

# Holy Trinity Newsletter

## 1st December 2023

If you would like an item included in the Newsletter, which is also published on the website [www.ccht.rbkc.sch.uk](http://www.ccht.rbkc.sch.uk) please telephone Mrs Phillips on 02078819860 or email [lphillips@ccht.rbkc.sch.uk](mailto:lphillips@ccht.rbkc.sch.uk) by Wednesday lunchtime at the latest.

### FIRST WEEK BACK - VISITORS, COMMUNITY EVENTS & CURRICULUM ENRICHMENT

Friday 1st December	All	Choir singing on Pavilion Road, 4.00pm (Hot chocolate on sale)
Tuesday 5th December	4AJ	Visit to the British Library
Wednesday 6th December	4AJ	Visit to Lambeth Palace

### Students Of The Week

RTM: Stefania & Noah  
1CM : Clunie & Aurelia  
2ZP: Jad & Rhion  
3MQ : Noah & Janna  
4AJ: Whole Class Award  
5CPB : Freddie & Maya  
6JD: Max & Astar

**Monday 11th** - 6JD Visit to the National Portrait Gallery, All day

**Friday 15th** - Christmas Jumper and Christmas Lunch Day

**Saturday 16th** - Holy Trinity Christmas Fair, Cadogan Gardens, 2.5.00PM

**Tuesday 19th** - Holy Trinity Christmas Service, 2.15pm, Holy Trinity Church

**Thursday 21st** - Last day of term, school finishes at 1.30pm

**NO AFTER SCHOOL CLUBS ON THE LAST DAY**

### Friday 15th December

#### Christmas Jumper and Christmas Lunch Day

*Children can come to school wearing a Christmas/Festive jumper and make a donation to the Save The Children Charity. On this day we will also be having our Christmas lunch.*

<https://christmas.savethechildren.org.uk/fundraising/CJD230013499>

### Christmas Amazon Wish List

Our Christmas elves have been busy updating our Amazon Wishlist and have added items for our Christmas Fair and Christmas lunch tables. Without our wishlist, our events wouldn't be as successful as they are.

Thank you to everyone who has purchased something for our school, we are so grateful for your support.

If you would like to help make Christmas magical at Holy Trinity and purchase something on our behalf, please visit

<https://amzn.eu/3jaGUpR>

If you find something you would like to purchase – just add it to your basket and follow the same procedures as if you were ordering something for yourself. The items will then be delivered directly to the school – please make sure you select the school address in the delivery section.

## **UPDATED Christmas Fair, Class Stall Information**

Each year group takes on the responsibility of a stall at the school fair, which really encourages the children to be actively involved in their school. Here is a list of the year groups and their stalls:

### **Reception Class: Chocolate Tombola**

parents to ticket the Tombola prizes and run the stall on the day. Co ordinators organising parents to run the stall, please let them know your 30 minute slot. Chocolate donated on mufti day.

### **Year 1: Santa's Grotto**

I will be creating the grotto setup the day before the fair as a gift from me to the school. Parents will need to make up the party bag style gifts that were purchased from Amazon Wishlist. Co ordinators organising parents to run the stall, please let them know your 30 minute slot.

### **Year 2: Bottle Tombola**

parents to ticket the Tombola prizes and run the stall on the day. Co ordinators organising parents to run the stall, please let them know your 30 minute slot. Bottles donated on mufti day. Additional bottles may be needed.

