

If you would like an item included in the Newsletter, which is also published on the website www.ccht.rbkc.sch.uk please telephone Mrs Phillips on 02078819860 or email iphillips@ccht.rbkc.sch.uk by Wednesday lunchtime at the latest.

FIRST WEEK BACK - VISITORS, COMMUNITY EVENTS & CURRICULUM ENRICHMENT

Monday 24th April	3MQ	Class Meeting, Sedding Street, 9.10am
Monday 24th April	4AJ	Visit to the Science Museum, All Day
Tuesday 25th April	4AJ	Class Meeting, Sedding Street, 9.10am
Wednesday 26th April	5CH	Class Meeting, Sedding Street, 9.10am
Thursday 27th April	6TM	Class Meeting, Cadogan Gardens, 9.10am

M A Y	Wednesday 3rd - RSE talk for Years 5 & 6 parents, 7pm, Cadogan Gardens (Details to follow)
	Friday 5th - Coronation Tea Parties
	Monday 8th - Bank Holiday for the Kings Coronation
	Tues 9th - Friday 12th - Year 3 Mosaic Workshop
	Thursday 11th - RCM Visit to Battersea Zoo, All Day
	Mon 8th - Fri 12th - 5CH, Osmington Bay Residential
	Monday 15th - 4AJ Visit to the Science Museum, All day
	Wednesday 17th - 3MQ Visit to the Science Museum
Monday 22nd - 5CH, Kew Gardens, All day	
Monday 29th - Friday 2nd June - Half Term	

Welcome Back to the Summer Term!

We look forward to working with you all during the final term of this academic year. There are lots of exciting trips and events to look forward to including *The Pop-up Restaurant for Year 3, Osmington Bay for Year 5* and *Sports Day & Graduations for All!*

Thank you so much to those of you who have already attended your class meetings - we have Years 3, 4, 5 & 6 next week.

Students Of The Week

RCM - Jeremiah & Sanvi
1JD - Noah. A & Lilah
2ZP - Seif & Arlo
3MQ - Ashleigh & Mohammed
4AJ - Tai & Richard
5CH - Jayden & Nathan
6TM - Zoe & Yasin

Miss James is in need of parent-volunteers for the upcoming Year 4 trip.

Monday 24th April 2023 - trip to The Science Museum leaving HT at 9.30 am and returning at 3pm (4 volunteers) . If you are available, please let the office know.

Fruity Friday

We had some great fruity-coloured outfits today!
The children also had a very yummy time trying different fruits and learning about the countries that they originally came from.
Photos to follow in next week's newsletter!

Summer Key Dates

The key dates for the Summer Term have now been published on our website.

Message from Miss Edgeworth - Head Of School

Dear Parents,

Welcome back to the Summer Term, and what a week it has been!

Children embraced the sunny weather (at the start of the week!) and the opportunities for outdoor learning which ensued. From football games on the roof at Sedding, Rounders at Battersea Park, to water play in the reception playground. Please enjoy the newsletter learning briefs which also showcase the trips classes have also enjoyed, as well as the new arrivals in Reception!

We were also happy to see so many of you at class meetings this week; teachers appreciated the opportunity to share their class learning journey for the term ahead, including an overview of topics and enrichment opportunities.

If you were unable to attend, please check your inbox for the presentation slides or ask your child's teacher for a printed copy. For those of you visiting classes next week, we encourage you to check the second-hand uniform available, we would love for these items to go to new homes!

Finally, we would like to thank you for your engagement and support with our Ofsted visit. Our inspector commented on the warm welcome he received from children and parents alike, and the inclusive and friendly atmosphere. The purpose of the inspection was to confirm our current rating of GOOD, and therefore evidence was gathered to support this grading, with a full report to be published before the end of the academic year.

Whilst we are unable to share specific feedback ahead of the report publication, we found the inspection to be a fair and due process, which understood the Holy Trinity ethos, with children at its heart. It was overwhelmingly clear that children know Holy Trinity is a safe place for them, where they have the support of trusted adults to support their needs, and where their voice is valued.

