

If you would like an item included in the Newsletter, which is also published on the website www.ccht.rbkc.sch.uk please telephone Mrs Phillips on 02078819860 or email iphillips@ccht.rbkc.sch.uk by **Wednesday** lunchtime at the latest.

FIRST WEEK BACK - VISITORS, COMMUNITY EVENTS & CURRICULUM ENRICHMENT

Monday 8th May	All	Bank Holiday for the Kings Coronation
Mon 8th - Fri 12th May	5CH	Osmington Bay Residential
Tues 9th - Friday 12th May	3MQ	Mosaic Workshop
Thursday 11th May	RCM	Visit to Battersea Zoo, All Day
Thursday 11th May	1JD	Visit to the Science Museum, All Day
Saturday 13th May	All	Coronation Fundraising Walk

6M **Monday 15th** - 4AJ Visit to the Science Museum, All day
Wednesday 17th - 3MQ Visit to the Science Museum
A **Monday 22nd** - 5CH, Kew Gardens, All day
Y **Monday 29th - Friday 2nd June** - Half Term

J **Monday 5th** - Back to school after Half Term
U **Tuesday 6th** - RCM, Visit to Forest School, All day
N **Wednesday 7th** - Open Afternoon, 3.30-4.30pm
E **Thursday 8th** - Open Morning, 8.30-9.00am
Monday 12th - 5CM, Visit to the Ragged Museum, All day
Wednesday 14th - 4AJ, Paper Rolling Workshop
Tuesday 20th - 1JD, Metal Bashing Workshop
Wednesday 21st - 3MQ, Visit to the London Milthraeum, All day
Thursday 22nd - 3MQ Pop Up Restaurant (Details to follow)
Friday 23rd - Year 5, Swedish Midsummer Event
Tuesday 27th - Thursday 29th - Year 6, Shakespeare Performances
Wednesday 28th - 4AJ, visit to Kensington Allotments

Students Of The Week

RCM - Eliska & Eva
 1JD - Thomas & Jad
 2ZP - Josephine & Emil
 3MQ - Florence & Kamila
 4AJ - Chryssa & Slav
 5CH - Janet & Alex
 6TM - Jibran & Malachi

Children will be bringing home their commemorative Coronation Medals today. Thank you for all your donations towards the cost of purchasing them.

Thank you for all your kind donations of cakes for our Coronation tea parties today. The children are looking forward to eating the delicious treats that you provided. We loved seeing their regal and red, white and blue outfits! Photos will be published in next week's newsletter. Have a wonderful Coronation weekend, we can't wait to hear how you celebrated.

The Coronation of King Charles III

When is the King's coronation?

The coronation of King Charles III will take place at Westminster Abbey in London on Saturday 6th May and will be led by the Archbishop of Canterbury. Charles' wife Camilla, the Queen Consort, will be crowned Queen Camilla as part of the same ceremony.

What is a coronation?

Coronations are a symbolic ceremony where a new king or queen are crowned and officially take the throne.

What will happen at the King's coronation?

During the ceremony, the King will swear an oath to uphold the law and the Church of England, and will be anointed, which means to be religiously blessed.

What will the King be anointed with?

A special oil is used to mark the sign of the cross on the king's forehead at the ceremony. The oil is so special because it is made at a site in Jerusalem that is very important to Christians. As the King is the head of the Church of England, this is a very important part of the coronation.

The recipe of the oil has been a carefully guarded secret for centuries. But the one for the King's coronation is unusual because for the first time, the oil doesn't contain any products from animals. This anointing oil is made of olive oil, sesame, rose, jasmine, cinnamon, neroli, benzoin and amber - as well as orange blossom.

How will the King travel on Saturday?

His journey, in special carriages, will take him from Buckingham Palace, along The Mall to Trafalgar Square, along Whitehall to Parliament Square and then to Westminster Abbey.

The Diamond Jubilee State

The Gold State Coach

What crown will the King wear?

