

## PE and Sport Premium: Christ Church CofE Primary School 2020-21

At Christ Church we strongly believe that all children should have access to a thoroughly planned, progressive physical education programme, which places real emphasis on developing a wide range of physical competences, while encouraging healthy competition and teamwork. In order to achieve our whole school vision for PE, our PE and Sport Premium funding will be allocated as follows:

Number of Eligible Pupils on Roll: 180		Funding Received: £17,800 (£10,383 + £7417)		
Description of Project, Activity or Product and Cost <i>What are we going to do? How much will it cost?</i>		Objectives inc. Key Indicators Covered (see DfE Guidance) <i>What do we hope to achieve? Where will we see improvement?</i>	Monitoring Procedures and Progress <i>How will we measure success towards our objectives?</i>	Outcomes and Evidence <i>To what extent have our objectives been achieved? How do we know?</i>
Active play during break times and lunchtimes and hiring qualified sports coaches and PE specialists to work alongside teachers  (DH Sports Coaching)	£6360(George)	To offer all children active team game activities every day.  We have three trained specialist sport teachers a week who work on teaching a range of sports to the children in lessons and coaching sessions. This ensures high quality provision with good subject sport knowledge.	Observe the take up of “Pen play” and the range of different competitive games on offer.  SLT regularly observe PE lessons and give feedback to sport coaches on aspects of teaching and learning that are successful/ need further development.	All classes are actively engaged in the lunch activities. Target achieved ✓  Sports coaches are felt by all staff to add a really important layer of expertise to this curriculum area and all children in the school benefit from the sport provision whether they are in the school representative teams or just have in school PE. lessons. Target achieved ✓
Funding attendance of school sport clubs (DH Sports)	We pay half for some of the children £25 each per term £750	We ½ fund FSM children to attend an active sport per week. we set a challenges/ target for all PP children to attend at least one active club a week.	Dean kept a termly record of the attendance of PP children and in one case funded 100% for one family.	All children accessed at least one club a week over the last year. Target achieved ✓

Raising attainment in primary school swimming		Unfortunately swimming did not take place due to the pandemic ...		Target will continue in the new financial year.
Targeted activities or support to involve and encourage the least active children	Dance Primary Moves £4045	Every class accesses dance over the year for at least a half term. All classes to perform at the end of a series of lessons.	George sets up the school timetables to ensure all children actively participate in dance classes over the year.	A large number of children also booked into the before school dance club and two were subsidised due to being FSM children. Dance was shared through dance films with parent groups and all children were actively involved. Target achieved ✓
Entering Sports Tournaments (3 terms of sports tournaments packages)	EPIC £566.67 £500 (DH taking children to after school tournaments)	We value the importance of children having the opportunity to engage in competitive games. The children take part in a range of different sports and tournaments.	They engaged in the Autumn Term Athletics tournaments and football, handball and netball. Sadly the spring term sports competitions did not run.	Target partially achieved will be continued for all children in the Autumn Term as possible.
Hire of Battersea Park for PE lessons (not a full year due to COVID)	£147	1 mile round trip walk to the park gets our active mile in. Children benefit from big open green space to play in – variation to the hard courts that we have in school. Wider use of the local area.	We regularly review what sport the children experience and we feel confident that they benefit from. Battersea Park continues to be an important part of the children's overall sporting diet.	Target partially met as some children did not get the full year's visits due to home learning.
Yoga	£1320	Stephanie takes selected children out of class who may have more difficulty concentrating and she works with them on breath and movements to help them focus and concentrate.	Our SENCO follows the children's activity and progress.	The children really look forward to their yoga and we can see a marked improvement in their ability to follow instructions.
Introducing new sports	£880.78	Invested in new sports equipment for different sports – Racquets and balls for tennis, Tag rugby equipment, foam balls for indoor matches...	Dean assesses whether the children are engaging in the new sports offered and will ask the children's opinion.	All sports were eagerly taken up. Target achieved ✓

Bubble group PE during part home schooling	£3200	We increased George's hours to provide extra sport session for all children who were at school January 2021 onwards so that they could have PE in bubble groups (1/2 size) plus assist Dean in making online films.	Children continued to have as much PE as they would normally do and	We are very proud of the provision we offered the children in both schools during the COVID times. Children who attended school maintained a good level of exercise.
	Total: £17769.45