We would like to thank all members of our community, children, parents, staff and governors, for their continued hard work and dedication; we are immensely proud of our school.

Wishing you a restful weekend,
Miss Edgeworth

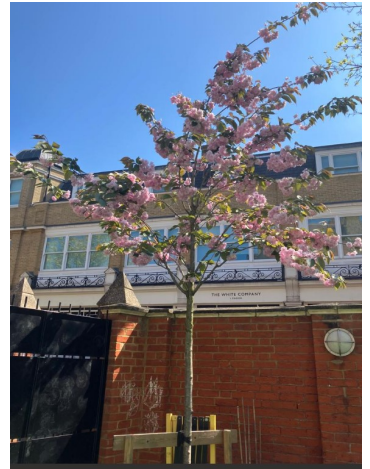

Growth, renewal and new life

All around us there are signs of growth, renewal and new life.

The branches of our Blossom tree in the Cadogan Gardens playground are now carrying beautiful pink flowers, summer uniforms being worn and Sloane Square adorned with Coronation bunting. Despite many wet, grey sky days, it does seem that, slowly but surely, we are seeing more signs of spring and plenty of new beginnings

This week Reception Class had a very exciting delivery... duckling eggs! Currently, three out of the five eggs have hatched and the children and staff are eagerly awaiting the fourth. What an exciting way for the children to witness new life!

Sadly one of the ducklings didn't make it but the children were very brave when Miss Martin delivered the sad news.

Look how cute our new feathered friends are!

Happy Eid al-Fitr

As we come to the Holy month of Ramadan, on behalf of everyone at Holy Trinity, we would like to wish our Muslim families and colleagues 'Eid Mubarak'.

After family celebrations this weekend, we look forward to hearing details of how you celebrated.

Did you know?

- Eid Al-Fitr is a Festival of thanksgiving.
- Eid al-Fitr, known as the Festival of Breaking the Fast is celebrated amongst Muslims all over the world.
- People greet each other during Eid Al-Fitr by saying 'Eid Mubarak
- Eid Al-Fitr is a time of charity and gifts are often given
- Eid takes place at the end of Ramadan
- During Ramadan, Muslims don't eat or drink from dawn until dusk. This is called fasting.

Amazon Wish list

If you would like to purchase something on our behalf, please visit: <https://amzn.eu/3jaGUpR>

If you find something you would like to purchase – just add it to your basket and follow the same procedures as it you were ordering something for yourself. The items will then be delivered directly to the school please make sure you select the school address in the delivery section.

Look out for new items added every week!

Class Meetings

You are invited to come along to our Summer Term class meeting. All meetings will be at 9.10am in your child's classroom. Come along and find out what your child will be learning during next term.

ENTER THE WORLD CHELSEA BUN AWARDS

Free to Enter
Fantastic Prizes to be Won

ENTRY
DETAILS
See Overleaf

GUEST JUDGES include:
Charity Patrons of The Children's Surgery Foundation, Lady Sophie Windsor and actress and cake expert, Jane Asher.

For more details:
www.worldchelseabunawards.com

E: shop@partridges.co.uk • www.partridges.co.uk • T: 020 7730 0651 •   

HOW TO ENTER

This year for the 5th annual bake-off there will be an **Instagram Competition** plus a **Live Tasting Competition** at Partridges in Chelsea.

Instagram Competition: make some Chelsea Buns, photograph them and post the photo on Instagram using the hashtag #worldchelseabunawards and tag in @world.chelsea.bun.awards and/or email your photograph to info@silkspr-marketing.com, especially if your Instagram is private.

Prize: a Partridges Hamper full of treats, a Partridges Certificate and a World Chelsea Bun Awards apron donated by Initially London.

Instagram Competition: Entry Deadline
5pm on Wednesday 17th May

LIVE TASTING COMPETITION: bring or post your Chelsea Buns to Partridges, 2-5 Duke of York Square, Chelsea, London, SW3 4LY.

