

Holy Trinity Primary School Key Dates for your Diary

Autumn Term 2021

Please note that these dates may be subject to change, any changes will first be published in our weekly newsletter.

These are whole school events.

Trips and individual class curricular events are not listed here because they are not as easy to give these dates so far in advance. They are related to what is going on in the classroom. We will inform you of class events with as much notice as is possible.

Inter school sporting events are starting up again this term, we are expecting dates for these soon. We will aim to give you as much notice as possible if your child is to be involved in an extra sporting activity.

Holy Trinity provides an exciting and eventful curriculum for the children. We continue to think very creatively in order to keep as many events happening as possible that enriches the children's learning.

It is absolutely vital that you read the newsletter and the learning information for your child's class on the back page every week. It comes home with the children on Fridays and is published on the school website every Friday afternoon. We spend a significant amount of time producing it and most parents realise this, value it and read it every week which we really appreciate.
