AMAZON WISH LIST

Did you know we have our very own Amazon Wish List? From books, class room resources, stationery, arts and craft supplies, gardening resources and event materials, you can make a direct impact on the resources we need to enable staff and pupils to enjoy a wide range of learning experiences. Staff have been busy adding resources and supplies to the list and will continue to add items over the school year. If you find something you would like to purchase – just add it to your basket and follow the same procedures as if you were ordering something for yourself. The items will then be delivered directly to the school.

This is a wonderful way of giving to the school and making a direct impact for the resources we need.

Remembrance Day Preparation

This week we have been looking at the significance of Remembrance Day and how the poppy became an emblem of this important day.

During this time of remembrance, some people wear poppies to commemorate those who sacrificed their lives in World War One and conflicts that followed.

Wearing a poppy was inspired by the fields of poppies that grew where many of the battles were fought. The red poppy is said to represent remembrance and hope.

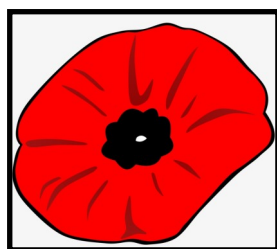

The purple poppy is often worn to remember animals that have been victims of war.

The black poppy is most commonly worn to commemorate the contribution of black, African and Caribbean communities to war.

The white poppy is said to commemorate people who died in conflict, but focuses on achieving peace and challenging the way we look at war.

'Home Clothes Day' in aid of Holy Trinity Christmas Fair Friday 24th November

Preparations for our Christ Church Christmas Fair are fully underway! On Friday 24th November we will be holding a *Home Clothes day* where instead of bringing in money, children are invited to bring in items for our Christmas Fair.

As Year 4 will be at Hooke Court on this day, their Mufti Day will be on Monday 27th November instead.

Please bring in the following items as a donation for the school fair:

Reception and Key Stage 1 - A bottle for the Bottle Tombola - This might be bottles of wine, spirits and soft drinks, bottles of bubble bath, shampoo and conditioner or specialty oils (in date and unopened please).

Key Stage 2 - Christmas chocolate for the Chocolate Tombola - This might be sharing bags, chocolate reindeers and Father Christmas, advent calendars, sharing bars and boxes of chocolate (in date and unopened please).

Each Year group takes on the responsibility of a stall at the school fair, which really encourages the children to be actively involved in their school.

More details about the school fair and stall responsibilities to follow in next week's newsletter.

**THE ABSOLUTE
BEST CHRISTMAS
FAIR!**

Please come along and
bring your friends...

Uniform Reminder

We are moving into the winter uniform after half term as it is starting to get colder. No summer dresses please. **PLEASE MAKE SURE YOU LABEL YOUR CHILD'S UNIFORM**

Please remember to wear the right uniform on the right day. Follow the timetables your teachers have sent home for PE and full uniform.

Reception children continue to wear the school track suit with trainers as their winter uniform .

School Uniform Year 1 - Year 6

Boys

Girls

.navy blue or red socks/tights (white socks are not school uniform!)

.navy blue or black shoes

In addition to school uniform, we ask that children come to school wearing the correct coats and winter accessories. Please can we remind you of the school uniform policy for such items. Coats should be navy blue (no puffer jackets) with navy blue hats, scarves and gloves. <https://www.ccht.rbkc.sch.uk/explore/#uniforms>

Coats, hats, scarves and gloves can be purchased from anywhere, but if you would like to buy a winter hat, these can be purchased from Mrs Sheahan

Children should not be wearing jewellery to school, apart from small stud earrings if their ears are pierced. Longer hair should be tied up using red or navy hair accessories only.

School bags are red or navy CCHT bags and can be purchased from Mrs Sheahan.

Thai boxing 11-18 year olds

5pm every Tuesday & Thursday.

Recommended Read

Foxlight (ages 6-8 & up)

Author: Katya Balan **Illustrator:** Barry Falls **Publisher:** Bloomsbury

This is the story of sisters Rey and Fen who were apparently found as babies, curled up with a load of foxes in a den. And now they live in a children's home called The Light House at the edge of the Wildlands with all the other foundlings. But unlike the others, they didn't seem to have a mother who left them, no trace of a back story, so Fen weaves magical tales of how they came to be there. Then a real fox appears in the 'Foxlight', which is the name given to the time when twilight meets the dawn, and they follow it into the wildlands hoping to find their mother, and a very odd adventure ensues, exploring belonging and sisterhood

This is a beautiful book and award-winning Katya Balan has a brilliant narrative voice so, despite it being so poetic, it's not a difficult read, just an unusual one. The story is breathtakingly told, and so captivating it will pull a 10-year-old child reader into something other, something deeper, unusual, bright and brightening like a fox's fur! The cover, russet red and glowing, and the internal illustrations by Barry Falls are stunning.

