The Holy Trinity Promises Auction Catalogue:

https://www.ccht.rbkc.sch.uk/wp-content/uploads/2024/03/AuctionBooklet_2024_LayoutView.pdf

The digital version of the **Holy Trinity Promises Auction Catalogue** is here and due to popular demand I have attached the link above, slightly ahead of time as the hard copy catalogues are due to arrive on Thursday so will be in your children's bags then. The link can be found on the home page of our website too.

There are a few final reminders before the big event itself **next Thursday!**

If you are unable to attend the **Promises Auction** but would like to leave a bid for an auction lot, please fill out the attached form with your bid/s for the night and hand in to the school offices, or email it to me, **before midday on Thursday 14th March.**

- If you haven't yet secured a ticket please book on School Gateway – this is your final chance!
- If you are not a CCHT parent and would like to come, please email me (and your guests names) so that I can include you all in the numbers.
- If you haven't yet bought a raffle ticket please do via this link:

<https://cchtrbkc.enthuse.com/cf/holy-trinity-promises-auction---win-a-gucci-handbag>

- **These links will close next week!**

If you are lucky enough to have secured a ticket, here are a few essential items you must remember to bring on the night:

1. Cash or card for the Bar and cash for the *Prize Draw for the luxury Gucci handbag (see link above)* and Heads or Tails Game.
2. Your paddle number which you will receive upon arrival at the Registration Desk

You can pay for your lots by cash or card in the school office, on the night.

We are really looking forward to seeing you next Thursday night which we *promise* will be an evening of great excitement and entertainment!

Best wishes

Katie

lphillips@ccht.rbkc.sch.uk

WE ARE DRESSING UP:

RED TO TOE

On Friday 15th March children are invited to wear Red or their favourite fancy dress costume to school. Recommended donation of **£1** and over can be made on the school gateway.

WE ARE HOLDING: AN AFTER SCHOOL CAKE SALE

The fun doesn't end there! After school, we will be holding cake sales in both buildings. Please send in your cake donations in the morning, on Friday 15th March.

SCHOOL DISCO

During the day, we will have lots of fun at our Comic Relief discos, an opportunity for children and staff to show off their finest dance moves.

International Women's Day

'**International Women's Day** (March 8) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality.

IWD has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today, IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific. **national Women's Day** is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality.

IWD has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today, IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific.'

#IWD2024 #InspireInclusion

International Women's Day 2024 campaign theme is 'Inspire Inclusion'

The campaign theme for International Women's Day 2024 is **Inspire Inclusion**.

When we inspire others to understand and value women's inclusion, we forge a better world.

And when women themselves are inspired to be included, there's a sense of belonging, relevance, and empowerment.

Collectively, let's forge a more inclusive world for women.

'Organizations, groups, and individuals worldwide can all play a part - in the community, at work, at home, and beyond.

To truly include women means to openly embrace their diversity of race, age, ability, faith, body image, and how they identify. Worldwide, women must be included in all fields of endeavour.'

Information taken from the International Women's Day website.

<https://www.internationalwomensday.com/>

Can we please remind you we are a nut free school

Children who suffer from nut allergies can develop mild or potentially life-threatening allergic reactions. If someone has a nut allergy it is not just eating nuts that can cause a reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

Some foods, especially after school snacks, need to be checked for their ingredients. Snacks for break time should be **FRUIT** or **VEGETABLES** only. NO **SWEETS** or **CHOCOLATE** allowed at school or after school clubs.

So please can we ask that you have no nut products in the lunch boxes or brought into the school:

- Peanut butter sandwiches
- Chocolate spreads
- Cereal bars
- Granola bars
- Cakes
- Biscuits / Cookies

This list is not exhaustive, so please check the packaging of products closely.

We appreciate that this is an additional thing to check and we know that you recognise the importance of it.

