Philosophy For Children

Each week in the newsletter we will pose a question that you and your child or your family can discuss.....remember, listen and respect each other's views!

Which is the best season? Summer, Winter, Spring or Autumn? Why?

Dear Children, Parents and Carers,

You will have heard many times that this has been an unprecedented year. That could not be more true for us at Christ Church and Holy Trinity Schools. We made lots of changes to the way we work while trying to keep things as normal as possible for all of our parents and children.

Well that turned out to be far from possible!!

It definitely was nothing like a normal year. In fact it was a school year that called on us to do many things that were far from normal. Teachers making films, me learning about website design and the schools spending thousands of pounds on stamps to name but three of the many new things.

The staff have worked tirelessly to be the best that we can be in very odd circumstances and with constancy changing government directives. We have got things wrong but hopefully you feel we got a lot right too!

We are planning for whole class "learning bubbles" for September with the expectation that all children will come back full time. We will carefully risk assess all our procedures to ensure we keep our children safe. I will write to you in August to confirm the exact plan for things such as clubs and before school childcare etc.

Thank you for your support and please do fill in our parent questionnaire if you have not already. Please read the attached letter from me about screen time in the summer holidays. We wish you a very happy summer and look forward to working with you all in September.

With very best wishes, Mrs Hawkins

The Stars Just Up the Street (for ages 6-8& up)

Author: Sue Soltis

Illustrator: Christine Davenier

Mabel loves the stars: she can count a few in the sky from her bedroom window if it's not cloudy, but not nearly as many as her grandfather says he could see in the countryside where he grew up. Curious, Mabel and her grandfather walk up to the hill at the top of the road and look at the stars there – there are definitely more, but still not thousands.

When Mabel asks everyone in the street to turn their house lights off, she and her neighbours marvel at the wonderful stars they can see – but the street lights are still blocking out a lot of the stars. What can be done? Perhaps Mabel's appeal to the childhood memories of the Mayor will be the key to a new community tradition.

Have your say!

This is a reminder to ask you to please complete the parent questionnaire to help us to review how our first year of the federation has been. The results of this survey will also provide invaluable evidence for our self evaluation and therefore we would like to feedback the results to you at our earliest opportunity. Only one third of you have taken the opportunity to feed back so far. A full picture of parent views would be very useful.

The average time it has taken parents to complete the survey so far is 5 minutes. The time it takes to make a cup of tea!

Let's see if every family can respond by the end of term when the questionnaire closes. Come on Holy Trinity parents have your say!

Very best wishes,
Mrs Hawkins and the Leadership Team

The Cheesy, Joke Corner

What do you call a fake pizza?

A pepperphony pizza.

What do you call a sleepy dad who gets a pizza for his children?

Papa yawns

Waiter, will my pizza be long?

No, it will be round!

Do you want to hear another joke about pizza?

Oh never mind, it's too cheesy

Holy Trinity School Staff for 2020-21

Reception Class - Cati Martin

Hello! My name is Cati Martin and I have worked at Holy Trinity School for two years now. Before joining Holy Trinity School I worked at another school in the area, both in Early Years and Key Stage 1. I am originally from Lanzarote, a volcanic island in the Canaries, Spain. I have lived in London for almost nine years and I enjoy exploring the city in my spare time. Musicals in the West End, hidden coffee shops or walks along the river are some of my favourite things to do. I love teaching in Early Years as I believe it is a beautiful stage where children flourish and become resilient, independent learners. I enjoy setting up hand-on activities where children can develop their imagination and creativity as well as creating a safe, nourishing environment for them. I am very excited to be teaching in Reception class during the next academic year and really look forward to meeting all new children in September!

Year 1- Mellissa Quirke

Hello, my name is Miss Quirke and I am delighted to be teaching in year 1 again next year. I have over four years' experience working as a higher level teaching assistant, working across Early Years and Key Stage 1 which I have thoroughly enjoyed. There is going to be lots of new experiences for us in Year 1. I am really excited for us all to go to Forest School this year and I know we are going to have a fun and exciting time together. I am delighted to be your teacher and I look forward to learning all about you all next year!