### **Year 3: Edible Gift Stall**

Popcorn cones, bags of homemade cookies, homemade chilli oils, and bags of homemade brownies are examples of items that have been sold in the past. Co ordinators organising parents to run the stall, please let them know your 30 minute slot

### **Year 4: Lucky Dip**

Parents donating the prizes and running the stall on the day. Co ordinators organising parents to run the stall, please let them know your 30 minute slot

### **Year 5: Hot drinks, mulled wine, and mince pies**

Parental donations of hot chocolate, tea, coffee, marshmallows, cups, mince pies, and mulled wine. Parents will need to make the mulled wine and run the stall on the day. Co ordinators organising parents to run the stall, please let them know your 30 minute slot

### **Year 6: Selfie Photo Booth**

The selfie station will be set up by me. Parental donations of selfie props that will be on the Amazon wishlist (Available by Monday 20th November) Parents will also need to run the stall on the day. Co ordinators organising parents to run the stall, please let them know your 30 minute slot

**OUR AMAZON WISHLIST HAS BEEN  
UPDATED THIS WEEK AND HAS LOTS OF  
CHRISTMAS FAIR ITEMS ON IT.**

**The Children's Commissioner for England** has launched '**The Big Ambition**' to hear directly from children, young people and parents across England.

**The Big Ambition** is all about hearing from children and young people about what is important to them and sharing this with the Government and policy makers to make sure their voices are heard.

With Christmas approaching, what better time for you to share what Christmas means to you or what your **Big Ambition** for 2024 by entering the Children's Commissioner's Christmas and New Year card competition.

The winning design will be the featured picture for the Children's Commissioner's official 2023 Christmas and New Year card, which will be sent out to key stakeholders across the country. The winner and runners up will have their designs shared on social media and will be sent a Children's Commissioner's participation badge and certificate.

**Ask your teacher to submit a photo of your drawing, painting, collage or poem to [childrens.commissioner@childrenscommissioner.gov.uk](mailto:childrens.commissioner@childrenscommissioner.gov.uk) by Friday December 1st.**

**Take part in The Big Ambition now and ensure your needs are reflected in the decisions that will affect you in years to come.**

### The Best Present for Children This Christmas:

Sirrell the Squirrel, a beautifully written and illustrated book by Juliet Rood. The heartwarming tale of a squirrel who unexpectedly finds himself a long way from his home in the Scottish Highlands. With its rhyming story and beautiful watercolour illustrations, this is truly a captivating book; a perfect present for children that will be cherished for years to come and enjoyed by all generations.

<https://www.sirrellthesquirrel.com/>

USE CODE: CC&HT for 10% off \*this code expires on 08/12/2023

The Children's Commissioner for England has recently launched 'The Big Ambition' to hear directly from children, young people and parents across the country.

We want to hear from all children, in every part of the country and in every setting.

This is your chance to tell key policymakers what is important to you ahead of the general election. Take part now and ensure your needs are reflected in the decisions that will affect you in years to come.

HERE

## OUR BACK STORY

During lockdown, as a family (and with the backing of our Church, St Stephen's) we decided to collect a selection of knick-knacks that make Christmas 'Christmas' for all of those who were really struggling financially.

Unfortunately, each year the need has got greater and greater. Fortunately, each year the collections and donations have got larger, as has the support.

We collect on behalf of the Westminster Food Bank: The Trussell Trust and we now have several drop off points including a church and a school.

### DROP OFF LOCATIONS & FINAL COLLECTIONS

Holy Trinity School  
(either office)  
18/12/23

St Stephens  
Church, Rochester  
Row  
15/12/23

Christchurch School  
(office)  
18/12/23

Thank you, thank you, thank you  
-Merry Christmas-

## OTHER USEFUL ITEMS

Practical & can be given as Christmas gifts:

- Children's warm gloves/hats/socks
- Baby blankets
- New children's books

## POPULAR ITEMS

- Selection boxes
- Twiglets/Cheese biscuits
- Candy canes
- Hot chocolate bombs
- Mince pies/Christmas puddings

Please no nuts

## Reverse Advent Calendars – Christmas 2023

This December we would like continue with our different kind of advent calendar with the children. We are going to ask two children in each class to bring in an item (from the wish list below) each day from 1st December leading up to (and including) Wednesday 20th December. These items will then be donated to our local charity, Glass Door for the homeless.

