	Mon 8th - Fri 12th - 5CH, Osmington Bay Residential
	Monday 15th - 4AJ Visit to the Science Museum, All day
	Wednesday 17th - 3MQ Visit to the Science Museum
	Monday 22nd - 5CH, Kew Gardens, All day
	Monday 29th - Friday 2nd June - Half Term

After School Clubs Reminder

Our Summer term clubs go live on the School Gateway tomorrow, Saturday 1st April.

Clubs work on a first come first serve basis. If you need help booking, please email nborder@ccht.rbkc.sch.uk
Club timetable on page 8 of this newsletter.

HAPPY EASTER

We wish you all a safe and restful Easter Break.
See you on Monday 17th April for the start of the Summer Term.
School finishes at 1.30pm today

Our Easter Service took place at Holy Trinity Church on Wednesday. Every class told the story of Holy Week and Easter, the crucifixion of Jesus Christ and his Resurrection. We were extremely lucky to have some special guests from the Solomon Islands - the Melanesian Fathers who joined Father Samuel in singing a morning prayer song together, for us.

HOLY TRINITY PROMISES AUCTION LOT

Following the Holy Trinity Promises Auction on Thursday 9th March, Lot 85, below, is available to the highest silent bidder. If you would like to make a bid, please contact Lisa directly on lisa_frost@hotmail.com who will liaise with you directly with regards your appointment. All proceeds will go towards Holy Trinity. Thank you in advance.

85 A Mummy MOT

A 1 hour initial assessment for women following both vaginal and caesarean deliveries. The specialist postnatal examination will assess how your posture, pelvic floor muscles and stomach muscles are recovering and provide you with exercises and treatment to help in your recovery and to return to exercise safely. From 4 weeks to 4 years plus postnatal.

Donated by the Burke Frost Family, YR, 3

THE POSTNATAL CHECK YOU DESERVE

Amazon Wish list

If you would like to purchase something on our behalf, please visit: <https://amzn.eu/3jaGUpR>

If you find something you would like to purchase – just add it to your basket and follow the same procedures as it you were ordering something for yourself. The items will then be delivered directly to the school please make sure you select the school address in the delivery section.

Look out for new items added every week!

Miss James is in need of parent-volunteers for the upcoming Year 4 trips

Friday 21st April 2023 - trip to Southwark Cathedral leaving HT at 10.30 am and returning at 3.30pm (4 volunteers)

Monday 24th April 2023 - trip to The Science Museum leaving HT at 9.30 am and returning at 3pm (4 volunteers)

If you are available, please let the office know.

On **Thursday 20th April**, ChildNet will be running a parent workshop at **Christ Church in the School Hall at 7pm** for anyone who wishes to attend.

This session will focus on the key areas of online risks whilst offering practical tips and useful tools to support young people online. It will begin with conduct: the kinds of behaviours we see from young people online, including screentime and sharing. They offer specific advice around privacy settings and time management strategies. Then they consider online content including topics like fake news, adult content and the perfect lives children might see online. The advice incorporates guidance around parental controls, critical thinking and age ratings. Finally, they explore contact with others online including online bullying and grooming. The sessions will finish by highlighting key reporting tools and signposting to sources of further help and information.

As we prepare for Easter and for some families the absence of school support for meals and routes to other help, please can we give some spring uplift for some of our community families? Families needing help should contact:

<https://kensingtonchelsea.foodbank.org.uk/get-help/>

If you can offer help, some longlife family Easter goods would be welcome, alongside the staples that Kensington and Chelsea Foodbank need to restock their larder. Steadily increasing dependence on their stores depletes their stock month on month. Although this is a familiar list now, these supplies are a lifeline or you may prefer to give a financial donation:

- Tinned meats and fish that may be eaten cold – corned beef; chicken breast; (no pork); tuna; mackerel
- Many varieties of pasta sauce (again, not with pork, please)
- All varieties of tinned vegetables
- Cup-a-soups & tinned soup
- Sunflower and Olive oil
- Long-life Juices and Milks – including dairy-free
- Tea Coffee Sugar
- Toilet Paper and Sanitary products (pads preferred)
- Personal toiletry products (deodorants; toothpaste/brushes; shampoo; shower gel; shaving materials)
- Long-life Easter goods this month would be special

At present no clothes are required, thank you.

Your gifts can be taken to Holy Trinity Church from Wednesday 29th March to Sunday 2nd April after Eucharist Service (12.30).