COLLECTING PLASTIC MILK CARTONS FOR SHEPHERDS & SHEEP ACTIVITY

Please could you collect milk bottles like this for our Shepherds and Sheep who have an exciting making project planned in a few weeks' time.

Can you guess what we are making?

We need 100 so please get saving! Please could you drop them off in our school offices.

Thank you! We will tell you when we have enough.

Mrs Hawkins

Thursday 14th March Spring Concert 2.30-3.15 Cadogan Gardens

We have our Spring Concert next Thursday 14th March at 2.30pm. All parents are welcome to attend. Your child's music teacher will be able to say whether your child is performing in it or not. The Choir will also be performing but not Band.

We look forward to seeing you!

Information for Helpers on Offsite Activities

Thank you for volunteering to help.
It is much appreciated. Enjoy the expedition.

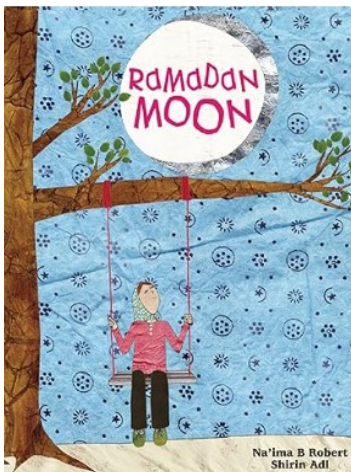

1. We ask you to support and extend the children's learning by accompanying them on this expedition. The children will get most out of the trip by adults speaking and listening and pointing out areas of interest.
2. When walking with the class/group, please ensure that you are on the road-side. There will be designated road crossers and you will be informed if this is part of your job by the member of staff in charge.
3. Please be aware we walk in a crocodile with a staff member at the front and the rear.
4. Be aware of children's safety at all times, and if in doubt check any concerns with the member of staff in charge.
5. You will receive information concerning the trip before departure either by verbal/written communication.
6. Please do not use mobile phones, carry hot drinks or smoke whilst children are in your care.
7. We ask you to encourage children to be responsible for their own belongings.
8. **Never buy or give treats to children due to mild and life-threatening allergic reactions. This includes your own child. The only food that children are allowed to eat is their school packed lunch or one provided from home.**
9. We expect a high standard of behaviour from the children, if you have any concerns please consult a member of staff in charge immediately.
10. From Year 1 onwards parents must not be expected to be paired with their child.
11. If you have an Oyster Card please could it be used on the trip for public transport.

Without you this trip would not be able to go ahead. Thank you for your time, support and kindness.

Ramadan Assembly

On Wednesday, two of our Year 3 children delivered a fantastic assembly about Ramadan. They told us many interesting facts and KS 2 asked them lots of questions about this very important celebration. Ms Huda joined us and we shared everyone's experiences of this important time in the Muslim calendar.

The girls shared a book with us in the assembly called Ramadan Moon.

Here is a link to Amazon, one of the places you can purchase the book Ramadan Moon.

<https://www.amazon.co.uk/Ramadan-Moon-Naima-B-Robert/dp/1847802060>

What is Ramadan?