[www.glassdoor.org.uk/](http://www.glassdoor.org.uk/) Glass Door partners with churches and community centres to give shelter and support.

### Christmas Wish list

- Instant coffee
- Instant hot chocolate
- Biscuits
- Sugar
- Tea bags
- Vegetarian tinned soups
- Tinned tomatoes
- Tinned pulses
- Baked beans
- Dried pasta (No spaghetti please)
- Cereals
- Jams
- Toiletries such as Shampoo,
- Body Wash and Soaps
- Deodorant

Please kindly stick to this list as there are restrictions in place as to what the Charity can accept in the form of donations. Thank you in advance.

## Recommended Read

### Discovery Atlas: Amazing inventors, explorers and artists from all around the globe (ages 6-8 & up)

Author: Thiago de Moraes Publisher: Alison Green Books

It might feel as though humans have lived on earth forever, but we are in fact a relatively new development in the earth's history: modern humans have only been around for approximately 300,000 years, which isn't very long at all, if you remember that our planet formed 4.55 billion years ago. Yet, in those few hundred thousand years, humans have been busy discovering and inventing things, from fire and tools to the internet, toilet paper and ice-cream. It's been quite a ride!

Divided into twelve chapters detailing discoveries in areas as varied as medicine, sport, oceans, art, space, technology and food, this gorgeous, large-format hardback book is a wonderful gift for more or less any child with a curious mind. Thiago de Moraes' humorous, colourful and wonderfully detailed illustration includes brilliant double page spreads that, for instance, feature some of the key players in the developments in medicine over time, or scientists responsible for discoveries in physics and

space.

It's fantastic to delve into some of the fabulous inventions and discoveries made through history and into the present day, and de Moraes presents them with a genuine sense of curiosity and fun.

# Christingle Service

On Wednesday we held our Christingle Service at Holy Trinity Church. There was a sense of togetherness as we head towards the season of advent. We all focused on our candles and the good things that God brings to the world.

A busy week in Reception class, this is what we have been up to:

**English-** This week, we have started learning about: Christmas. The children completed the following activities:

-We learned about describing words (adjectives). The children described what Father Christmas looks like.

'Santa is **big**.' 'Santa has a **red** hat.' 'He is **kind**.'

-They labelled objects they could find at Santa's workshop. Some children extended their writing by adding an adjective.

**red** bus **big** box **red** bag **cheeky** elf

-Lastly, some cheeky reindeers visited our classroom in our absence! The children completed some sentences and described what the reindeers were doing.

*The reindeers are ....*

In Maths, In Maths, we continued learning about patterns. The children took part in different challenges where they had to complete patterns against their partners.

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/ /f/ /l/ /ff/ /ss/ /ll/ /j/ /v/ /w/ /x/

This week's new sounds are: /y/ /z/

We have now finished learning all the alphabet sounds. Next week we are going to focus on CVCC words (consonant, vowel, consonant, consonant): nest, tent, lamp, pond, etc.

**Tricky words** (words we have to remember): I, the, my, to, said, you, he, she, your.

On Tuesday this week, we had our Shepherds and Sheep outing to Chelsea Theatre to watch a Pantomime performance - it was great fun!

Next week: please can children bring a pair of white or pale coloured socks to school. We will be designing our own Christmas socks!

Have a lovely weekend!

Year 1

Friday 1<sup>st</sup> December 2023

Dear Parents,

This week in English, we have continued to look at the story of Owl Babies. The children were introduced to **expanded noun phrases**, where we use two adjectives separated by a comma to describe a noun.

*The baby owls could see the **bright, shiny** moon.*

*There are **wet, saggy** leaves on the ground.*

The children have also started making baby owls using wool and card to make pompoms.

In Maths, we have been reviewing addition and subtraction using part-part-whole and recording the different fact families. We will also continue to work on understanding number problems and choosing the correct strategy to solve them. Next week, we will review 2D and 3D shapes.

