### Happy Summer!!

Thank-you for all the cards, gifts and well wishes.

Wishing you all a happy and safe Summer. We look forward to seeing you on Monday 6th September.

Dear Children, Parents and Carers,

What a year we have had! It has been quite difficult as there have been so many rules about what we can and can't do and so much home learning time that we were not expecting again this year.

Having said that, we have had A LOT of learning experiences, excitement, fun and joy.

I am so proud to be Head Teacher of such a wonderful school. It is a vibrant and exciting place to be and that is in no small part due to all the wonderful children.

We are so looking forward to next year with an exciting line up of dedicated and talented teachers. Look on page 4 to find out about all the teachers for next year.

Please put the Class Meeting dates in your diary as these are very important to attend:

We are also wishing a fond farewell to some of our families who are moving to other parts of the country or abroad – we wish you all the best in your new homes and new schools.

## Philosophy For Children

Each week in the newsletter, we will pose a question that you and your child or your family can discuss..... remember, listen and respect each other's views!

*If you could spend your summer with a character from a book or story, who would it be?  
What would you do with them?*

Please be reminded that our mobile phone policy will take effect on Monday 6th September 2021. Children are not to bring phones into school after this time. Please do take the time to familiarise yourself with the policy, so that you are fully aware of the changes.

## Holy Trinity School Staff for 2020 - 21

### Reception Class - *Cati Martin*

Hello! My name is Cati Martin and I have worked at Holy Trinity School for three years now. Before joining Holy Trinity School I worked at another school in the area, both in Early Years and Key Stage 1. I am originally from Lanzarote, a volcanic island in the Canaries, Spain. I have lived in London for nine years and I enjoy exploring the city in my spare time.

I love teaching in Early Years as I believe it is a beautiful stage where children flourish and become resilient, independent learners. I enjoy setting up hands-on activities where children can develop their imagination and creativity as well as creating a safe, nourishing environment for them. I am very excited to be teaching in Reception class during the next academic year and really look forward to welcoming all new children in September!

### Year 1- *Mellissa Quirke*

Hello next year's Year 1!

I think most of you know me as I have been teaching Year 1 at Holy Trinity for the last two years. It has been such a joy to see most of you around school already and I am so excited to welcome you to Year 1 in September. We have many exciting challenges and lots of new learning ahead, but many fun experiences too. In Year 1, we get to go to Forest School, which is so much fun and I know you are all going to love it as much as I do. We read lots of different stories and write many of our own stories too. Many of you have already told me how much you love writing! I cannot wait to start our learning journey together in September. See you soon.

### Year 2 - *Zoe Peach*

My name is Miss Peach and I am thrilled to be joining Holy Trinity with Year 2 in September! I grew up in South East London and then went on to study at Roehampton University before teaching for three years at a school in Kensington and Chelsea. I have heard wonderful things about Year 2 from Miss Quirke and am incredibly excited to get to know you all and hear about your summer breaks. I am thrilled to be joining the fantastic Holy Trinity team and can't wait to see what the 2021/22 school year holds for Year 2.

### **Year 3 - Julia Dutson**

Hello Holy Trinity, I'm Miss Dutson and I'm very excited to be joining Year 3 in September. I am originally from Salisbury and studied Education Studies at university in Bath. Before moving to London I lived and worked in Brisbane, Australia as a nanny for a year. For the last four years I have taught Year 1, 2 and 4 so I know where you will be starting in Year 3 and I will make sure you are ready for Year 4 by the end of the year. I enjoy incorporating singing and drama into my lessons so be ready for a year of fun! Have a wonderful summer break and I can't wait to see you all in September.

### **Year 4 - Eleanor Adams**

Hello next year's Year 4!

I have met most of you from my visits to Holy Trinity and I am thrilled to be teaching you from September. I have been teaching Year 1 for the past two years at Christ Church and have loved it. I am excited for a new adventure now. I am passionate about teaching English and Drama, so get ready for some acting! We have lots to look forward to next year, including a residential trip to Hooke Court as we learn about the Tudors. Most of all, I am looking forward to getting to know each of you and I know we are going to have lots of fun. Have a fantastic summer!

