Pupil Privacy Notice

Our Christian Vision

In the Parable of the Sower, Jesus Christ tells us that God is like a generous farmer and we are like the soil in which he plants his seeds. At Christ Church and Holy Trinity Schools, we are learning how to be good soil, so that we grow to love God, our neighbour and ourselves and thereby enable every member of our community to flourish. Each day, we endeavour to face up to all that challenges our growth, in order to see with our eyes, hear with our ears and understand with our hearts God's Good News for the world and to cultivate the virtues with which to produce an abundant harvest.

Our Mission

Christ Church & Holy Trinity Schools are dedicated to providing a nurturing environment in which all children have the opportunity to reach their maximum academic and social potential. Excellent teaching, learning and relationships are at the heart of our schools.

Parents can withdraw consent at any time by contacting the school office.

The National Data Pupil Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils (England) Regulations 2013.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

- Who is requesting the data
- The purpose for which it is required
- The level and sensitivity of data requested: and
