

# Holy Trinity Newsletter

## 15th September 2023

If you would like an item included in the Newsletter, which is also published on the website [www.ccht.rbkc.sch.uk](http://www.ccht.rbkc.sch.uk) please telephone Mrs Phillips on 02078819860 or email [lphillips@ccht.rbkc.sch.uk](mailto:lphillips@ccht.rbkc.sch.uk) by **Wednesday** lunchtime at the latest.

### FIRST WEEK BACK - VISITORS, COMMUNITY EVENTS & CURRICULUM ENRICHMENT

Monday 18th September	4AJ	Class Meeting, 9.10am, Sedding Street
Tuesday 19th September	4AJ	visit to Chelsea Physic Garden
Wednesday 20th September	6JD	Class Meeting, 9.10am, Cadogan Gardens
Wednesday 27th September	RTM	Phonics Meeting, 9.10am, Cadogan Gardens
Friday 22nd September	All	Harvest Assembly, Holy Trinity Church, 2.15pm (Details attached)

- O **Sunday 1st** - Fr Nicholas' Retirement Service (Details attached)
- C **Friday 6th** - Grandparents Day, Details to follow
- T **Tuesday 10th** - Fashion Club Visit to the Design Museum, 2.30pm
- Tuesday 31st** - 3MQ, Visit to the National History Museum

#### **Alastair Rellie Day: Celebrating Grandparents.** **Friday 6th October**

*Next term our CCHT community celebrate Grandparents, their support and inspiration alongside their cherished memories.*

*This tradition was the idea of Alastair Rellie, a respected member of our community, a long serving Governor and a very much loved grandparent himself.*

*This is a time to reflect with the children about older generations of our community and how they support us and how in turn we support them.*

*Look out for further details regarding information for the day.*

**GRANDPARENTS DAY** \*★

### Students Of The Week

RCM - Whole Class Award  
1JD - Leonard & Georgie  
2ZP - Diego & Hannah  
3MQ - Andre & Varvara  
4AJ - McKayla & Mo  
5CH - Kay & Chrissa  
6TM - Hugo & Ziyad

October is Black History Month in the UK, a time to recognise and celebrate the contributions of black people to British society.

It is also an opportunity to empower future generations and at Holy Trinity we appreciate the significance of marking and celebrating this month. A number of trips have been organized through October that are themed around Black History.

**Tuesday 3rd October** - 3MQ, visit to the London Transport Museum - Caribbean Journeys Workshop

**Tuesday 3rd October** - 1CM, Visit to Chelsea Physic Garden - Plants, Places and People

**Monday 9th October** - 6JD, Visit to The Bank Of England - Slave Trade Workshop

**Wednesday 11th October** - 4AJ, Visit to Museum Of London Docklands - London, sugar and slavery gallery

**Tuesday 17th October** - 5CPB, Visit to The National Portrait Gallery - Migration stories

**Thursday 19th October** - RTM, Visit to Chelsea Physic Garden - Early Years Bespoke Black History Workshop

**Date to be confirmed** - 2ZP, Guided Walk of local area - Specific focus on Black history

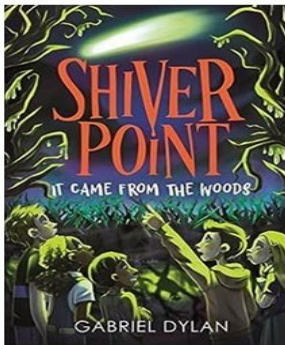

# Recommended Read

## Shiver Point (ages 9-11 & up)

Author: Gabriel Dylan Publisher: Piccadilly

Alex only moved to Shiver Point a few months back because his Mum had to relocate for work. She does long shifts as a nurse and money's tight.

So, when a bright light streaks across the night sky and seems to land somewhere in Howlmoor Forest, Alex sees a potential opportunity to make some quick cash. His geography teacher says that pieces of fallen meteorite can fetch good prices which is the only reason he is trekking through a wood in the middle of the night.

But four other kids have had the same idea. And they are not alone.

A sinister, shadowy figure with huge teeth and a terrifying screech for a voice is watching them and, although they run, the kids can't hide for long.

At about 150 pages, this is a short, snappy rollercoaster of a horror story with a skilful build-up of tension from 'This sleepy town is so bland, nothing ever happens here' to 'Aargh, we're all going to die!'.

Populated by mysterious exploding slugs, black goo and zombified townsfolk, this tale of five misfits who must work as a team to defeat the invaders will have wide appeal.