The St Edward's Crown is said to be the most important of all British Crowns. It was made in 1661 for Charles II and is only used during the crowning part of the coronation.

Head of the Commonwealth

Did you know that Charles has now become head of the Commonwealth, an association of 56 independent countries and 2.5 billion people.

As well as being the head of state of the UK, Charles is the head of state, for 14 of the 56 countries.

These countries, known as the Commonwealth realm, are: Australia, Antigua and Barbuda, the Bahamas, Belize, Canada, Grenada, Jamaica, Papua New Guinea, St Christopher and Nevis, St Lucia, St Vincent and the Grenadines, New Zealand, Solomon Islands, Tuvalu.

This month's Foodbank collection coincides with the Coronation weekend, which will be an occasion of celebration for a lot of people; less so for some of our community families. It would be great if you can help. Families needing help with food contributions should contact:

<https://kensingtonchelsea.foodbank.org.uk/get-help/>

If you can contribute, some longlife family Coronation treats would be welcome, alongside the staples that Kensington and Chelsea Foodbank need for their larder. Although this is a familiar list now, these supplies are a lifeline:

- Tinned meats and fish that may be eaten cold – corned beef; chicken breast; (no pork please); tuna; mackerel
- Many varieties of pasta sauce (again, not with ham, please)
- All varieties of tinned vegetables
- Cup-a-soups & tinned soup
- Sunflower and Olive oil
- Long-life Juices and Milks – including dairy-free
- Tea Coffee Sugar
- Toilet Paper and Sanitary products (pads preferred)
- Personal toiletry products (deodorants; toothpaste/brushes; shampoo; shower gel; shaving materials)

At present no clothes are required, thank you.

Your gifts can be taken to Holy Trinity Church from Wednesday 3rd May to Sunday 7th May after Eucharist Service (12.30).

If you prefer to make a financial donation, add HTSS in your reference so they know it comes from us.

Bank details: Kensington and Chelsea Foodbank

postal address: 240 Lancaster Road W11 4AH

sort code 60-83-01

acct number: 20442606 or

Just Giving Web Link <https://www.justgiving.com/campaign/kensingtonandchelseafoodbank> (site includes access to gift-aid)

As always many thanks for your help and support to our community.

Coronation Walk

Saturday 13th May

10am

TO DONATE PLEASE CLICK [HERE](#):

Please support the children and staff at **Christ Church & Holy Trinity C of E Primary Schools** who are proudly walking from **Hampton Court Palace** to **Christ Church School** on **Saturday 13th May**, in celebration of the **King's Coronation**. Do share the link above with family and friends to help us reach our £10,000 target. We will be walking a total of 13 miles but there will be 3 starting points to choose from along the way so please do come along, wave us off and take part, everyone is welcome.

We will be raising funds for our **Creative Classrooms**, to enhance and enrich our pupils' education and complement the curriculum. Items we will purchase will include digital cameras, annual subscriptions, playtime equipment, art, drama, music and gardening resources as well as funding class trips, specialist artists and visitors. Outstanding classrooms are central to the happiness and success of all children. Creative environments revolve around excellent teaching and learning but the importance of resources is paramount. The inclusion of a range of exciting books, interactive toys and IT ensure the lessons are interactive, engaging and accessible for all learners and that the learning opportunities will be imaginative, innovative and collaborative. Planning for visitors to come into our schools and share their expertise is such an important part of bringing the curriculum to life and going on school trips offers the children a unique cultural learning experience, encouraging curiosity, while music and drama have such a positive impact on a child's physical, emotional and social wellbeing as well as cognitive development.

Here is the itinerary for the day:

10am - Meet at **Hampton Court Palace** if you would like to walk the full 13 miles (4.5 hours approximately not including stops)

1pm - Meet at **Fulham Palace** (organisers will be there from 12pm) if you would like to walk 4 miles (1.5 hours approximately)

2.30pm - Meet at **St. Mary's Church, Battersea** if you would like to join us for the remainder of the walk (1 mile).