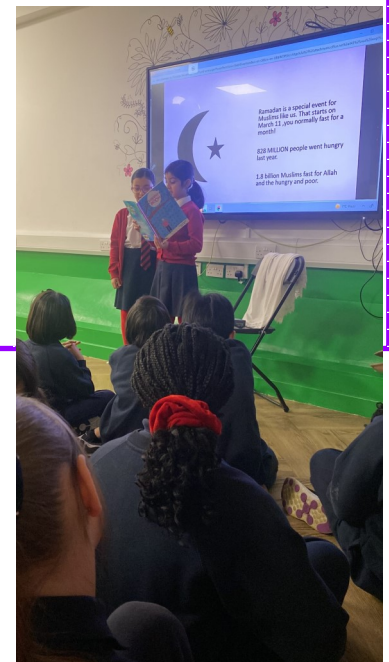

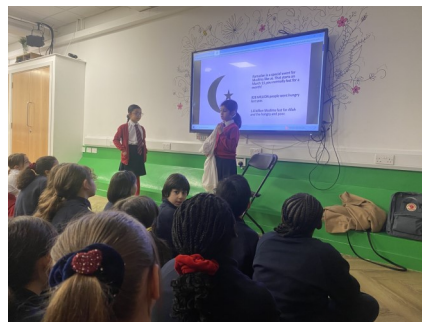

Ramadan is a very special month that is observed by 1.8 billion Muslims all over the world. It falls on the ninth month of the Islamic calendar. It is one of the biggest religious events on the planet.

What do Muslims do during Ramadan?

Ramadan begins on Sunday, March 10th 2024. During the month of Ramadan, Muslims do not eat or drink from dawn until sunset. This is called fasting. Fasting in Ramadan is one of the Five Pillars of Islam. During Ramadan, Muslims fast to get closer to God, be self-disciplined, control themselves, and show their gratitude for God's blessings.

To make the most out of this special month Muslims also do the following:

- Pray more.
- Read the Qur'an more regularly
- Give up bad habits.
- Give more to charity.

TCS Mini London Marathon

SATURDAY 20th APRIL
FUNDRAISING FOR CCHT

TCS will give £10 to our school for every child under the age of 17 who completes their distance!

The TCS Mini London Marathon invites schools to bring their children and young people to run, jog, walk, or wheel one mile or 2.6K in the heart of the capital.

The event is free to enter, and what's more, our title partner, TCS, is giving schools £10 for every participant aged 17 or under who finishes the event! Participants cross the iconic TCS London Marathon Finish Line and receive a TCS Mini London Marathon medal.

The 2024 event will take place on 20 April, and we want as many children as possible to be able to take part, so there is a one-mile event for children in Reception to Year 7 and a 2.6K route for those in Years 4 to 12 who can go a bit further.

Money for schools!

For every participant aged 17 or under who finishes the TCS Mini London Marathon, our title partner TCS will donate £10 to their school to spend on PE or IT equipment. So, the more children who take part and get active, the more money your school will raise!

Since the London Marathon started in 1981, its participants have raised more than £1 billion for good causes – so why not make your TCS Mini London Marathon a fundraising event and raise money for your school or our charity partner [WWF-UK](https://www.worldwildlife.org/).

WOULD YOUR CHILDREN LIKE TO TAKE PART IN THE TCS MINI MARATHON?

HOLY TRINITY HAS BEEN SELECTED TO TAKE PART IN THE TCS LONDON MARATHON, WE HAVE **50 SPACES** AVAILABLE FROM THE **1 MILE** STARTING POINT AND **50 SPACES** AVAILABLE FROM THE **2.6K** ROUTE. PLEASE EMAIL

krose@ccht.rbkc.sch.uk IF YOU WOULD LIKE A PLACE FOR YOUR CHILD/REN. PLEASE SPECIFY WHICH STARTING POINTS YOU WOULD LIKE THEM TO START AT. ENTRIES WILL BE GIVEN ON A FIRST COME FIRST SERVE BASIS.

Our participants' safety is our top priority. The event takes place on a closed, secure route (see maps above) with stewards and a dedicated Welfare Team on the course to make sure all children have a safe and enjoyable experience. All participants need to be escorted to a safe and secure 'drop off' zone at the Start Area.

Children in Year 3 or above on Event Day can complete the route on their own, while children in Reception to Year 2 need to be accompanied on the course, with a minimum ratio of one adult for every eight children. Participants will also need to be collected from a safe and secure zone by the Finish Line.