### ST LUKE'S FOOD BANK 12:00 pm - 1:00 pm

During covid it was seen that many local residents fell into food poverty. To try to help - the food bank is run every Tuesday where participants can collect a selection of both dried and fresh goods. The food bank is open to everyone and can be joined by just turning up.

## **FUNDRAISING AT CHRIST CHURCH & HOLY TRINITY**

Christ Church & Holy Trinity actively fundraise throughout the year to raise money for specific school initiatives that reinforce the academic lives of all the children in the federation. Through our parent Fundraising Committee and Parent Coordinators, together we forge positive relationships between parents and teachers and the wider community, to enrich our pupils' educational experience and contribute to the well-being of the schools.

### **Our Aim:**

Our fundamental aim is to achieve all that is best for our pupils. Parents contribute to this partnership by giving up their time, offering their talents, or through monthly standing order donations or one-off contributions. We value our parents involvement and want our relationship to be a catalyst for positive change. We are driven by our mission to support and empower the children by making forward-thinking progress to the way in which they learn and flourish.

### **How?**

In order to raise these funds we host our annual Promises Auction and Elf Auction at Christmas, as well as other events and activities such as Quiz Night, regular Cake Sales, termly Book Fairs, Art Sales, Bike Rides, Plant & Bulb sales, Christmas Tree sales, a virtual walk around the world in 2021 and a walk from Hampton Court to Christ Church in 2023. Throughout the year we introduce new products and items in our online school shop where all profits from the purchase of these items go towards our federation enrichment programme, maintaining our co-curricular education to the high standards we continue to aspire to.

[www.cchtshop.com](http://www.cchtshop.com)

Our fundraising efforts are not solely achieved through our parent partnership work, we apply for government grants and bids and receive generous donations from Charitable Trusts and individual donors wishing to make a significant difference to our work, and they do. Pooling all of our resources is vital and it is how and why we are the schools that we are today. However, with the increase in the cost of living and many government cuts we must continue to give our time, money and efforts for the sake of our children's

education. How can you help:

### **STANDING ORDERS**

Families giving regularly is unbelievably valuable to the schools as it means we can plan ahead to commit these funds year on year to pay for specialist teachers, tutors, educational visits and visitors. The committed standing orders range from £5 per month to £500 per month. Families give as they see fit and as they can afford. All amounts make a real and tangible difference to the quality of education we are able to provide for the children. If you do not already contribute regularly please consider whether this is something you could commit to. Any amount would be hugely appreciated and it is totally anonymous. Please also try to reassess your contribution when a new sibling starts. As of May 2023 it costs the school £100 per child per month to provide the fully rounded education they are currently receiving. Did you know that if you are a UK tax payer, for every standing order donation the school receives an extra 25% in gift aid which will be added automatically by donating here:

**DONATE HERE**

## VOLUNTEERING

We have an army of volunteers who help our children. They consist of parents, local residents, ex-pupils and friends of the school. They help by sharing their expertise – be it in boilers, art, sport, cooking or sewing. Volunteers help us by coming to school to listen to our children read, helping with spelling and times tables, manning the Book Fair or a stall at our Summer or Christmas Fairs, accompanying the pupils on class trips or selling second-hand uniform, plants & bulbs or cakes. At Christmas time we require help packing and wrapping items sold through our school shop, making Christingles or ticketing tombola prizes. Our parents bake and make for the sake of our children's education – and they even paint too, thanks to a brilliantly willing and able set of volunteers who painted the entire outdoor play area at Christ Church last year. Volunteers are integral to the success of our big fundraising events where many skill sets come in to play and a whole host of extra pairs of hands are needed.

**If you would like to help in any way please contact: Katie Rose [krrose@ccht.rbkc.sch.uk](mailto:krrose@ccht.rbkc.sch.uk)**

## EASY FUNDRAISING

Collect free donations every time you shop - at no extra cost to you!

All you need to do is register and every time you shop online the retailer makes a donation to the school.

### Christ Church

### Holy Trinity

## AMAZON WISH LIST

We are happy to announce that we have our very own Amazon Wish List! From books, class room resources, stationery, arts and craft supplies, gardening resources and event materials, you can make a direct impact on the resources we need to enable staff and pupils to enjoy a wide range of learning experiences.

Staff have been busy adding resources and supplies to the list and will continue to add items over the school year. If you find something you would like to purchase – just add it to your basket and follow the same procedures as if you were ordering something for yourself. The items will then be delivered directly to the school. This is a wonderful way of giving to the school and making a direct impact for the resources we need.