3pm - Meet and greet the walkers at **Christ Church School, Chelsea** for a BBQ, drinks, ice cream and celebrations.

[Here](#) is a link to the route we will be taking.

Amazon Wish list

If you would like to purchase something on our behalf, please visit:

<https://amzn.eu/3jaGUpR>

If you find something you would like to purchase – just add it to your basket and follow the same procedures as it you were ordering something for yourself. The items will then be delivered directly to the school please make sure you select the school address in the delivery section.

Look out for new items added every week!

Class Coffee Mornings

We are starting up our Coffee Mornings for parents again after half term, to give everyone the chance to gather together and catch up .

Here are the dates for your diary for the upcoming Coffee Mornings:

9am Thursday 8th June – YR/Y6 , Cadogan Gardens

9am Thursday 15th June – Y1/Y2, Cadogan Gardens

9am Thursday 22nd June – Y3/Y4/Y5, Sedding Street

In support of our Coronation Walk you can purchase this fabulous A3 poster of the extraordinarily beautiful Coronation procession in collage made by pupils at Holy Trinity. To purchase please head to the School Gateway Thank you. All funds raised will go towards our Creative Classrooms.

— happy —
weekend

Recommended Read

The Way of Dog (ages 9-11 & up)

Author: Zana Fraillon Publisher: Chicken House

Life on the puppy farm is cold and lonely. GrowlManJim is becoming increasingly brutal and Scruffity worries he'll end up in the DeadDogBin.

Then a manpup offers a chance of freedom. But the world outside is scary; full of ShoeLegs, MetalBeasts and, worst of all, the dreaded Ranger.

Then, just as things start to look up, tragedy strikes. How can Scruffity find the happiness he almost tasted when he's not sure where to start looking?

The Way of Dog is a verse novel, told as a series of poems varying in mood, rhythm and length. Right from the first page, the rhythms grab you, immediately drawing you in to the trauma and drama of Scruffity's life.

Even readers who might not normally choose verse will be captivated; this is poetry as you've possibly never seen/read it before and is much more affecting than a straightforward narrative.

Be prepared to feel angry, sad, vengeful and elated – and maybe even to cry just a bit.

If you have ever wondered what goes on in a dog's mind, this could be the closest you ever come to finding out!

Would work well as shared reading or be great for reading aloud.

Learning in Reception at Holy Trinity

Alphabet Code	<p>This week, the children learnt the different codes for the /igh/ sound. <i>/igh/- fly high</i> <i>/ie/- pie</i> <i>/i-e/- nice smile</i></p> <p>Ohter children focused on blending, segmenting and writing sentences. This week we reviewed: /oa/ /oo/(long) /oo/(short)</p>
English	<p>This week, our story focus has been 'Vicky the Vet'. On Wednesday, the children wrote down some facts about ducks such as what they eat, where they live and how to take care of them. On Thursday, we practised writing the beginning of the story 'Vicky the Vet'.</p>
Maths	<p>In Maths, we have been practising how to count up to 20 by grouping objects in 10's and 1's. When given a higher number, instead of counting objects one by one, we would like the children to visually see a group of 10 and then count on from 10 in ones.</p> <div data-bbox="839 1272 1007 1435" style="text-align: center;"> </div>
<p>Trip to Battersea Park Zoo</p>	<p>When: 11th May Where: Battersea Park Zoo Lunch arrangements: school packed lunch- the children will have lunch at the zoo. (We will have an education cabin for the children to leave their bags- please consider sending your child to school with a smaller backpack so it's easier for them to carry)</p>

Wishing you a lovely weekend,

Miss Martin

Learning at Holy Trinity in Year 1

Friday 5th May 2023

This week in maths, we started our new topic of multiplication where we looked at halving and doubling an amount. We spoke about the fact there need to be two equal groups and that we cannot half an odd number. We used concrete resources to help us in physically doubling and halving amounts, making sure our groups were equal.