You may prefer to make a financial donation when you can't help to fill the larder for K&CFB. Add HTSS in your reference so they know it comes from us.

Bank details: **Kensington and Chelsea Foodbank**

postal address: **240 Lancaster Road W11 4AH**

sort code: **60-83-01**

acct number: **20442606** or

Just Giving Web Link: <https://www.justgiving.com/campaign/kensingtonandchelseafoodbank> (site includes access to gift-aid)

As always many thanks for your help and support to our community

Fruity Friday

Friday 21st April

On Friday the 21st April it will be Fruity Friday at Holy Trinity!

The children will get to try a wide variety of different fruits, some fairly familiar and others that might be less familiar.

This is a great way to teach children how to use their senses to explore foods and find their own personal preferences. It is also a great opportunity to discover new fruits which they may not have tried at home. Trying new foods is far more appealing to children when doing it with friends.

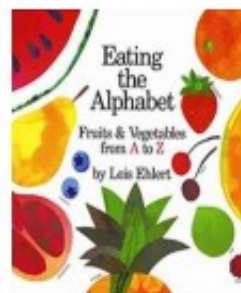

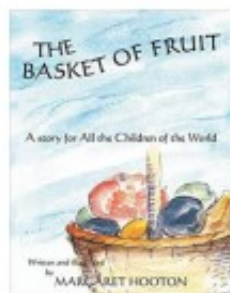

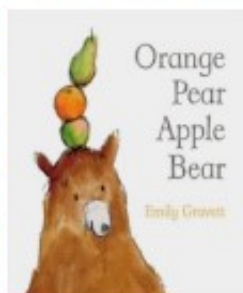

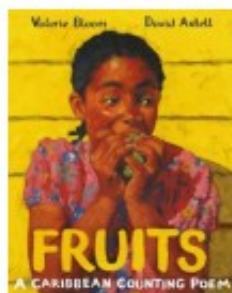

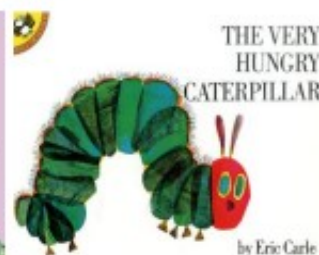

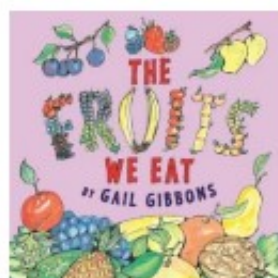

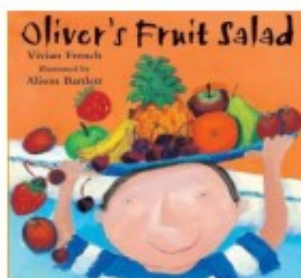

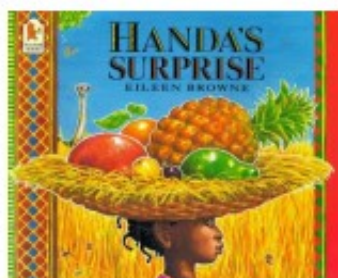

In addition to the fruit tasting, Children are invited to wear colourful/rainbow clothing for a £1 donation - Payment can be made on the School Gateway.

All money raised will go towards resources for extra learning support in school.

Here are some examples of stories about fruit, perhaps you have some at home. Why not use Fruity Friday as an opportunity to have a look at them together.

School Uniform

Just a reminder that children should be wearing their summer uniform after the Easter holidays. (please see list opposite). Here is a link to our uniform provider where you can purchase new uniform if you need to <https://www.stitchdesign.co.uk/> When searching for the school on the Stitch Design website, please use the Christ Church School Postcode **SW3 4AA** Please remember navy blue coats only.

Girls Summer uniform consists of:

A light blue checked summer dress (not navy please)

Navy blue or red socks or tights—white and any other colour socks are not uniform!

Navy blue or black shoes

A red cardigan

A school uniform coat or a navy blue duffle coat (no puffer jackets please)

Recommended Read

Not Now, Noor! (ages 4-5 & up)

Author: Farhana Islam **Illustrator:** Nabila Adani **Publisher:** Puffin

Noor is a curious little girl, her head is always full of questions. The biggest question on her mind is why her Ammu (mum) and the other women in her family wear a hijab (headscarf).

Is it so they can hide snacks for later? Or because they're a super spy and hiding their secret identity? Or maybe it's to protect them from catching nits?