CLCH Speech and Language Therapy Service – Mainstream Schools  
 Parent Workshops Autumn Term 2023

Hello,

Here is the programme of Parent Workshops offered by the Speech and Language Therapy – Mainstream Schools Team - Biorough (RBKC and Westminster).

Parents can book a place on a Parent Workshop, via this link <https://forms.office.com/e/tm7X9eFnQC> or by scanning the QR code below. Parents should either be a resident in RBKC or Westminster or be registered with a GP in RBKC or Westminster. All workshops will be delivered remotely using Microsoft Teams. The link for the workshop will be sent the day before. For any questions or queries, please contact: [clcht.slt-requestforhelp@nhs.net](mailto:clcht.slt-requestforhelp@nhs.net).

**Thursday 5<sup>th</sup> October**

09:30-11:00	<b>Attention Builders</b> Build an understanding of attention development, learn hints and tips to support attention and listening at home and discuss attention and listening activities to try at home.	For parents with children in EYFS or Key Stage 1
11:30-13:00	<b>Creating a communication supportive environment at home!</b> Discover how creating a communication supportive environment supports communication skills and learn strategies to create a communication supportive environment at home.	For parents with children in Key Stage 1 or Key Stage 2

**Thursday 19<sup>th</sup> October**

09:30-11:00	<b>Study Skills</b> Understand how SLCN difficulties may impact on study skills and revision and learn useful organisational skills for building a good learning environment.	For parents with children in Key Stage 3 or Key Stage 4
11:30-13:00	<b>Listen, Read, Think, Talk</b> Learn what the underlying skills for reading comprehension are, and learn strategies to support your child's understanding, memory, and ability to make inferences from texts.	For parents with children in Key Stage 2 or Key Stage 3

**Thursday 2<sup>nd</sup> November**

09:30-11:00	<b>Listening to and using speech sounds when talking</b> Learn about typical speech sound development, strategies you can use to support your child's speech, and know when and how to refer to Speech and Language Therapy.	For parents with children in Nursery, Reception or Year 1
-------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------

Central London  
Community Healthcare  
NHS Trust

11:30-13:00	<b>Talking about feelings</b> Learn about why feelings are important and how we can begin to support our children to label and talk about their feelings.	For parents with primary or secondary school-aged children
-------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------

Thursday 16<sup>th</sup> November

09:30-11:00	<b>Building sentences</b> Learn strategies that can be used to support your child's spoken language and how to use colour coding to support sentence building at home.	For parents with children in EYFS or Key Stage 1
-------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------

Lots Road  
London

A mixed 11-18 Church of England Academy with a science specialism.

### Mrs Wordsmith

Mrs Wordsmith is a team of artists, game designers, writers, data scientists, teachers and researchers. The company was founded in 2015 by Sofia Fenichell, a mother and writer with a simple vision: to create educational content that works.

Their aim is to improve the reading and writing outcomes of children aged 4-11, and to make word learning hilariously fun both at school and at home.

One strand of this is to have focused words to help build their vocabulary. In order to make this achievable, but also impactful, we will have a focused word of the week for each class. Children should be challenged to use it in their writing and where appropriate, when speaking, both at school and at home. The weekly words will be published in the newsletter

#### Week 2 – 'Beautiful' Words

Reception	graceful
Year 1	dazzling
Year 2	flawless
Year 3	mesmerising
Year 4	impeccable
Year 5	statuesque
Year 6	chiselled

Learning in Reception at Holy Trinity  
15<sup>th</sup> September 2023

What a lovely second week we have had! Well done everybody - children and parents!

It's exciting to see your little ones becoming big, independent children.

They have been settling in nicely, building new friendships and exploring their new setting. We have focused on understanding and following classroom rules and boundaries as well as learning about new routines.

In RE, we have been talking about what is precious to us, explaining why something is precious to us.

In Art, we completed our self-portraits from last week, creating some beautiful water colour backgrounds for our pen drawings of our faces.

Next week we will begin our **Alphabet Code** lessons and we will learn the following sounds: /s/ /a/ /t/. The children will focus on identifying the initial sound in words and they will start practising their cursive letter formation. Exciting!

In **Maths**, we will continue to focus on reciting numbers to 10, recognising numerals to 10, forming numbers correctly to 10 and matching numerals to quantities.

