

## **Our School Mission Statement**

**CCHT is dedicated to providing a nurturing environment in which all children have the opportunity to reach their maximum academic and social potential. Excellent teaching, learning and relationships are at the heart of our school.**

**This policy is written in conjunction with the Keeping Children Safe in Education Document (2021).**

### **Statement of Intent**

The Governing Body believes that effective health and safety management supports our delivery of education and services to pupils.

We consider the health and safety of pupils, employees and visitors to the school to be an integral part of what we do and will pursue continual improvement in performance through the setting of objectives and targets.

We are committed to:

- Developing and maintaining a positive Health and Safety culture with an emphasis on continuous improvement, through communication and consultation with employees.
- Providing a safe and healthy working environment.
- Ensuring safe working methods and providing safe equipment.
- Assessing and controlling the risks that arise from our work.
- Complying with and where possible exceeding statutory requirements.
- Preventing accidents and work related ill health.
- Providing effective information, instruction and training.
- Monitoring and reviewing systems and preventative measures to make sure they are effective.
- Ensuring adequate resources are made available to fulfil our health and safety responsibilities.
- For these commitments to be effective, employees throughout the school must play their part in the creation of a safe and healthy working environment for all.

### **Areas of Responsibility**

It is important that every member of staff should be involved and their participation sustained by effective communication and training to promote competence and allow all staff to make an informed contribution to the schools health and safety effort.