Enter your Chelsea Buns into one of three categories:

Children (under 18) - Prize: Bespoke Partridges Hamper filled with delicious treats;

Adults - Prize: Bespoke Partridges Hamper including Partridges Chelsea Bun Gin;

Professional Bakers - Prize: Bespoke Partridges Sharing Hamper including Partridges Champagne and Chelsea Bun Gin.

Winners will also receive a Partridges Certificate, a World Chelsea Bun Awards Winners' Apron from Initially London and the overall winner will become 'Best Chelsea Bun Baker 2023'.

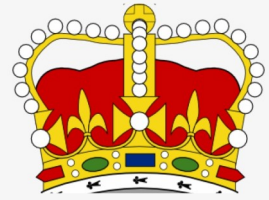

Live Tasting Competition: Entry Deadline
5pm on Friday 19th May

www.worldchelseabunawards.com

We invite all entrants to make a donation to this year's chosen charity - **The Children's Surgery Foundation**. All proceeds will go to the **Beam Campaign** >>>

Coronation Walk

Saturday 13th May

10am

TO DONATE CLICK HERE:

<https://cchtrbkc.enthuse.com/cf/coronation-walk---saturday-13th-may>

Please support the children and staff at Christ Church & Holy Trinity C of E Primary Schools who are proudly walking from Hampton Court Palace to Christ Church School on Saturday 13th May, in celebration of the King's Coronation. Do share the link above with family and friends to help us reach our £10,000 target. We will be walking a total of 13 miles but there will be 3 starting points to choose from along the way so please do come along, wave us off and take part, everyone is welcome

We will be raising funds for our **Creative Classrooms**, to enhance and enrich our pupils' education and complement the curriculum. Items we will purchase will include digital cameras, annual subscriptions, playtime equipment, art, drama, music and gardening resources as well as funding class trips, specialist artists and visitors. Outstanding classrooms are central to the happiness and success of all children. Creative environments revolve around excellent teaching and learning but the importance of resources is paramount. The inclusion of a range of exciting books, interactive toys and IT ensure the lessons are interactive, engaging and accessible for all learners and that the learning opportunities will be imaginative, innovative and collaborative. Planning for visitors to come into our schools and share their expertise is such an important part of bringing the curriculum to life and going on school trips offers the children a unique cultural learning experience, encouraging curiosity, while music and drama have such a positive impact on a child's physical, emotional and social wellbeing as well as cognitive development.

Here is the itinerary for the day:

10am - Meet at **Hampton Court Palace** if you would like to walk the full 13 miles (4.5 hours approximately not including stops)

1pm - Meet at **Fulham Palace** (organisers will be there from 12pm) if you would like to walk 4 miles (1.5 hours approximately)

2.30pm - Meet at **St. Mary's Church, Battersea** if you would like to join us for the remainder of the walk (1 mile).

3pm - Meet and greet the walkers at **Christ Church School, Chelsea** for a BBQ, drinks, ice cream and celebrations.

Here is a link to the route we will be taking - <https://tinyurl.com/2p8k23ut>

Recommended Read

The Broken Dragon (ages 6-8 & up)

Author: Karen McCombie **Illustrator:** Anneli Bray **Publisher:** Barrington Stoke

When Tyra moves in with Nan, they love to visit charity shops in search of hidden treasures and are always delighted if they find anything dragon-related, as Tyra adores dragons. Despite her exuberant personality, Tyra feels anxious about starting her new school. She worries that her classmates will think she's too bouncy or weird, just like they did in her last school. When Nan gives her an exquisite china dragon to celebrate her first day, Tyra has a great idea: she'll take it to school and everyone will be so impressed that they will want to be her friend. Unfortunately, in her haste to show it off, Tyra drops the dragon and watches in dismay as it smashes into pieces. Luckily, Tyra's teacher has a wonderful suggestion to make everything better.

This heart-warming tale sensitively explores the anxieties of starting a new school and trying to fit in, beautifully demonstrating the importance of kindness and inclusivity. The book has many specialist features designed to help dyslexic and reluctant readers, such as a special font to help avoid confusing letter shapes and short chapters to build confidence and stamina. Dynamic black-and-white illustrations perfectly capture the energy and emotion of the tale.