**Skills to practise at home:**

- Taking off their jumpers and putting them back on.
- Packing their school bags and zipping them up.
- Putting their coats on and zipping them up.
- Using scissors effectively.

Have a restful weekend!

Learning in Year 1 at Holy Trinity

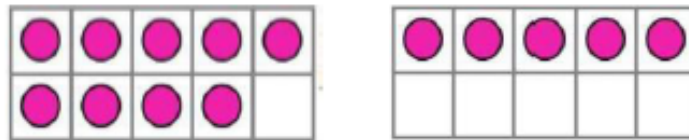

Friday 15th September 2023

Dear Parents and carers,

What another great week! Year One have continued to settle into the busy way of school life and they have continued to impress us all with their hard work and resilience.

In English this week, we started to look at labels and captions. We look at the differences between them and why we would use them. We were very quick to identify a caption as a short sentence giving information about an image and a label was more one word naming an object.

In Maths we continued looking at numbers to 10. The children practised forming numbers correctly and writing numbers with words up to 10. They worked out different ways of making 10 using a ten frame. We focused on identifying numbers on a ten frame. For example, a ten frame with a missing counter is 9. A ten frame with just one row of counters is 5.

We continued with our Alphabet Code lessons where we looked at the different codes making the /ai/. We found ai as in rain, ay as in play, a-e as in make and a as in baby! Next week, we will be investigating all the different codes for /ee/.

Wishing everyone a lovely weekend,

Miss Martin

Learning at Holy Trinity in Year 2  
Friday 15th September 2023

Thank you for a wonderful first full week of learning, we are so enjoying teaching you as you have such great enthusiasm for learning!

A very big thank you to all parents and carers who are able to join us for a parent meeting, all the information has been sent home and also emailed for your reference.

This week we have focused on describing the setting of a beach using our senses. We brought the beach into our classroom and explored different aspects through our senses for example, we felt the soft, grain of sand, ate some salty crisps and listened to the sounds of rolling waves as we were exploring the feel of water. Later we use this experience to write our own setting description which were full of detail. Thank you to those that sent on your beach photos allowed us to picture ourselves at the beach. We are practising the skill as part of our homework task as we are trying to extend a sentence using conjunctions. We also described our characters and began to reflect on their emotions as well as their appearance.

In mathematics, we have been using concrete resources to develop our understanding of place value. This week we made two digit numbers, using counters, dienes and bead strings. We are now able to state how many tens and ones are in a two-digit number and represent this in a range of ways.

We ventured to Sedding Street to enjoy our first computing lesson! We are exploring new technology around us and used Google classroom to sort a range of technologies found within our school.

During our PE sessions, we have been developing our ball skills and have been practising controlling a football using one foot.

We have really enjoyed creating our own self-portraits for our class display- we hope you enjoyed seeing the photocopies of these! We were blown away by the detail and keen observations. These will soon be proudly on display in our classroom.

During our RE lesson we revised our school virtues of patience, kindness and love as we considered and how this links to our school parable of the sower and the seed.

We have had a very busy week so please rest well. I look forward to seeing you after the weekend :)

## Learning at Holy Trinity in Year 3

Friday 15<sup>th</sup> September 2023

One whole week of learning completed in Year 3 and what a week it was!

In English, we have been using the animation 'Taking Flight' to help us construct exciting sentences. We have learnt about using fronted adverbials, compound sentences and we began looking at how to construct paragraphs. We will be continuing to practise these skills throughout the year.

In Maths, we continued our unit on place value. This week, we focused on partitioning numbers to 1000 and identifying the number of hundreds, tens and ones, representing numbers to 1000 in different ways and finding 1, 10 or 100 more or less than a number up to 1000.

In Science, we continued learning about skeletons. This week, we learnt about the functions of the skeleton and jobs of different bones.

In Art with Miss Edgeworth, we began our unit on sculpture. We thought about what sculptures are and identified different sculptures around the UK.

In Computing, we began looking at digital devices. We discovered that all digital devices have an input, process and an output.

In RE, we began our new unit 'What is the Bible's Big Story?' This week, we looked at the Bible in detail and discovered that there are 66 books in the Bible. We thought about who wrote the Bible and why people still use it today.

This week, the children had their first swimming lesson! Thank you for sending them to school so prepared 😊

Thank you to everyone who attended the Parent's Meeting this week. It was so lovely to see so many of you and to welcome you all to Year 3.

Have a lovely weekend 😊

Miss Quirke and  
the Year 3  
team.

