

Our Christian Vision

In the Parable of the Sower, Jesus Christ tells us that God is like a generous farmer and we are like the soil in which he plants his seeds. At Christ Church and Holy Trinity Schools, we are learning how to be good soil, so that we grow to love God, our neighbour and ourselves and thereby enable every member of our community to flourish. Each day, we endeavour to face up to all that challenges our growth, in order to see with our eyes, hear with our ears and understand with our hearts God's Good News for the world and to cultivate the virtues with which to produce an abundant harvest.

Our Mission

Christ Church & Holy Trinity Schools are dedicated to providing a nurturing environment in which all children have the opportunity to reach their maximum academic and social potential. Excellent teaching, learning and relationships are at the heart of our schools.

Rationale

The Governing Body is committed to ensuring staff, volunteers and contractors enjoy a safe working environment. It is recognised that there are occasions when teaching, support, administrative, grounds, cleaning staff may be required, or choose, to work alone or in isolated situations. This however may introduce risks for a normally non-hazardous work activity.

Categories of lone workers

A lone worker at Christ Church will most probably fall within one of the following categories:

- Those who work in an otherwise unoccupied building
- Those who work in an isolated part of a building/school grounds
- Those responding to an alarm call out after normal school hours

Definition of Lone Working

Where staff are engaged in work (either outdoors or indoors) where there are no other people who could reasonably be expected to come to their immediate aid in the event of an incident or emergency.

Risk Assessment

It is the responsibility of the Health and Safety Co-ordinator to ensure that staff deemed 'at risk' complete a Lone Working Risk Assessment. The risk assessment will take into account the type of tasks undertaken, the environment, health and safety instruction and training received and the individual's medical history. This will be updated annually along with this policy.

Hazards identified will be evaluated by the Health and Safety Co-ordinator for the likelihood of the hazard causing harm. Measures will be introduced if the assessment shows that existing precautions are inadequate to eliminate or adequately control the hazard. The risk assessment will be subject to review to ensure it is relevant and current to the workings of the school.

Controls

Staff should seek the permission of the Head Teacher to work alone in the building outside of normal school hours (7.00am – 7.00pm). The experience and training of all staff and the activities to be undertaken will be taken into consideration before allowing lone working. Lone workers must be considered capable of responding correctly in an emergency situation.

Christ Church & Holy Trinity CE Primary Schools
Lone Working Policy
September 2019

Whenever possible it is recommended that staff work with a partner.

In addition:

1. Staff should not enter the school premises if there are signs of intruders but are advised to immediately call the police.
2. Staff must not place themselves in danger by challenging intruders or vandals but should call the police for assistance.
3. Staff should not work alone if they have medical conditions that might cause incapacity or unconsciousness.
4. All lone working staff should establish their own checking in and out system with either family, friends or work colleagues. It is advised that lone workers provide a relative or friend with a telephone contact number (Head Teacher's or Health and Safety Co-ordinator's mobile phone numbers) to call if the lone worker fails to return home at the expected time.
5. Staff have a responsibility for making themselves familiar with and following the school's safety procedures and location of safety equipment.
6. Contractors should have access to their own first aid kit suitable for treating minor injuries.
7. If staff rely on mobile phones they must ensure that their network has good reception within school. Although phones can give extra reassurance, they do not provide complete protection and staff should still be alert for their own personal safety at all times. In the situation where two or more people are working in isolated areas of an otherwise unoccupied building, personnel should keep each other informed about their movements.
8. Lone workers should not undertake activities that involve the handling of money (except banking – see separate risk assessment), or any task that has been identified as medium or high risk or which are potentially hazardous given their own level of experience and the nature of the task.
9. Staff should never work at height whilst alone.
10. All school personnel are reminded about the importance of maintaining a healthy work/life balance. Do you really need to be here?

It is the responsibility of all school personnel and contractors to adhere to the lone working procedures and to report any difficulties, failure of equipment or general concerns on health and safety to the Head Teacher and/or Health and Safety Co-ordinator.

If members of staff fail to follow procedures designed to protect their safety, this could result in a disciplinary matter as they will have contributed to their injury and any compensation claims for damages or unfair dismissal may be reduced accordingly.

Staff should be proactive in bringing to the attention of Head Teacher and/or Health and Safety Co-ordinator any aspect of work related risks.

Christ Church & Holy Trinity CE Primary Schools
Lone Working Policy
September 2019

In Summary:

- 1. Only work alone if absolutely necessary.**
- 2. Make sure you know school health & safety procedures.**
- 3. Stay near a phone or carry a mobile that can get a signal.**
- 4. Tell someone where you are and when you will get back.**
- 5. Keep the building secure so no-one can gain access but you can still get out in an emergency.**
- 6. Don't attempt hazardous tasks such as working at height.**
- 7. If in doubt, call 999.**