Learning in Reception at Holy Trinity
Friday 10th November 2023

A busy week in Reception class, this is what we have been up to:

In English this week, we have been learning about Diwali. The children listened to the story '5 days of Diwali'. First, we read short sentences (blending known sounds) and matched them to the correct picture. In our next lesson we wrote down the different steps to make coconut Barfi sweets, using add, mix, roll and put. As we had looked at the ingredients and written the steps, we took the opportunity to make our own coconut Barfi in the classroom - they were delicious! Our last activity was to decorate a Diwali Rangoli pattern using coloured sand, rice and other materials.

Next week we will be learning about Holi Festival.

In Maths, we continued our learning on one more and one less than a given number to 10. Some children have ordered numbers from 11 to 20.

Next week, we will be starting a new topic, reviewing 2D shapes and making patterns.

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/

This week's new sounds are: /f/ /ff/ /l/

In RE, we have been learning about how people prepare for the birth of a baby and thought about what we might bring to a baby shower to celebrate the arrival of new life. We talked about how a long time ago people were getting ready for a new baby to be born, Jesus. At the time, the world was not a very nice place, and this baby was going to help the world be a better place. The baby was a sign of hope. Have a wonderful weekend!

Next Friday 17th November we will be fundraising for Children in Need.

Please send your children to school wearing their pyjamas on this day for a minimum donation of £1. Here is the link to the page where you can make your donations:

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=12787>

Learning in Year 1 at Holy Trinity

Friday 10th November 2023

Dear Parents,

This week in English, we looked at the story of the great fire in a little more detail and worked together to sequence the events. We had a big focus on adjectives and starting our sentences with different words other than 'then'. We came up with some brilliant adjectives to describe the streets - claustrophobic, narrow, creepy and dark. We then used our learning from our previous science topic about our senses to think about what each body part would have experienced. We thought of suitable adjectives for each sense.

In Maths, we have continued to work on the concept of addition. The children have used the part-part-whole models to elaborate the related number sentences.

Example:

In Alphabet Code we looked at all the different codes for /or/. We discovered or as in fork, oor as in door, ore as in more, al as in ball and aw as in paw. Next week, we will be investigating all the different codes for /ow/.

Reminders:

Trip to The Tower of London	Friday 17 th November (all day trip) Popcorn sale after school in aid of Children In Need
Parent meetings	Monday 13 th November (Sedding Street)

Have a lovely weekend,

Miss Martin

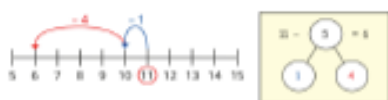

Learning at Holy Trinity in Year 2
Friday 10th November 2023

Thank you all for a wonderful week! We had such lovely feedback following our trip as we showed great kindness and curiosity to learn. We enjoy time outside whatever the weather and as it is getting colder please ensure you have packed a scarf, gloves and hat in your child's bag.

A big thank you for those who were able to join me at parents meetings. We have more appointments coming up on Tuesday 14th November.

In our English lessons, we are writing a known animated story called 'something fishy'. We are using expanded noun phrases and interesting conjunctions to retell and publish the story. We are hoping these will be complete early next week and we can send a copy home for you to enjoy.

Within our Maths learning, we are learning the 'making ten strategy' when subtracting two 1-digit numbers.

In History, we shared our family timelines in chronological order. Thank you for the time and care you put into these. We were very lucky to have a guided tour with Nadia who showed us many local heroes in our local area. A very big thank you to parents who were able to accompany us. Some of our local heroes included Mozart, Chelsea Pensioners, Rowland Hill, Sir Hans Sloane, William Wilberforce, Olaudah Equiano and Pamela Lyndon Travers. Please research your favourites for homework as we will share these next week.

Within RE we have revised our understanding of the Nativity and it's importance to Christians. We recalled key events within the story and reflected on why this is a cause for celebration for Christians.

In Art, we have taken inspiration from Van Gough's sunflowers and have enjoyed using water colours, salt and oil pastels to make the pop.

Have a restful weekend, we look forward to seeing you next week!

Reminder:

- Please pack scarfs, gloves, hats and coats
- Parent meetings Tuesday 14th Sedding St
- Send children to school in pyjamas next Friday 17th for children in need

Many thanks, Miss Peach

Learning at Holy Trinity in Year 3

Friday 10th November 2023

Another busy week in Year 3!

In English, we have been practising grouping information into paragraphs, and we began writing our own non-chronological reports on a fictional creature. We have been writing our reports one detailed paragraph at a time beginning with appearance, and then habitat. Next week, we will continue our non-chronological reports.

In Maths, we have continued learning about addition and subtraction with crossing 10 and 100. We have been practising solving addition and subtraction sums using both concrete resources and column method.

You do

Kim has 132 cm of ribbon.
Her teacher gives her another 85 cm.
What total length of ribbon does Kim have now?

H	T	O
1	3	2
0	8	5
2	1	7

Amy is working out $215 - 106$

M	T	O
2	1	5
1	0	6
1	1	1

The answer is 111

What mistake has Amy made?
What is the correct answer?

In Art, we created our own sculptures inspired by Anthony Gormley's 'Field'. We each created a small human-like sculpture using just the palm of our hands and completed them with a message of hope or kindness.

In RE, we learnt about John the Baptist and his role in Advent. We discovered that he was the son of Mary's cousin, and that he prepared people for the coming of Jesus.