### Reminders

Homework and Reading Records – to be returned to school on Wednesdays

Learning at Holy Trinity in Year 4

Friday 15<sup>th</sup> September 2023

---

**Maths**

This week pupils:

- Counted forwards and backwards from any given multiple of 1,000.
- Recognised the place value of each digit in a 4-digit number (thousands, hundreds, tens and ones).
- Partitioned numbers to 10,000.
- Flexibly partitioned numbers to 10,000

**English**

This week pupils:

- Identified key events from the animated film 'Tado Jones'.
- Sequenced these events in chronological order and then went on to write a recount of these ordered events.
- Learnt how to order paragraphs for an existing piece of writing.
- Learnt how to create compound and simple sentences and incorporated co-ordinating conjunctions.

**Art:**

This week, children started self-portraits and created mini self-portraits that we will use for our Year 4 Writing Targets display.

**Science:**

We continued our Living Things unit by grouping 12 animals into a Venn diagram that had three criteria: lives in water, lays eggs and breathes air. We also learnt about the life processes that organisms all have. Ask your child what the acronym MRS GREN means (hint: the seven processes of life).

**History:**

Year 4 reviewed the idea of 'childhood' as opposed to 'adulthood'; plotted significant events in their lives on a timeline and considered age restrictions for children and what they can do legally. The lesson was finished with analysing children's rights as proposed by the UN (Rights of a Child).

---

Have a super weekend

Learning in Year 5 at Holy Trinity  
Friday 15<sup>th</sup> September

This week, Year 5 has enjoyed jumping into the *swing* of things.

We started our English topic, based on a video called *The Swing of Change* and have had some wonderful discussions about the short film and the world that it is set in. We have used a range of tools to write descriptions of the setting and the main character, including using our senses and adding dialogue.

In maths, we have started our place value topic and are looking at numbers up to 100,000 - soon changing to numbers up to 1,000,000!

Art and PSHE have both had us looking inwards at ourselves and our identities, as we complete superhero self-portraits and think about what makes us unique.

On Thursday, we went back to Battersea Park and played some fun football games, working together in pairs.

We are looking forward to seeing you all on Tuesday for our class meeting.

**Next week...**

- We start our art unit, *Containers*
- We begin our first computing unit
- We learn more about Queen Victoria and the Britain Empire in history
- We 'build' a Zones of Regulation toolkit
- ...and so much more!

**Reminders:**

- Class meeting - this upcoming Tuesday 19<sup>th</sup> September 9:10am. Please let Ms Walden know if you are unable to attend.
- Homework and reading records are both now being sent home on a Friday, starting from today.
- PE is on Wednesday and Thursday.
- All students must bring a snack and a water bottle.

Have a great weekend,  
Miss Pollard-Brown

Learning at Holy Trinity in Year 6

Friday 15<sup>th</sup> September 2023

---

This week in English, we started looking at 'Story Openings' and their importance in creating atmosphere in both stories and films. We focused on Great Expectations by Charles Dickens and how in the 1947 film in less than two minutes creates an atmosphere to set the story. We watched Pip run through the marshes and into a graveyard, with the wind howling and branches smashing into each other. This instigated interesting conversations around what pathetic fallacy and personification are.

We finished the week with finding ways we could use personification to describe the wind and clouds from the scene in Great Expectations.

In maths we continued to look at place value, moving onto 8-digit numbers and the power of ten. We looked at what happens when we multiply and divide by 10, 1,000 and 10,000 etc. We continued to compare numbers, the value of certain digits within a number and what would happen if we added or took away digits.

In reading we started reading The Boy in the Striped Pyjamas by John Boyne. We were introduced to Bruno who came home to find he had to leave his home and friends behind. This sparked some interesting conversations about why we think Bruno had to leave and where he might go.

On Tuesday, we had an exciting afternoon meeting our sheep for the very first time! What fun we had meeting our sheep, enjoying squash and cake in the sunshine. We are looking forward to our fortnightly activities with Reception class!

We also had our first swimming session this week which went very well. We all looked confident in the pool and enjoyed swimming length after length. Well done everyone!

**Reminders:**

- **Wednesday 20<sup>th</sup> September** - Year 6 Class Meeting
- **Friday 6<sup>th</sup> October** – Grandparent's Day
- **Monday 9<sup>th</sup> October** - Trip to the Bank of England Museum

---

What an amazing week Year Six! Have a sunny weekend 😊