Determined to finally know the answer, Noor sets out to investigate. First, she asks her sister, but she's too busy being cool with her friends. So, Noor heads to her aunt and her two grandmothers instead. But the women in her family are all busy and have no time to answer this important question. They all send her away, leaving Noor confused and frustrated. Just as Noor is ready to give up on her hijab quest, her Ammu arrives home and knows just the thing to say.

A heart-warming story, *Not Now, Noor!* is a celebration of Muslim women and gently approaches the religious reasons for wearing a hijab in a light-hearted way for children. Using a vibrant colour palette of reds, yellows and purples, the beautiful artwork is full of emotion and movement. Noor's facial expressions, from excitement to dismay, are brilliantly funny and work well alongside the text.

Main: fresh, local, white fish in Panko breadcrumbs

Sides: oven roasted skin on chips, peas, ketchup

Pud: warm plain scones with cream and jam (optional)

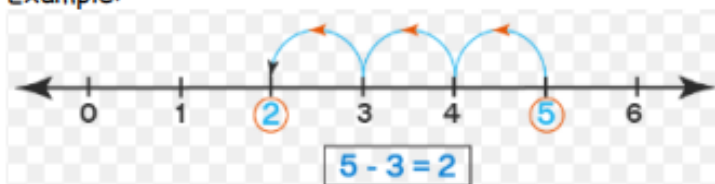

Allergens

eggs - fish - lupin - milk - gluten - sulphites

Friday 31st April 2023

Reception

Alphabet Code	<p>This week we reviewed the following sounds:</p> <p>/ow/, /oi/, /ear/</p> <p>/ow/- brown cow</p> <p>/oi/- coin</p> <p>/ear/- I hear with my ear</p>
Tricky words	Please continue to go through the tricky words in their tricky words book. Thank you
Literacy	<p>This week we have focused on writing sentences independently. The children wrote a weekend recount, practised their handwriting (sky letters- l, t, d, f, k, b) and described things they could see on an illustration.</p> <p>Example: 'I can see a man sitting on a chair.'</p> <p>Many children have achieved their writing target and we will think of new ones for the new term.</p> <p>Our main focus for next term will be:</p> <ul style="list-style-type: none"> -To write sentences independently. -To include a capital letter at the beginning of a sentence and a full stop at the end. -To leave spaces between words (many children find this difficult and they tend to join words) -To check their work and make sure it makes sense. -Letter formation (recognisable letters)
Maths	<p>In Maths, we focused on subtraction using a number line.</p> <p>Example:</p> 

Have a lovely Easter break,

Miss Martin

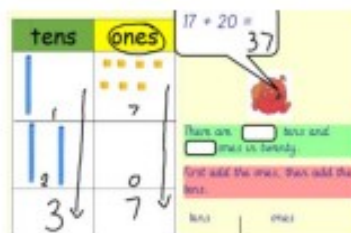

Learning at Holy Trinity in Year 1

Friday 31st March 2023

This week in maths, we continued looking at numbers to 50. We were introduced to the column method for addition where we placed the tens and ones of two numbers into a place value chart and added the columns together. We made sure to always start with the ones column, add those and then we added the tens column.

In English we focused on creating expanded noun phrases to describe the clock tower and how it changed with the mood throughout the story. Then we moved onto including conjunctions in our writing. We focused on using 'but' to compare two contrasting elements of the story. **For example, the lonely, beautiful girl went outside happily but the town had turned dark and gloomy.**

To conclude our time of Forest School we were given the choice to return to our favourite activity from the last six weeks. We also had the exciting opportunity to use fire starters to create a spark.

A huge thank you to all the wonderful mums, dads and nans who joined us on our trips, we loved having you with us and would be lost (in the forest) without your support!

Reminders:

- **Monday 17th April** - Return to school

What a brilliant term Year One, you have excelled yourselves! Have a well-deserved, restful holiday! ☺

Holy Trinity Amazon Wishlist

Learning at Holy Trinity in Year 2
Friday 31st March 2023

Thank you all for a lovely spring term. We are **so** lucky to get to spend our time with your beautiful children; their love for learning and each other is wonderful to be part of.

We hope you enjoyed our 'Last Supper' performance. As only a few were able to support with the re-enactment, we all painted our own inspired artwork and displayed these on the dinner table cloth. It was wonderful to have so many parents with us.