### **Year 5 - Caitlin Harman**

Surprise! Though not a surprise to many of you clever detectives who had already figured it out. I will be moving with you to Year 5. We have worked incredibly hard this year and smashed lots of goals, particularly with our reading and spelling. So, I am looking forward to another year of achieving our personal best.

In Year 5, we read some fantastic books and explore different periods in time including the Victorians and Ancient Greeks.

### **Year 6 - Thalia Moros**

Hello next year's Year 6, I am Miss Moros. My background is in design and I have an undergraduate degree in Interior Architecture and I am naturally a creative person. These are skills that I will continue to bring to my Year 6 classroom. I have been successfully teaching in Year 6 for two years and have previously taught in Year 1 and Year 4. I am looking forward to an exciting year with you all with many new changes to look forward to as you complete your final year at Holy Trinity School. Although it is going to be a busy year, it will also most definitely be a fun one. You will have much more responsibility as you will be part of the Shepherds and Sheep, you the Shepherds will be guiding the little sheep in reception. I can't wait to be your teacher and I look forward to getting to know each of you.

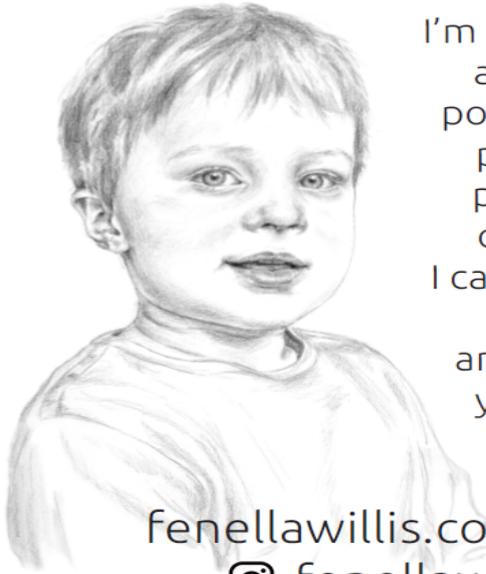

PLEASE NOTE, PARENT COORDINATORS FOR THE NEXT ACADEMIC YEAR WILL BE ANNOUNCED AT THE BEGINNING OF THE AUTUMN TERM.

Dear Holy Trinity Leavers,

As we have reached the end of term and our school year, we wanted to let you know about our exciting plans to help you keep in touch now that your child is set to start their next journey. We are launching a Holy Trinity Alumni.

Holy Trinity is not only a place of learning, it is a place of friendships, a place of shared experiences, a place of achievements and a place of security. To lessen that emotional step, we have decided to produce an annual Newsletter specifically catered to our alumni, to share stories and news from our past and present pupils and our community, invite you to special calendar events throughout the school year and offer opportunities to your children to participate in our ever-growing volunteer programme or as specialist speakers.

If you wish to join our Alumni please email Katie Rose with the name of your child/children that are 2021 school leavers and say if you would like to keep in touch and receive Alumni news and the newsletter, which will be posted out in December of each year. We look forward to hearing from you and to keeping in touch,

Best wishes  
Katie

## Urgent appeal from our Governor, Vicki Lant

Hello

I just wanted to let you know that we're already requesting Foodbank staples in newsletters in these coming weeks ahead of the collection weekend on 1st August, as you may be taking time away from Sloane Square. We learned from Susannah, the Manager at the Kensington and Chelsea Foodbank that they, like us, were flooded last week and lost a significant amount of their store. She has given me a list of the items they most need. Can we do all we can to help them manage the challenges for families over the school holiday period, as well as help to replenish their store?