CCHT London to Paris Bike Ride 21st—23rd June

If you are interested in a personal challenge, a very enjoyable weekend away, bonding with fellow CCHT parents and raising significant funds for our schools, then this is the weekend for you! Join our group of parents, both past and present, governors and staff for a scenic and steady ride (no boy racers please!) from Christ Church to the Champs Elysees. The route we will be taking is below and your accommodation, ferry journey and return Eurostar journey home will be your only personal costs (bar the bar and evening refreshments!) All abilities welcome, you really just need a bike, and we encourage the more the merrier—the only benefit of booking in early is so that you can reduce your travel costs and join in on the regular group training sessions. If you would like to hear more the trip, please contact:

Charlie Combe on 07747796124
or Tim McKean on 07917461987

Sign up today for a children's health check!

Are you a **parent of a child aged 3-13 years old**, registered with a GP in central London?

Did you know you are **eligible for a one-time children's health check?**

Healthcare Central London is running the first-of-its-kind child health clinic.

Within the session, an advanced nurse practitioner will complete physical checks and reviews.

This will be a unique opportunity to discuss any concerns regarding your child's health and to get support with their future wellbeing.

Contact your registered GP to book your session*

When: Mondays to Fridays, 9:30am – 5pm

Location: St Georges House, 82 Vincent Square, London SW1P 2PF

*Please note you can only be seen if you have an appointment booked.

For any general enquiries please contact: hcl.corporate@nhs.net

- Tea, coffee and homemade baking stand with all proceeds directly going to the schools

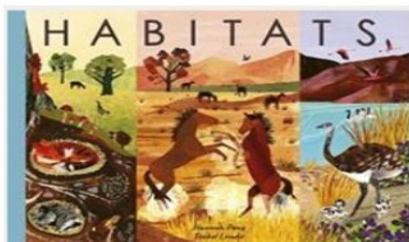

Recommended Read

Habitats ages 6-8 & up

Author: Hannah Pang **Illustrator:** Isobel Lundie **Publisher:** Little Tiger

Nature is full of a variety of natural habitats – places where plants and animals coexist. Yet, those habitats are changeable, and often contain different sections or layers that feature different types of life, according to how much light, moisture and air there is, among other factors.

Demonstrating these layers—whether that’s the sunlit zone, twilight zone and the deep sea layer of the ocean, or the emergent layer, the canopy, understory and forest floor of the rainforest—this beautiful picture book shows readers some of the plants and creatures that can be found at the different parts of a habitat. In ancient woodland, badgers can share their setts with foxes and rabbits, and the black-chested buzzard-eagle lives high on the rocky scree of the Andes mountains in South America.

Isobel Lundie’s colourful, eye-catching collage-style illustrations show delightful details, such as a pelican eel’s huge jaws, or the pattern on a fly agaric mushroom. This is a charming book with a good level of text to picture, suitable for mid-primary readers, and the paper craft used in the book – pages that are cut short in the different sections to make flap pages of graduated sizes – demonstrates the idea of layers to the reader in a clear and interactive way.

WHAT IS HAF?

The Holiday Activities and Food (HAF) Programme provides free activities and food for children aged 4 to 16, and to 18 for those with SEND, who are eligible for Free School Meals (FSM) during the Easter, Summer and Christmas Holidays.

Some of the fun activities available include sports camps (football, basketball, boxing, table tennis), music, dance, arts and crafts, adventure play, gardening, cooking, youth clubs and offsite trips!

AM I ELIGIBLE FOR FREE SCHOOL MEALS?

You have to apply for income-related Free School Meals – it's not an automatic scheme.

This is different to other free lunch offers that are available universally.

If you think you could be entitled, please contact your school.

If you are FSM eligible, you'll also receive supermarket vouchers during all school holidays!

I'M NOT ELIGIBLE FOR FSM, CAN I STILL ATTEND?

Some of our holiday activities offer paid places or reduced cost for those not eligible for Free School Meals. Please check with individual organisations for more information.

Holiday Clubs

Amazing multi-activity club experiences for every child!

Ensure your child experiences a holiday club like no other with JAG! Our jam-packed daily schedule uniquely caters for each child's talents and interests, forging unforgettable memories in an amazing holiday experience!