Year 2- Julie McGinley

My name is Miss McGinley and I am excited to be the new Year Two teacher at Holy Trinity from September. I have a languages degree in French and German from the University of Strathclyde. Having worked as a multilingual sales account manager for the past decade, I have a real passion for languages and learning about new cultures. I have also completed my CELTA certificate and taught English as a foreign language in Spain for one year. I love travelling, languages and dancing. I look forward to getting to know you and your hobbies.

Year 3 - James Broughton

My name is Mr Broughton. Whilst I am a familiar face at Sedding Street, many of the parents at Cadogan Gardens may not know much about me. I have been involved in Education in some shape or form for almost 10 years. I taught English as a foreign language in Indonesia for 3 and a half years before returning to the UK. I worked as a TA in a Primary School in North West London and as an LSA in a dedicated SEN school before deciding that I wanted to train to be a teacher. September will be the start of my fourth year and whilst I have learnt a lot, I am incredibly excited to continue my own learning journey as a teacher as well as guiding your child on theirs. I love travelling, languages and reading - feel free to ask me about any of my interests or tell me about yours if you see me at school!

Year 4– Caitlin Harman

Dear Year 3,

Most of you know me as the Year 4 teacher this year, and I also taught in Cadogan the year before. A little bit about me; I am originally from Western Australia, where I spent most of my childhood and teaching career in the outback. I am looking forward to our year together. We learn lots of exciting things such as the Tudors, the Ancient Egyptians, Islam, how to make pop-up books, volcanoes and so much more! I also can't wait for our trip to Hooke Court – it's not to be missed!

Year 5– Siobhan Neave and Giselle Birmingham Co– teachers (please see below)

My name is Siobhan Neave and I am delighted to be remaining as the Year 5 teacher at your school. Having studied Journalism and Primary Education, I am an avid bookworm, my classroom will reflect my love of learning; and my passion for history and poetry. Having grown up in South Africa, where I did have a cheetah that I raised, I know that every child has different experiences and knowledge. Because of this, my classroom and teaching reflect my belief in diversity and culture being essential teaching points for a well-rounded education. Currently, I am busy putting together my new library for the classroom and getting to know my future pupils ahead of the new school year. When not reading, I am a fan of baking and Science experiments. I am really looking forward to a year of learning and fun together, with lots of fronted adverbials thrown in for fun.

Year 5—Giselle Birmingham

Hi, my name is Giselle Birmingham. Some of you might recognise me as the Year 2 Teacher at Holy Trinity this year. I'm originally from Perth, Western Australia, where I lived in the countryside on my family orchard. I studied a bachelor of Primary Education at Curtin University where I fell in love with teaching. Since then I have taught across all primary year levels in Australia, Vietnam, Malaysia and England. Some fun facts about me: I absolutely love traveling and everything it encompasses, I've explored over 40 countries around the world; I'm a big fan of sports, including snowboarding, hockey, horse riding, football and cricket; Lastly I love food, in particular chocolate and pizza! I'm passionate about inquiry based and practical learning so I cannot wait to incorporate this into our classroom. We have a big, exciting journey ahead of us and I cannot wait for all of the wonderful experiences we will share together.

Year 6– Thalia Moros

My name is Miss Moros. My background is in design and I have an Undergraduate degree in Interior Architecture and I am naturally creative person. These are skills I am excited to bring to my Year 6 classroom. I have been successfully teaching in Year 6 this past year and have previously taught in Year 1 and year 4.

I am really looking forward to an exciting year with you all with many new changes to look forward to as you complete your final year at Holy Trinity school. Although it is going to be a busy year with lots of hard work, it will most definitely also be a fun one. You will have much more responsibility as you will be part of the Shepherds and Sheep, you the Shepherds will be guiding the little sheep in reception.

I can't wait to be your teacher and I look forward to getting to know each of you.

If you haven't yet designed your own self-portrait there is still time to be included on the walls of our school, you can take time to create one over the school holidays.

Entries to the competition raised **£170** towards our Federation so a very big thank you from us all.