In Alphabet Code we looked at all the different codes for /**er**/. We discovered **er** as in letter, **ir** as in shirt, **ur** as in nurse, **or** as in work and **ear** as in earth. Next week, we will be investigating all the different codes for /**u**/ as in sun.

Have a wonderful weekend,

Miss Martin

Learning at Holy Trinity in Year 2  
Friday 1<sup>st</sup> December 2023

On a personal note, thank you so very much for your patience and kindness at this time as I take compassionate leave. It has been so beautiful to hear your well wishes and thoughts at this challenging time. We have ensured your lovely children are well cared for and I look forward to returning soon.

Thank you so much for your fantastic fact files, it was so fantastic to share these and they were enjoyed with great enthusiasm. This week we finished off our Shark non-chronological reports. These are bursting full on wonderful facts! We also completed a range of reading comprehensions around animal information booklets. We have been so impressed with how these have been retained.

Within our Maths learning, we have been consolidated our learning of addition and subtraction strategies. Please continue to practice these skills at home. We now know how to regroup, exchange and use our split method to answer a range of addition and subtraction challenges.

In our science lesson we are continuing to explore a range of materials and focussed on metal. We learnt that steel is made from iron ore, coal and limestone. We considered how the properties change as the material is thinned and flattered. Later we made our own boats using kitchen foil. We found these were waterproof, malleable and light.

In RE, we enjoyed our Christingle service on Wednesday and reflected on the symbols we saw and their importance to Christians. A big thank you to those who have donated to the Children's society appeal 😊

In Art, we enjoyed making our own Matisse silhouettes, taking inspiration from his Jazz artwork.

Reminders:

- Continue to wrap up warm!

Have a restful weekend

Many thanks, Miss Peach

Wishlist

## Learning at Holy Trinity in Year 3

Friday 1<sup>st</sup> December 2023

In English this week, we continued reading Fantastic Mr. Fox. We generated exciting adjectives to describe Mr. Fox, and then we used these adjectives to create wanted posters. We also practised using conjunctions and choosing appropriate conjunctions to link clauses together.

In Maths, we began our multiplication and division unit. We started by looking at equal groups, then using arrays to help us create repeated addition sums and multiplication sums, and finally this week we recapped multiples of 2.

**You do** What does this array show you?

There are 4 rows of 5.

There are 5 columns of 4.

$4 \times 5 = 20$

$5 \times 4 = 20$

**Reasoning**

1 + 1 = 2  
 3 + 3 = 6  
 5 + 5 = 10  
 7 + 7 = 14  
 9 + 9 = 18  
 3 + 5 = 8  
 5 + 1 = 6  
 3 + 1 = 4  
 5 + 1 = 6

**Prove it!**

If I add two odd numbers together, the answer is a multiple of 2.

Is this always true? Sometimes true or never true?

How do you know?

In RE this week, we thought about the true meaning of Christmas. We recapped all of our learning so far about Advent and the Feast of the Epiphany and discussed how these events guide us towards the true meaning of Christmas.

In Science, we looked at the diets of different animals. We looked carefully at the teeth of different animals and we discovered that we can tell whether an animal is a carnivore, herbivore or an omnivore by looking at their teeth.

In History, we completed our Stone Age quizzes where we showed off all we have learnt about the Stone Age in History this term.

This week, Holy Trinity had a Christingle service. Thank you to all who came!

Have a super weekend 😊

Miss Quirke and the Year 3 team.