- ✓ Something for every child, with a wide range of fun-filled activities
- ✓ All activities delivered by expert play leaders in a safe, fun environment
- ✓ Confidence building by learning new skills and trying new things under expert guidance
- ✓ Positive interactions that nurture friendship and social awareness
- ✓ Enhanced wellbeing through a focus on happiness, mindfulness, kindness and being active

Building Brighter Futures Together!

Children love our holiday clubs, because the diverse experiences we offer are so much fun. With a brilliant mix of sports, energising activities that get children moving, creative sessions that bring out their inner inventor and much more, our expert teams ensure an inclusive and fun environment that delivers an important role for every child in every session.

Our Whole of Child Programme

We design all our activity programmes to prepare children for the future, nurturing vital life skills in each and every one of them in a way that taps in to their unique skills and interests. With fun activities spanning seven core categories, it's easy to see why children's time at JAG is always their favourite time!

EASTER FOOTBALL CAMP 2024

DH-Sports Coaching will be running a football camp in both weeks of the Easter holidays. Week 1 will be from Tuesday 2nd to Friday 5th April. Week 2 will be Monday 8th to Friday 12th April. Both camps will run from 9.45am to 2.45pm. The venue for camp will be at Battersea Park by the Albert Bridge Car Park. The camp will consist of quality coaching, fun games and small-sided matches delivered by fully qualified and first aid trained coaches. Each child will also receive some prizes for taking part. The prices for the camp are as follows:

Week 1:	
Four Days	£80
Four Days Pre-Booking	£75
Full Day	£20
Half-Day 9.45am-12.15pm or 12.30pm-2.45pm	£15
Week 2:	
Full Week	£100
Full Week Pre-Booking	£90
Full Day	£20
Half-Day 9.45am-12.15pm or 12.30pm-2.45pm	£15

The age group for the camp is from 4 to 14 years with all levels of ability welcome. If you would like to book a place for your child, could you please email to dhenwood@ccht.rbkc.sch.uk or you can contact me by mobile on 07772547192

English - This week, we have continued to work on the story of Handa's Surprise. The children drew out and labelled their favourite fruits. They also wrote a caption for different scenes from the story.

'The monkey took the soft, yellow banana.'

'The zebra took the round, juicy orange.'

Alphabet Code:

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/ /f/ /l/ /ff/ /ss/ /ll/ /j/ /v/ /w/ /x/ /y/ /z/ /zz/ /th/ /ch/ /sh/ /qu/ /ng/ /ai/ /ee/ /igh/ /oa/ /oo/ /ar/ /or/ /ur/ /ow/ /oi/ /ear/ /air/

This week the children reviewed the following sounds:

/ch/ /sh/ /th/

Please continue to go through the tricky words in their tricky words book, thank you.

Maths - we continued our learning in subtraction.

The children had a go at creating their own subtraction stories.

History - Next week the children will make their own soft toys. For that, could they please bring in a sock and some cotton wool. Thank you 😊

Toy from the past interview: if you are unsure of how to upload the video to class dojo please come and ask, I will happily show you how to do it. Thank you.

Enjoy the weekend!

Year 1

Friday 8th March 2024

Dear Parents,

This week, in English, the children have continued to work on the story: *The Clock Tower*. They compared the two different scenes in the story. The first one, when the ballerina was dancing, was colourful and vibrant whereas the second one, was dark and gloomy. They used the conjunction 'but' to compare both sentences. Next week, the children will work on retelling the story.

In Maths, the children learned about place value within 50. They used their reasoning skills to work out how many tens and ones in different numbers up to 50.

Example:

On Wednesday, we visited Holy Trinity Church as part of our RE Week. They learnt how the church got built, some of the different materials they used and they learned the names of some of the areas: the altar, the lectern, the font and the pulpit.

