

Secondary Transfer

State - Pan London Coordinated
Admissions System
October/March

Independent Sector has varying dates

Tips

- Check websites for open days (there is a list on our website too).
- Parents attend open days without child (on first visit).
- Putting down one school only will not improve your chances of getting that school.
- National Pan- London CAS do not tell schools the rank order you have given individual schools but they contact schools in choice order
- Some schools require an additional form (SIF). These forms are available from the school or downloaded from their website directly
- Fulham Boys School Sports /Holland Park Visual Arts/Marylebone Performing Arts Aptitude places.
- You need to hand in SIF and write school on the National Pan- London CAS list eg: Fulham Boys' School Sports/Holland Park Visual Arts/ St Thomas Moore Language College.
- Read the Admissions criteria very carefully – call if unsure.
- Applying for Private sector registers closed quickly.

WARNINGS

- * try not to listen to gossip.
- * Make the decision right for your child and make a list of your priorities for a school.
- * Read information online – it changes.
- * If you have gone through the process before – it has probably changed.
- * Even if you are going Independent, apply for State schools.
- * Children with a EHCP apply differently - see Mr Link
- * If you are applying for church place – make sure you have read the admissions attendance for church correctly – is it just parent/adult attendance or child and adult ?
