

Holy Trinity Primary School Key Dates for your Diary

Summer 2022

Please note that these dates may be subject to change, any changes will first be published in our weekly newsletter.

These are whole school events. We are hoping all will go ahead and COVID will not impact on school life too much this term. Holy Trinity provides an exciting and eventful curriculum for the children. We are hopeful that we will be able to do most of our traditional events.

Trips and individual class curricular events are **not** listed here unless they are major events. We will inform you of class events with as much notice as is possible.

There are few inter school sporting events planned at the moment, but we are trying to set up some of our own events with local schools, most importantly a swimming gala. Again, we will aim to give you as much notice as possible if your child is to be involved in an extra sporting activity.

It is absolutely vital that you read the newsletter and the learning information for your child's class on the back page every week. It comes home with the children on Fridays and is published on the school website every Friday afternoon.

We spend a significant amount of time producing it and most parents realise this, value it and read it every week which we really appreciate.