In English we wrote a non-chronological report about alligators, using our research homework to support us. We discussed what non-chronological order meant and the fact that we could each write our reports in whatever order we wanted. We made sure to make the sub-heading clear and that our writing underneath matched the sub-heading. We created some fabulous, non-fiction reports and are looking forward to reading our brand new book next week!

In geography we learnt about the different continents and oceans on our planet. We discussed what continent we lived in and what other countries you would find in Europe. Then we looked at a world map and found if any of us had travelled to a different continent and if so, which country.

In art we were introduced to Ai Wei Wei, who is a sculptor. We looked at some his work, discussed what materials he might have used and what his art made us think and feel. We also thought about what his inspiration might have been and researched a little about his life.

On Friday we enjoyed some delicious cakes and wore our best royal outfits to the coronation tea party. We learnt a little bit about what you will see at the ceremony, the names of the items King Charles will hold and what they represent.

Reminders:

- **Thursday 11th May** - Trip to the Science Museum

What a beautiful week Year One. Have a sunny weekend! ☺

Learning at Holy Trinity in Year 2
Friday 5th May 2023

Thank you for a lovely week! It has flown by. It has been beautiful to have so many children share interesting facts and information from home 😊 A big thank you for your efforts in our crown competition today.

This week we have explored the capacity (amount of liquid a container can hold) along with the volume (the amount of liquid in a container). Please continue to review this for homework as it is a great topic to apply in the kitchen!

In English, we have explored an example text to identify key features of a narrative in order to make it successful. We are planning our own inspired story based on 'The Dark'. We thought though interesting dilemmas and creative resolutions. Such as Harrison's character's fear of the dark attic and Christopher's character's fear of camping away from their nightlight. We have wrote the opening to our own stories and look forward to completing, editing and publishing our stories next week.

In our History lesson we learnt about Neil Armstrong's exploration to the moon. We learnt about the minds that supported his journey such as Katherine Johnson. We wrote a detailed news article to share our knowledge and enjoyed presenting these to each other.

In our Science learning we are developing our understanding of plants life cycles. If you have the opportunity to garden, please send us some photos we would love to see!

Our Dance skills are progressing brilliantly and this week we rehearsed the opening choreography to our new song. These skills are fantastic and our team work, creativity and joy of dance has been progressing.

In Art, we are created our own inspired portraits following our visit to Jamie Routleys Art Studio last Friday. We used some of the blending techniques we explored and tried to create a self portrait that was not facing forward.

Enjoy the bank holiday and coronation celebrations!

Best wishes,
Miss Peach

Reminders:
Bank holiday Monday

Learning at Holy Trinity in Year 3

Friday 5th May 2023

This week in **English**, we started our new unit where we look at the animation 'Spyfox.' We began by predicting what we thought would happen before watching the short animation and checking if any of our predictions were correct. We then came up with a range of ambitious adjectives to describe Spyfox and used a thesaurus to try and find more exciting words.

In **Maths**, we finished off our unit on fractions by looking at subtracting fractions with the same denominator. We then began our time unit. First, we focused on recapping how we tell the time to the hour and half past the hour. Next week, we will be looking at months and years and hours in a day before moving onto telling the time to five minutes.

As the long minute hand moves past o'clock the hour hand moves too.

Once the long minute hand has moved half way round the clock, we call this half past.

This week Year 3 have had the wonderful artist Adam Stanley in with us to make our mosaic. We have all had a turn, working in small groups throughout the week to build our mosaic. We look forward to showing it off soon!

Reminders:

Swimming – This term we will be leaving at 9:45 for swimming. Our swimming slot is now at 10:30.

BOXES NEEDED – Year 3 need some boxes to make biomes! If you have any spare boxes at home, like old shoe boxes that you no longer need, we would love to have them 😊

Science Museum Trip – Wednesday 17th May 'Feel the Force' workshop.

Have a lovely weekend 😊

Learning at Holy Trinity in Year 4

Friday 5th May 2023

Highlights of this week include:

Maths

This week we:

- Explored how to divide a 2-digit number by 10. To do this, we looked at dividing by 10 on a Gattegno chart compared to a place value chart.
- Worked out hundreds as fractions by using a variety of representations including hundred squares, bead strings, Rekenreks and number lines.