In Science this week, we looked at the five food groups in more detail. We discovered what each of the five food groups provides our bodies with and we looked at the difference between healthy and unhealthy fats.

Have a wonderful weekend 😊

Miss Quirke and the Year 3 team.

Reminders:

Homework and reading books to be returned on **Wednesdays**

Swimming every **Thursday**

Next Friday 17th November we will be fundraising for Children in Need.

Please send your children to school wearing their pyjamas on this day for a minimum donation of £1.

Here is the link to the page where you can make your donations:

Learning at Holy Trinity in Year 4

Friday 10th November 2023

Maths

This week we worked on multiplying and dividing using our times-tables up to $\times 12$. We looked for patterns in each times-table and learnt how to use known facts, such as our $\times 2$ and $\times 5$ s, to work out trickier facts such as 7×8 . We also practised using strategies to work out word-questions by identifying the relevant information and relating it to the question being asked.

Children are arranged into rows of 7

There are 5 girls and 2 boys in each row.

There are 84 children in total.

How many girls are there?

Science:

Year 4 began a new unit in Science: Sound. Using rice placed on a drum, we were able to see how rice behaves like air molecules when the drum is struck. The skin of the drum vibrated and made the rice jump. We learnt that as air molecules vibrate against each other, sound waves are formed, and the sound of the drums can be heard.

History

In preparation for our trip to Hooke Court, we looked as far back as the 14 century, when the households of York and Lancaster were formed, to see what started the War of the Roses. We then explored the Battle of Bosworth and learnt how Henry Tudor triumphed over Richard III to become Henry VII, King of England, in 1485. This marked the beginning of the Tudor period.

Children in Need

Next Friday (17th November) please send the children in pyjamas for Children In Need. Here is a link to the fundraising page:

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=12787>

Have a lovely weekend!

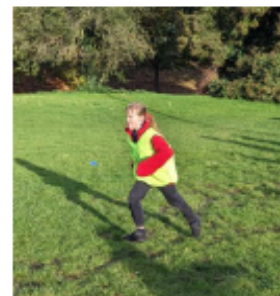

Learning in Year 5 at Holy Trinity
Friday 10th November 2023

We have been learning about the meaning of Remembrance Day and why we commemorate it. In history, we looked at the background of Remembrance Day and the meanings of the different colours of poppies. We then cut designed a background using pastel and white card, then cut a poppy out of a piece of coloured card, choosing the colour based on the meaning. We had some really nice conversations about Remembrance, the people who passed away in the wars, and we talked about how we still even have an army now that goes off around the world. We discussed the charities that money from poppies goes towards and the different ways in which this can help people, from therapy to prosthetic limbs to helping the family members of people who are injured or who pass away while in the army.

Football at Battersea Park went very well, except for a spot of rain - after which we saw a double rainbow! It was so nice for us all to be able to utilise the space we have there - we are very lucky.

Next Week...

- We head to the science museum on Tuesday - we are excited for our workshop about forces!
- We finish off our maths unit all about addition and subtraction

Reminders:

- *If you haven't yet, please book a meeting with me via School Cloud - there is one more being held on Friday 17th November*
- Dictation will once again be sent home this week and will be every week going forward.
- *Friday 17th November* we will be fundraising for Children in Need. Please send your children to school wearing their pyjamas on this day for a minimum donation of £1. Here is the link to the page where you can make your donations:
<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=12787>

Have a fun weekend,
Miss Pollard-Brown

Learning at Holy Trinity in Year 6

Friday 10th November 2023

This week in English, we finish our 'story openings' topic with a free writing activity, creating a diary entry from one of the characters points of view, recounting the reaping (where the Games contestants were selected). These were fantastic and full of 'Show not tell' and emotive language. Then we started our new topic of focusing on letter writing. We read a letter from a WW2 evacuee back to their mother. Focusing the volume, expression, tone and inflection of how we read a text. We were able to infer and retrieve information from this letter to answer questions about this child's experience of evacuation to a countryside town, living with a new family. Looking closer at the letter, we deconstructed the text, locating where the writer has used different sentence starts, adverbials, different uses of commas, descriptive language and the chronology of the letter. We spent a morning with Jose making a beautiful wreath this week, ready for the weekend. We made poppies out of copies of trench maps and WW1 letters and stuck the face of people lost in wars. It was very moving when Jose explained to us that three of the people she had known.

On Friday we spent our morning leading the Remembrance Day Assemblies at both Holy Trinity and Christ Church. Throughout the week we have been busy practising our script, telling the rest of the school about why who we are remembering and what the poppies, so many of us wear, represent.

It was lovely to see and chat to so many of you at our parent meetings this week! I look forward to seeing everyone else on Tuesday. Thank you for your time 😊

Reminders:

- Tuesday 14th November - Parent Meetings
- Tuesday 14th November - Trip to the Poppy Factory
- Friday 17th November - We will be fundraising for Children in Need.

Please send your children to school wearing their pyjamas on this day for a minimum donation of £1. Here is the link to the page where you can make your donations:

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=12787>

What a great week Year Six! Have a lovely weekend 😊