Wishing you a lovely weekend,

Miss Martin

Learning at Holy Trinity in Year 2
Friday 8th March 2024

Thank you so much for your time during our parent meetings this week! It was wonderful to get to talk through all the wonderful learning and achievements of your beautiful children. I have provided a few opportunities to practice key skills such as reasoning questions. For homework this week please try a few reading comprehension challenges. Remember to read these through together to find and underline the answers.

Thank you for watching our sharing in special mentions this afternoon, we are so proud of all our learning.

This week we have enjoyed reading *My Grandma and Me*. We thought about some similes to describe Grandma some of our favourites included 'she was as wise as an elephant'.

In maths we have been using our understanding of multiplication and division facts to complete a range of activities.

In RE we thought about the key symbols we see within the Easter story. We then tried our own hot cross buns noticing the cross on the top.

We had an incredible time celebrating world book day! We had a webinar from John Patrick Green to hear about his investigator books- with your world book day tokens you can collect one of his books! We also visited Year three and showed, read and shared our favourite books from home. We were so impressed with the enthusiasm and joy that was shared.

Please continue to sign up with Mrs Sheehan we need more wonderful parents to join us on our Thursday reading.

Reminders:

Next Wednesday 13th March we will be visiting St Paul's Cathedral- packed lunch will be provided

Many thanks, Miss Peach

Learning at Holy Trinity in Year 3

Friday 8th March 2024

In English this week, we finished our newspaper articles! We then began our next unit where we started looking at one of the main characters from our new story. We thought about what makes this character an unlikely hero. Then, we wrote some character descriptions of an unlikely hero of our choice. We used language such as however, even though, and although to show contrast.

In Maths, we have continued to learn about measurement. This week, we continued practising converting equivalent measurements and used this knowledge to add and subtract lengths and heights.

We do $10\text{mm} = 1\text{cm}$

$20\text{mm} + 10\text{cm} = 12\text{cm}$
 $= 2\text{cm}$

$2\text{cm} + 10\text{cm} = 12\text{cm}$

Do you agree or disagree?
Why?

We need to *convert* the measurements to the same units.

20mm is equal to 2cm .

$10\text{cm} + 2\text{cm} = 12\text{cm}$

In Art, we learnt some information about India. We then designed some artwork based on important Indian symbols and landmarks to be displayed at our Pop-up restaurant. More details about Pop-up to come soon!

This week, we visited the National Portrait Gallery to take part in a 'What is a portrait?' workshop. Thank you to our parent volunteers for joining us.

For KS2 assembly this week, we were treated to an informative session about Ramadan. Thank you to Amalia and Janna for sharing their culture and knowledge with us so beautifully.

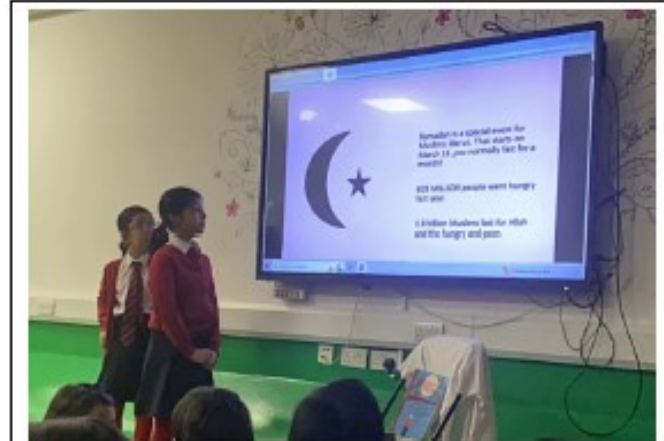

Have a lovely weekend,

Miss Quirke and the Year 3 team 😊

Reminders:

Thank you to everyone who signed up for a parent meeting. It was lovely to speak to so many of you and to celebrate your children's progress.

Homework and Reading records to be returned on **Wednesdays**.