Tiny is using a Gattegno chart to divide 37 by 10

100	200	300	400	500	600	700	800	900
10	20	30	40	50	60	70	80	90
1	2	3	4	5	6	7	8	9
0.1	0.2	0.3	0.4	0.5	0.6	0.7	0.8	0.9
0.01	0.02	0.03	0.04	0.05	0.06	0.07	0.08	0.09

English

This week we planned for an additional chapter to the book 'Mr Penguin and the Lost Treasure'. First, children acted out a scene, in pairs, of Mr Penguin and Miss Bones arriving at the Museum of Extraordinary Objects. Through these improvisations, Year 4 created a bank of dialogue to use for their written pieces. Next, they ordered the action and listed how each character was feeling throughout the 'adventure'. Finally, they wrote their pieces which included punctuating direct speech, moving the action along with ambitious adverbs and adjectives and used a variety of sentence types.

Science

In our Teeth and Eating unit, we learnt about food-chains and how they work within ecosystems. After creating 'food-chains' with a sorting activity, children went on to draw and label their own diagrams of a food chain.

RE

In RE we recapped prior learning of Hinduism by creating a knowledge organiser. Children shared what they already knew about Hinduism, asked key questions and reviewed vocabulary.

Have a lovely 'Coronation' Bank Holiday!

Learning in Year 5 at Holy Trinity
Friday 5th May

In English this week, we identified the different language features used in a myth including third person, past tense, speech marks and relative clauses. We then began to innovate (change) certain parts of the myth e.g. we changed the monster Medusa for the Cyclops.

In Maths, we have been learning about position on a grid by using coordinates. We learnt that to find the coordinates of given point or when plotting coordinates, we must first go across (x axis), then up (y axis). We then had a go translating shapes - which meant we had to move shapes on a grid to different positions.

In History, we thought about who Alexander the Great was and his impact on Ancient Greece. First, we analysed historical sources and discussed what these sources show us about who Alexander was. We then re-enacted his life and mapped his conquests of places such as Macedonia, Greece, Egypt and India.

This week we tackled a difficult subject in RE: we looked at the Sikh understanding of death and what happens to us after we die. We contrasted the teaching of different religions.

In PSHE, we continued exploring concepts such as the economy and how our society works. We debated why different jobs are paid at different rates and whether this is fair.

In Computing, we continued our work on vector drawing. We learnt how to zoom to add detail and how to change borders and use the alignment guides. We used our knowledge to draw colourful parrots!

Reminders:

- May 8th - 12th - Osmington Bay
- May 15th - Bank Holiday for students who went to Osmington Bay
- May 22nd - Trip to Kew Gardens - we need 2-3 adults to accompany us on this trip. Please sign up at the front office

Have a great weekend,

Miss Harman

Holy Trinity
Amazon Wishlist

**Learning at Holy Trinity
Friday 5th May 2023**

In Maths this week, we have put great focus into revising all concepts covered this year and last. Focusing on fractions, area, metric conversions and a range of problem solving.

In Reading, we have been practising our comprehension skills.

In RE, we have been learning about how the Bible has been translated into many languages.

In Science, we were sharing and presenting our posters we have created on light.

Enjoy a lovely bank holiday weekend. Happy Coronation!

Reminders:

Please continue working through your SATs workbooks over the weekend, they are an excellent resource.

SATs begin next week, please make sure your child is in school promptly at 9am.

Tips and tricks for next week:

1. Eat a balanced breakfast.
2. Get an early night and rest, for your age, you need about 10 hrs of sleep!
3. Take a break - don't forget your hobbies
4. Go exercise - physical activity is a great way to de-stress and give your brain a break! Try kicking a ball, go for a walk or go on a mini-bike ride.
5. Post-it notes. These are a great tool for revising particular concepts that you are struggling to remember.