Tinned tomatoes

Tomato puree

Tinned fruit

Tinned meats

Tinned fish

Cereals (not porridge oats...we have plenty)

Long life Milk

Long-life juice

Jam

Honey

We'll be taking a collection of food gifts from Holy Trinity after the first weekend in August. So, if you're not on holiday, or if you could manage a contribution before you go, it would be great to make another family's staycation special. Holy Trinity is open from 12.00 – 16.00 on the Thursday 29/Friday 30 July if you want to leave a donation and we'll be there on Sunday 1st after the Eucharist Service. Thank you everyone for helping us achieve such a positive response each month; the Foodbank Team is so hugely thrilled to receive our gifts each time.

Please bring your donations to Holy Trinity Church between 12.00 - 4.00pm on Thursday or Friday or straight after the Sunday service.

Calling all Year 3s, Year 4s and Year 5s!! "Pictures of Life" is happening! It's a BIG concert, with a professional orchestra, and we need **YOU** to take part in it! Taking place at Holy Trinity Church on Thursday 23rd September, we are starting a new choir especially for this project!

All Y3 - Y5s are invited to join! Learn all the fun, new pieces with Mr Dollard, and take part in this amazing (and free!) opportunity, where you will have your own animal costume made for you, and perform with professional musicians on a big stage! It's going to be spectacular!

We need to start learning the music **NOW!** So come and join the free sessions from 8:15am in the hall on: **Weds 7th, 14th and 21st July**, just tell the office you want to come and then you can be part of this amazing concert!

### Payments on the School Gateway

Please ensure that you are up-to-date with your payments for your child's lunch and trips. We still have a lot of payments that need to be settled before the end of term. The children have been very fortunate to have been able to go on some amazing trips this year and take part in some fantastic activities that make an enormous difference to their learning. We couldn't do this without support.

### Message from our Governor, Vicki Lant

Dear Friends,

Thank you for your generous gift of £70.00. With your gift this Christian Aid Week you are supporting communities to access a reliable source of water, helping to provide a stable income and keep families healthy.

In Kitui, Kenya, your gifts will support women like Florence to access a reliable water source. With her local dam, Florence can grow tomatoes, onions, papayas and chillies on her farm. With the water harvested, she keeps bees and sells the rich, golden honey for cash at the market. The dam gives Florence strength to withstand even the most unpredictable weather. It's a reliable water source, whether she faces long drought or relentless rainstorms.

A few years ago, like millions in Kenya, Florence was struggling to cope. At that time, she had no water to grow crops, her children were hungry, and she had to walk for hours on a dangerous journey to collect water. 'Life was miserable,' she told us. Now with support from our partner, Florence is proud to show us something remarkable – a dam, full of fresh water. Florence told us, 'My life has changed. I am very happy. You can see it in my face: my face is shining. I have strength and power.'

This is all thanks to the generosity of people like you and life changing gifts. With our support we're working with our local partner Anglican Development Services Eastern (ADSE) to build better earth dams to harvest more water; sow drought-tolerant crops and to demand that governments prioritise climate justice. Together these activities make all the difference.

Thank you for your gift this Christian Aid Week. Together we stop this climate crisis.

## TINA THALASSITES 1:1 SUMMER PRIVATE TUITION Available at Various venues, or Home Visits or Zoom

Dear Parents,

Studies have shown that academic revision during summer is one of the most important ways students can prepare for the upcoming school year. In fact, pre-summer and post-summer assessments often reflect the fact that children's academic achievement drops during the summer months and the chief reason for this is the lack of academic consistency and momentum.

I have been working at Christ Church for over 20 years as an enrichment teacher and I am also a private tutor.

- English: Writing and Reading Comprehension
- Maths
- Verbal Reasoning
- Non – Verbal Reasoning

Please kindly **WhatsApp** or **Text** me **0787 5216686**, if you are interested in reserving a summer tutoring place.

## Chef Wesley - "The BBQ King"

Yesterday, Wesley in Year 4 helped Chef Katie barbeque chicken kebabs as a special treat for his year 4 classmates. Wesley tells us that he is a "BBQ King" The kebab looked absolutely amazing! "The key to a good barbeque is letting the flames die down and only cooking over red coal" Wesley tells us. Well done Chef Wesley, such a kind and thoughtful thing to do.