### Reminders:

Homework and reading books to be returned on **Wednesdays**

Swimming every **Thursday**

**Christmas Assembly –  
 Tuesday 19<sup>th</sup> December at  
 2:15pm at Holy Trinity  
 Church**

Learning at Holy Trinity in Year 4

Friday 1<sup>st</sup> December 2023

## Maths

This week we:

Learnt how to multiply and divide by 10 and 100. Children used their understanding that 1 ten is 10 times the size of 1 one and 1 hundred is 10 times the size of 1 ten to support their understanding of multiplying by 10. Children visualised making a number 100 times the size and learnt that "100 times the size" is the same as "multiply by 100". For division, we visualised making a number one-tenth the size and learnt that "one-tenth the size" is the same as "dividing by 10". Finally, children built on their understanding of dividing by 10 and noticed the link between dividing by 10 and dividing by 100.

## English:

This we took notes on a short animated film about two shoe-sellers. Children had to summarise the film using conjunctions, adverbials and prepositions within their sentences. We considered how adverts persuade a buyer and finally went on to use descriptive language, modal verbs and factual information to create their own persuasive pieces.

## History

We learnt how historians use artefacts to understand the Tudor period by analysing artefacts from the Mary Rose, Henry VIII's famous ship. Children chose a picture of an artefact and had a go at working out (inferring) what we can learn about the Tudors from the picture. For example, wealthy families left behind portraits of themselves and typically showed people with their mouths closed, concealing their rotting teeth from eating sugar.

## Science:

This week we studied the anatomy and physiology of the ear and the role this body part plays in hearing. We also learnt that the ear plays an important part in our balance.

Have a lovely weekend!

Learning in Year 5 at Holy Trinity  
Friday 1<sup>st</sup> December 2023

We have had a great week full of lovely learning!

We started our multiplication and division unit, with everyone showing off how well they know their times tables through multiples! Keeping up the TTRS (Times Table Rock Stars) will be amazing at supporting us with this topic 😊

We have now wrapped up our English unit, *The Lighthouse*, and are very excited to start a more wintery topic on Tuesday. The next unit has a lot of shorter writing activities which are perfect for this time of year, and Miss P-B has loved doing it with classes in the past.

We are learning how to make movies in computing, and spent some time trying out panning, tilting and zooming, along with other types of shots, using the iPads. We will use this knowledge to help us make 'How To' videos that we can then share with each other!

In science we are continuing our forces learning, this week thinking about different types of forces - unbalanced vs. balanced. In art, we drew and then painted our chosen endangered animals using watercolour paints, which we will then put into our shadow boxes!

Have an amazing weekend!  
Miss Pollard-Brown

Learning at Holy Trinity in Year 6

Friday 1<sup>st</sup> December 2023

This week in English, we have been busy writing a letter home as an evacuee. Writing in the first person, we reflected on our learning in evacuation drawing on facts we have learnt in History to make our letter believable. We tried to include several writing tools that we have learnt over the last few months; embedded clauses, passive tense, -ing verbs and fronted adverbials. Our letters were full of description; describing the journey and experience to the countryside and the emotions that children would have felt throughout this time.

In maths we revisited the order of operations we should work out calculations in (BODMAS). We spoke about that whatever calculation is inside the brackets, we calculate that first. Then we spoke about the order of operations and then used this to complete multi step word problems. We spoke about the importance of underlining the important information and finding the language that gives us a clue as to which operation to use.

On Tuesday we had a lovely Shepherds and Sheep trip to Chelsea Theatre to watch a pantomime, Goldensocks and the Three Bears. We had a great time and were fantastic representatives of our school. We looked after our sheep beautifully and made sure they were comfortable and enjoying the show. Well done everyone.

On Wednesday we led our Christingle Service in Holy Trinity. A big thank you and well done to all our speakers who spoke clearly, slowly and with expression!

#### Reminders:

- **Thursday 7<sup>th</sup> December** - Trip to the British Library - Fantasy: Realms of Imagination exhibition workshop
- **Monday 11<sup>th</sup> December** - Trip to the National Portrait Gallery - David Hockney exhibition
- **Friday 15<sup>th</sup> December** - Christmas lunch and Christmas jumper day

What a busy but brilliant week Year Six! Have a restful weekend ☺