This week in English, we have been considering how 'Flat Stanley' can be an unlikely superhero and protect a famous painting from potential thieves. We read up to a cliff-hanger in chapter four and wrote our own alternative endings. These include Zsleykes's ending of Stanley hiding in a photo frame and Max's Stanley sneaking into the thieves van.

I have provided lots of reading books, please let me know how you get on with these and where possible continue to read little and often. This is the priority over other homework tasks.

In Mathematics we have consolidated our use of a number line strategy to support finding a missing value. Inverse question can be a bit tricky, we need to remember our number line always starts with the lower part and works towards the whole. We have also completed a range of maths arithmetic problems to review our addition and subtraction strategies.

In art we completed our final Monet inspired reflective piece. We focussed on the reflective trees in the water. This work used a sponge and paint strokes to create depth.

Have an incredible Easter break!

Reminders:

Back to school Monday 17th April

Class parent meeting- SATS and Summer term: Thursday 20th April. Y2 9.10

PE uniform continues to be Tuesday, Wednesday, Thursday

Holy Trinity Amazon Wishlist
'A wish from year 2'

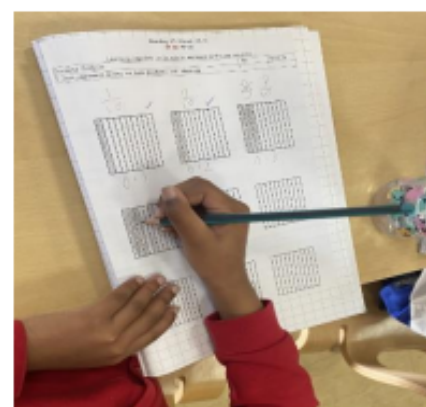

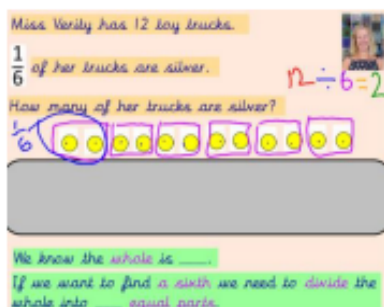

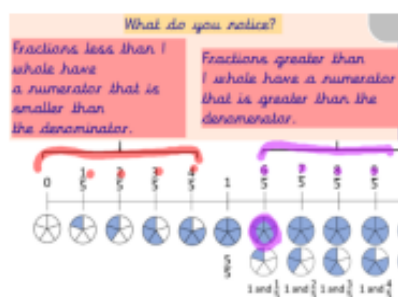

Learning at Holy Trinity in Year 3

Friday 31st March 2023

This week in English, we rewrote the beginning of 'The Black Hat.' We included our made-up creature in the story and we made sure to try and use expanded noun phrases, alliteration and similes to build description. We have all been working hard to improve our handwriting and we will hopefully have more pen licenses in Year 3 next term!

In Maths, we continued learning about fractions. This week, we have looked at tenths as decimals, comparing fractions and finding a fraction of a set of objects.

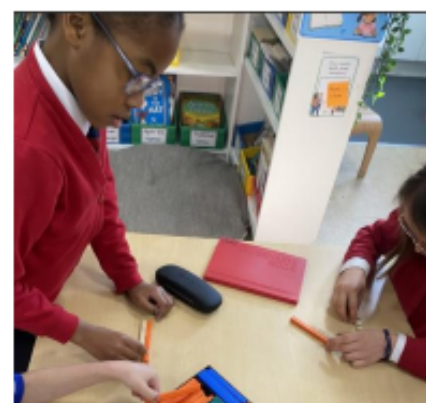

In Science, we continued our topic on rocks and soils. This week, we explored different rock families, and we looked at how rocks are formed.

In Geography, we looked at climate graphs, we recorded data on a weather chart and we compared a weather graph of London with a weather graph of Liberia.

This week, we also took part in the Easter assembly at Holy Trinity Church. A big well done to all the children for retelling the Easter story so beautifully.

A big well done to all of the children for all of their hard work this term. We look forward to seeing you back in two weeks for more fun and learning!

Have a lovely Easter break 😊

Learning at Holy Trinity in Year 4

Friday 31st March 2023

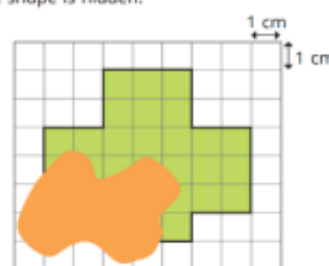

Highlights of this week include:

Maths

This week Year 4:

- Identified parallel lines and the symbol that represents them.
- Learnt how to draw parallel lines along and across the lines of a grid.
- Worked out the perimeter of different shapes by counting squares.
- Worked out the perimeter of different shapes by doubling the width and length.