Learning in Reception at Holy Trinity

Alphabet Code	<p>This week, the children learnt the different codes for the /ai/ sound.</p> <p>/ai/- a snail in the rain</p> <p>/ay/- may I play?</p> <p>/a-e/- bake a cake</p> <p>Other children focused on blending, segmenting and writing sentences. This week they reviewed: /ch/ /sh/ /th/ /qu/</p>
Tricky words	Please continue to go through the tricky words in their tricky words book. Thank you
Literacy	This term, we will be learning about 'People Who Help Us'. Our story focus for this week is <i>Percy the Park Keeper: Percy's Bumpy Ride</i> . We talked about the role of a park keeper, which ties in really well with our new History topic 'Local Parks'.
Maths	In Maths, we have been learning about doubling numbers. The children used counters to double amounts up to 10.

How exciting! Reception class will be looking after four little ducklings both this week and next week! We can't wait to see and learn more about the life cycle of a duck 😊

Have a lovely weekend,

Miss Martin

Learning at Holy Trinity in Year 1

Friday 21st April 2023

Welcome back everyone, I hope you all had a wonderful and sunny Easter break!

This week in maths, we recapped adding, both with regrouping and without. Then we moved onto looking at subtracting a 1-digit number from a 2-digit number without regrouping. We focused on the importance of setting out our column subtraction with the ones in the ones column and the tens in the tens column. Next week we shall start looking at subtraction with regrouping.

In English we focused on using conjunctions to join our sentences, with particular focus on using 'but' when joining two contrasting sentences. We also spoke about the importance of not overusing 'and' as a conjunction in our sentences as we need to give the reader some space to breathe!

In RE we started looking at another faith - Islam. Some of us shared any prior knowledge we had about the faith and then we all thought about some questions we would like answered by the end of the topic. We were then introduced to the Qur'an, the holy book and learnt about the different ways Muslims treat and respect the book. We related this to a book that was important to us and thought about how we might treat it respectfully.

In science we started our topic Treasure Island where we received a mysterious message in a bottle from someone stranded on an island. Together we had to think how we could help this person and we decided that this person needed to build a shelter first. We had a go at making shelters out of different materials and then used water or blew on them to test whether they were strong enough. We found that some materials were better than others, so we reported our findings back to the poor person on the island.

On Friday we ended our week with some fruity Friday adventures where we tried an amazing range of delicious fruits.

Thank you all for coming to our class meeting on Wednesday, it was so lovely to see all of you!

Reminders:

- **Monday 8th May** - Coronation Bank Holiday, no school
- **Thursday 11th May** - Trip to the Science Museum

What a stupendous Year One, you have returned ready to go! Have a well-deserved weekend! 😊

Learning at Holy Trinity in Year 2
Friday 21st April 2023

Firstly, a big thank you to parents for your support for the school and class this week. It was wonderful to see so many of you at our parents meet to talk through our upcoming term. Please let me know if there are any links in our learning where you can share your great experience with us. It would also be fantastic to continue to see you on our Monday guest reader session. Please sign up with Mrs Sheehan :)

This week during our English unit we have started our new class story 'The Dark' about Laszlo overcoming his fears. To reassure Laszlo we wrote him a letter. Christopher wrote: "Please don't fear the dark, you are really safe in your home." Later we considered how 'The Dark' might feel and wrote from their perspective. Alexa wrote: "I spread around the house to try and make friends but some are scared of me."

In mathematics, we are reviewing our arithmetic skills and consolidating our addition strategies. We are focussing on using a strategy that supports the equation. For example $5 + 3$, counting on from the larger number, or $53 + 28$, vertical addition with regrouping.

In Art, we learned about the abstract world of Kandinsky. We then focussed on shape and colour to express feeling. To emphasis this we listened to a range of music and drew how the music made us feel.

In PE, we are practicing our tennis skills and have enjoyed playing in teams.

Today we enjoyed tasting a range of fruit for our fruity Friday! Thank you for dressing up and supporting!

