't afraid to ask for help when she needs it, this resilience to try and solve a problem will take you far.

Keep up this fantastic attitude,
a huge congratulations, Esther.

The second special mention this week goes to a boy who has also made an incredible amount of progress throughout this year, becoming a much more independent learner. He has been working hard consistently and really trying his very best with everything he strives for. In the past couple of weeks he has put much more effort in to submitting his work and it has been lovely to see all the learning you have been achieving. Miss Moros is looking forward to having you back in the classroom, particularly your enthusiasm and passion towards any historical or scientific topic.

A very well done, Kadri