A shape is drawn on a squared grid.
Part of the shape is hidden.

What could the perimeter of the shape be?

English

During English this week, children wrote a description of the ending of the animated film 'The Girl and the Robot'. This included writing in the 3rd person, using prepositional words and phrases and using commas to create a list. Year 4 did a fantastic job at managing the technical aspect of this piece alongside bringing in plenty of creativity.

Science

This week, we looked at how the process of evaporation and condensation work within the 'water cycle'. We watched a short CGI film of the 'water cycle' and children then went onto draw and label their own diagrams.

RE

Year 4 took centre stage at our Easter Assembly this week. Re-creating Jesus' journey to Calvary, over half the class took on roles representing Jesus, Mary (Jesus' mother), Simon of Cyrene, Veronica and other supporters of Jesus. It was a moving piece and Year 4 did a fantastic job of bringing this critical part of the Easter Story to life.

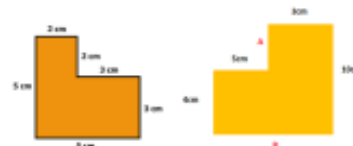

Have a lovely holiday and see you next term!

Learning in Year 5 at Holy Trinity
31st March 2023

In Maths, we have moved onto Measurement and this week we recapped how to calculate the perimeter of rectangles and rectilinear shapes (shapes made of rectangles). To calculate perimeter, you must add all the sides together but it can be more complicated when we have to find the length of a missing side.

This term, some of us have been reading the book *The Windrush Child* by Benjamin Zephaniah. This is a historical fiction story that is inspired by Zephaniah's personal experience of immigrant parents and the challenges his family and others encountered as part of the Windrush generation. We really enjoyed reading this book together and having insightful conversations about equality, race and identity as well as learning about the history of the Windrush.

In Science, we reviewed all the learning about Space that we did this term. We looked back through our book and discussed *what we learnt* and *how we learnt* it, and also thought about all the new vocabulary we learnt including 'rotation', 'revolution', 'heliocentric', and 'time zones'. In RE, we finished our unit on Easter by looking at the reasons why people all over the world engage in community-building religious activities, and what those activities mean to them. We also completed our maps of the human geography of the Jurassic Coast - all in preparation for our trip to Osmington Bay next term. In Computing, we built our doorbells using a switch and a buzzer and designed a program that would make them turn on and off at the touch of a button.

On Wednesday, we all attended the Easter Service at Holy Trinity Church where all the classes acted out part of the Easter Story from the Last Supper to Jesus rising on Easter Sunday.

On Thursday, we said goodbye to Mr Barry who has been with our class since Reception! We spent the afternoon playing drama games - Mr Barry's speciality - and enjoying an Easter Egg hunt. We wish Mr Barry all the best with his new adventure doing Drama Therapy with the NHS.

Summer term dates to remember

- **Monday 17th April** - School starts
Students should be wearing their Summer uniform.
- **Tuesday 18th March** - Trip to Westminster Abbey
- **Wednesday 26th April 9:00am** - Year 5 Class meeting
- **May 8th to 12th** - Osmington Bay
- **Monday 22nd May** - Trip to Kew Gardens

Have a wonderful and relaxing half-term!
I will see you soon for our last term of Year 5

Miss Harman

Holy Trinity Amazon Wishlist

In Summer term, Year 5 will be learning about Ancient Greece. We would love to have texts that the students can access to enhance their learning.

**Learning at Holy Trinity
Friday 31st March 2023**

In English, we have been looking at the different uses of a semi-colon.

On Geometry Tuesday, we continued looking at the four quadrants, plotting and reading coordinates and translating shapes and points.

In maths, we have been learning about fractions, focusing on ordering fractions and plotting on a number line.

On Tuesday we took a trip to the Buddhist temple in Wimbledon to learn more about the Buddhist faith. We were lucky to be greeted by a Buddhist monk, who told us all about his practise and even taught us how to meditate.

On Thursday, we have continued with our SATs practice papers in maths and reading, we are finding these sessions very helpful in understanding how to answer exam style questions.

In Science, we have evaluated our learning on adaptation and evolution.

Have a wonderful Easter break!

Reminders:

Times tables need to be practised DAILY

Homework needs to be completed and handed in every Monday morning.