A very happy Eid Mubarak to all those celebrating. Have a joyous celebration with your families and loved ones.

Have a restful weekend,
Miss Peach

Reminders:
Tuesday 25th Central London Mosque Trip (School uniform)
Friday 28th Trip to Jamie Routley's Art Studio

Holy Trinity Amazon Wishlist

'A wish from year 2'

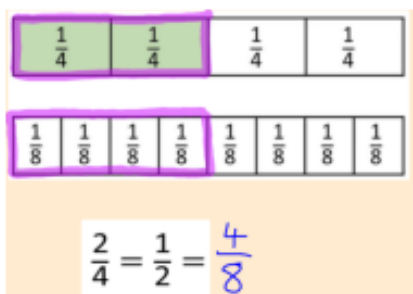

Learning at Holy Trinity in Year 3

Friday 21st April 2023

This week in English, we read part of the book *Kindlekrax*. In this story, a young boy called Ruskin wants the lead role in the school play. We will be writing a persuasive letter, in first person, to Ruskin's teacher to convince him to give us the lead role. In preparation for this, we focused on the key features of a persuasive letter. These included: persuasive sentence starters, strong, emotive language, cause and effect conjunctions and hypothetical questions.

In Maths, we continued learning about fractions. This week, we have been exploring equivalent fractions. We used concrete resources to help us find and identify equivalent fractions and we used bar models to represent equivalent fractions and to help us spot patterns.

In RE, we began our unit on Buddhism. This week, we learnt about the origins of Buddhism and the life of Siddhartha Gautama.

In PSHE, we started our new unit all about keeping our teeth and bodies healthy. We discussed what it means to eat well and why this is important.

In Geography this week, we looked at biomes. In small groups we researched a different biome and presented our findings to the class.

A big well done to all the children for coming back to school so ready to learn this week!

Have a wonderful weekend 😊

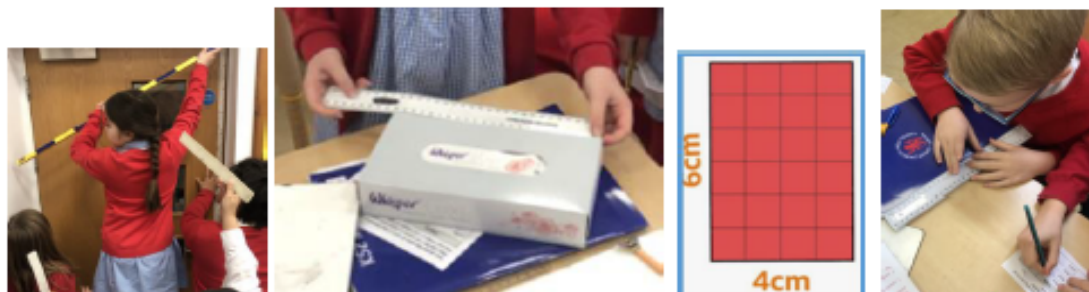

Learning at Holy Trinity in Year 4

Friday 21st April 2023

Highlights of this week include:

Maths

This week Year 4 explored concept of 'area' and combined this with prior learning of 'perimeter'. One lesson included finding the area of items around the classroom (see pics).

English

This week we used information from 'The Museum of Extraordinary Objects' to understand how to write a label for an exhibit and plan a piece of information. This information was used to describe a collection of objects within the museum. Children had the opportunity to practise writing single and mult clause sentences and writing in the correct tense.

PHSE:

This week we investigated how everyday choices can affect the environment. We considered how 'fast fashion' impacts the environment and what people choose to buy or spend money on can affect other people and our planet.

Trips

We took a trip to Southwark Cathedral for a guided tour and a candle-making workshop. Watch this space to see photos of the trip.

Have a lovely weekend!

Learning in Year 5 at Holy Trinity Friday 21st April

Welcome back to our final term in Year 5! What an exciting few months we have ahead of us.

This week we started our new English unit, *Perseus and Medusa*. We have been learning the text off-by-heart whilst also improving our reading fluency, and acted out the text. Next week, we will look at how the text is structured.