Learning at Holy Trinity in Year 4

Friday 8th March 2024

Highlights of this week include:

Maths

This week, children converted mixed numbers into improper fractions. This concept was taught predominantly with pictorial representations such as bar models and number lines, which are useful representations to allow children to see the links between mixed numbers and improper fractions. We also looked at fraction families to cement understanding of equivalent fractions.

Use the bar models to find the equivalent fractions.

English

To celebrate World Book day, Year 4 walked to the National Army Museum to attend a workshop of storytelling and creative writing. The children went on a time travelling tour of the museum then wrote their own stories inspired by pieces from the museum's handling collection. We also celebrated World Book day by sharing our favourite books. Alongside all this, we continued with our Firework Maker's Daughter unit which involved summarising chapter 3 and planning a chapter for the character Razvani.

History

We began our new History unit on Ancient Egyptians. For the next few lessons, we will consider what they did and discuss whether Ancient Egypt deserves its reputation as one of the most important early civilisations. We explored the Learning Brief, which outlined the approach to the Egyptians we would be taking over the next few lessons. Year 4 considered what they know already and what more they would like to know about the Ancient Egyptians.

RE

Year 4 took the tube to Southwark Cathedral to discover the symbolic features of the building with an emphasis on the symbolism of baptism and the Eucharist. We also learnt about the significance of different Christian symbols including light, water, the cross and the dove and their significance in Christian life, worship and ceremonies.

In the afternoon, Year 4 worked with clay to make either a clay tile linking to Christian Symbols or a clay pilgrim souvenir, which connects with the content of our Pilgrimage and Journeys trail.

Have a lovely weekend!

Learning at Holy Trinity in Year 5 - Friday 7th March 2024

This week, we have been busy bees here in year 5!

English has had us doing a whole host of activities - writing letters based on the text *Wonder* (both the movie and the book) and really diving deep into the world of *Holes*. We used the descriptive language in the text to create pieces of art, and now we have yellow-spotted lizards crawling all around our Literacy Working Wall!

We have moved onto division in maths, and are tackling the big job of dividing 4-digit numbers by 1-digit numbers. We are doing this using two main methods: using place value counters to visualise the equation; and using short division (also known as the 'bus stop' method).

In geography, we made open-flap books about erosion and the different types (glacial, waves, wind and rivers) and thought about how this affects coasts. In science, we covered adolescence and reminded ourselves about what happens during puberty - Miss P-B was very impressed to see everything we know!

On Wednesday, Year 5 went on an amazing trip to Westminster Abbey. We learned all about the different parts of the Abbey, saw the Coronation Chair, the Poets Corner, the area of the building where coronations take place, and the choir seats.

Have a restful weekend!

Miss Pollard-Brown and the Year 5 Team

Learning at Holy Trinity in Year 6

Friday 8th March 2024

This week in maths, we continued looking at ratio, in particular scaled diagrams and using scale factor to enlarge shapes. We practiced drawing our own shapes, using multiplication and division to solve ratio and proportion problems and identifying similar shapes.

In English we returned to our learning about WW2 as part of our historical context topic. We looked at the lead up to the war, in particular, from the German side. We talked about where the dislike of the Jewish people came from and how awfully they were treated before and during the war. We also learnt about some key vocabulary that we need to know for our extended writing, that we shall do later.

In computing we started our new topic of Data and Information (including spreadsheets). We looked at collecting and organising data in a format of our own choice. Then we explored how data can be structured in a table. We finished the lesson by looking at inputting data into a spreadsheet.

Thursday was world book day where we celebrated by discussing and recommending our favourite books to each other, took part in a reading and football themed quiz and designed our own book voucher.

Thank you to all the parents who I met with this week, thank you for your time and it was great to celebrate how well your children are doing!

Reminders:

- Monday 11th March - Friday 15th March - RE Week
- Monday 11th March - Trip to St Bartholomew the Great
- Wednesday 20th March - Athletics Afternoon
- Monday 25th March - Kensington and Chelsea Junior Citizenship Scheme

What a great week everyone. I hope you all have a lovely weekend ☺