In Maths, we started to learn about area which is the space inside a 2D shape. We started off by counting the squares inside a shape, then used our array and multiplication knowledge to mentally calculate the area of rectilinear shapes.

In Science we started our new topic, *Plants and Lifecycles*. We learnt that all living things have to reproduce to make more copies of themselves, and plants can reproduce sexually through pollination.

In PSHE, we began learning about the adult world. We discussed why adults have jobs and how money moves around an economy.

In computing, we looked at how images are created on a computer and used Google Drawing to create our own personalised images of houses. We will go on to looking at how logos are created.

In RE, we returned to our learning on Sikhism, resuming with the sixth guru, who was a warrior. We had a very interesting discussion on the moral implications involved in a warrior leading a religion, and whether violence can be justified if it is self-defence.

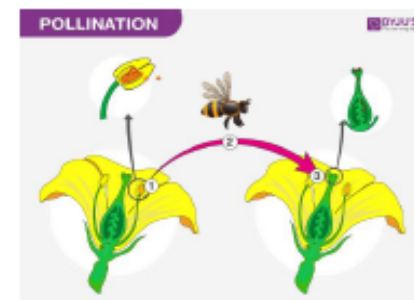

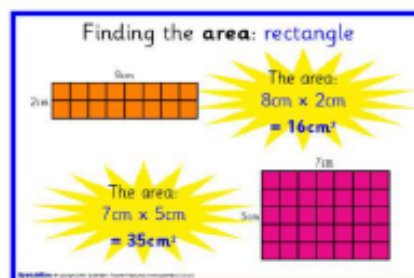

On Tuesday, we had a wonderful trip to Westminster Abbey. We saw the coronation chair, the grave of the unknown warrior, Poets' corner and many other well-known people who are buried or remembered in the abbey.

Last term, we created our own piece of drama with Mr. Tolley. We have worked incredibly hard - writing our own scripts, working with different people and remembering our lines. This week, we did our last run-through in the Holy Trinity Cellar Theatre. Next Friday (28th April) we will be performing our drama at 2:00pm. We would really appreciate your support in coming to watch us 😊

Reminders:

- Please hand in all Osmington Bay notes as soon as possible!
- Wednesday 26th April - Class meeting at 9:10am in Year 5
- Friday 28th April - Year 5 Drama performance 2:00pm
- May 1st - Bank holiday! Have a great weekend.

Miss Harman

Holy Trinity
Amazon Wishlist

Learning in Year 6 at Holy Trinity
Friday 21st April 2023

In Maths this week, we have continued with our learning on fractions. Revising comparing and ordering fractions by finding a common denominator. We then moved on to adding and subtracting fractions within 1, where the denominators are multiples of the same number. On Geometry Tuesday, we practised reflecting shape into another quadrant along the x and y axis. On Wednesday, we have been revising area and perimeter, finding each of these in a range of parallelograms.

In English this week, we have been preparing for our last big write on historical context (Boy in Striped Pyjamas unit). We began by revisiting our characters, particularly, our main character, Bruno. Working in pairs, we took it in turns to interview the character, Shmuel on the events that had occurred on the alternative ending we will be writing for the Boy in Striped Pyjamas. During this interview, we were able to gather ample information to create a rich story. After spending some time planning this, ensuring to include a number of writing devices. Next week, we will be spending more time writing, making sure that our work is to a high standard and editing to further improve.

On Tuesday this week, we took a short trip to the Saatchi Gallery, to visit the 'Beyond the streets' exhibition, which links to our Art unit, Moving Figures. We thoroughly enjoyed this exhibit, and it was fantastic to see some of Keith Haring's work in real life! This gave us inspiration for our next piece of work.

In RE, we have been learning about the Pentecost, discussing our big question, 'How did the Christian message first spread?'

In History, we continued our learning on the Vikings, focusing on where these warriors travelled. looking at a number of sources, which taught us about where the Vikings settled, raided and traded.

Enjoy a lovely weekend!

Reminders:

Class meeting next Thursday

Please continue working through your SATs workbooks over the coming weeks, they are an excellent resource.
