WORLD BOOK DAY®

Changing lives through a love of books and reading.

World Book Day is taking place on **Thursday 7th March** and we hope you'll join us as we come together to celebrate our World Book Day in school. Every year on World Book Day we are overwhelmed by the enthusiasm of our school community. Bringing books into school can be a big part of the celebrations and what the children particularly enjoy about the day.

We would love all children to bring a copy of their favourite book into school as there will be an opportunity for them to share this with a partner in a different class.

The children will take part in a range of activities on the day and be reading and listening to a variety of texts.

You may want to share stories at home and this is a [link](#) to a lovely collection of free audio books for all ages .

Also, don't forget to take your World Book Day voucher to Waterstones for a free book.

Finally, follow this [link](#) to find some Reading Recommendations.

Choose a brilliant book for free with your
World Book Day £1/€1.50 token

15 February -
31 March 2024

Comic Relief Friday 15th March 2024

Holy Trinity will be raising money for Comic Relief on the Friday 15th March 2024. On this day, for a minimum donation of **£1**, children are invited to wear red accessories and clothing 'Red to Toe' or their favourite fancy dress costume to school. Donations can be made on the school gateway.

During the day, we will have lots of fun at our Comic Relief discos, an opportunity for children and staff to show off their finest dance moves.

The fun doesn't end there! After school, we will be holding cake sales in both buildings. In order to Make the cake sales a success, we are reliant on cake donations from you. A great opportunity for parents and children to create something to Please send your bakes into school on the afternoon of Thursday 14th March.

The Red Nose That Grows

This year for Comic Relief, we will be selling The Red Nose That Grows, a 100% compostable Red Nose Wildflower Seedbom that will transform into beautiful wildflowers, bringing fun and joy to your home or garden.

Pre-orders of Seedbom's are available on the School Gateway now for the cost of **£4.50** each. Distribution will be during the week commencing March 11th, 2024.

We currently have 100 to sell, but if the demand is high, we can order a second batch no later than 5 days before Comic Relief on 15th March (a minimum order of 25).

The seeds can be grown directly in your gardens or in a pot if you do not have a garden. For those of you who are completely compostless, we have purchased a bag to share with some of you.

Please let Lisa Phillips know if you need compost, and we can send a small bag home for you (first come, first served).

- This item can fit a mobile phone up to W76mm x H167mm x D9mm
- Cotton Linen lining

£10 per raffle ticket

Please enter your full name on purchasing the tickets.

The winner will be announced on the evening of the Promises Auction

THURSDAY 14TH MARCH 2024

To purchase tickets please scan the QR code

You will also be able to purchase tickets on the night

Many thanks for your support

CCHT London to Paris Bike Ride 21st—23rd June

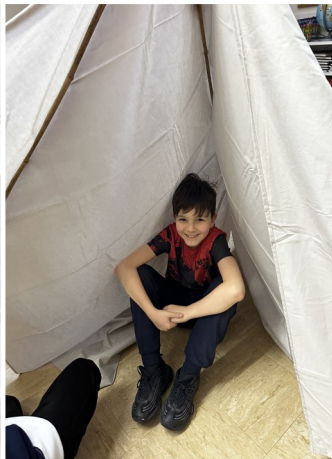

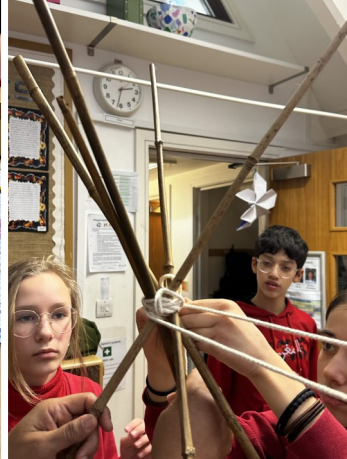

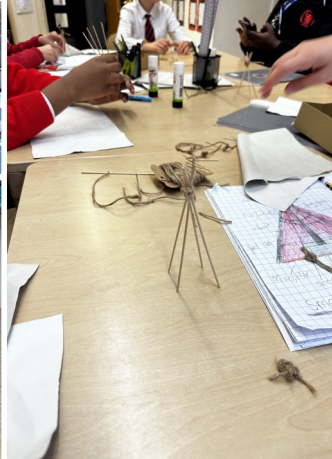

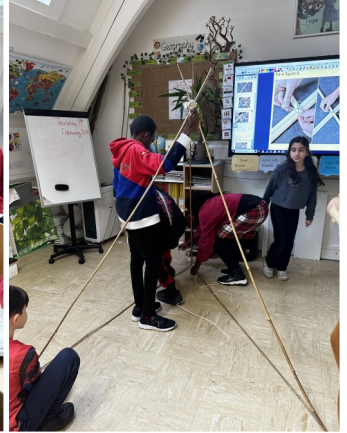

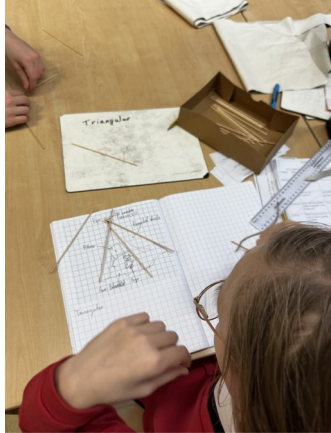

If you are interested in a personal challenge, a very enjoyable weekend away, bonding with fellow CCHT parents and raising significant funds for our schools, then this is the weekend for you! Join our group of parents, both past and present, governors and staff for a scenic and steady ride (no boy racers please!) from Christ Church to the Champs Elysees. The route we will be taking is below and your accommodation, ferry journey and return Eurostar journey home will be your only personal costs (bar the bar and evening refreshments!) All abilities welcome, you really just need a bike, and we encourage the more the merrier—the only benefit of booking in early is so that you can reduce your travel costs and join in on the regular group training sessions. If you would like to hear more the trip, please contact:

Charlie Combe on 07747796124
or Tim McKean on 07917461987

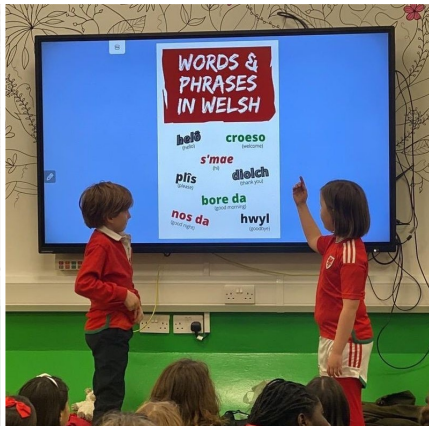

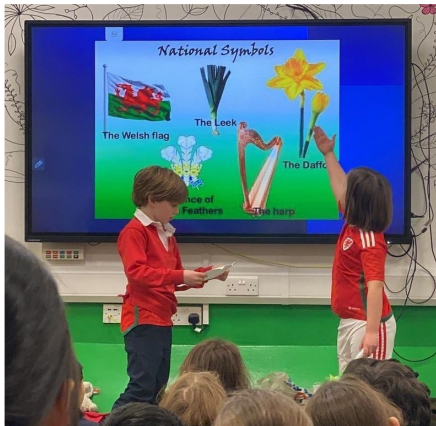

Year 6 - Teepee Design

St David's Day Assembly

On Wednesday, KS2 were treated to a special assembly all about St David's Day. We learnt some words in Welsh, learnt about national symbols and we even got to try some delicious home-made Welsh cakes! What a treat.

When is St David's Day?

Today. St David's Day is celebrated on 1st March

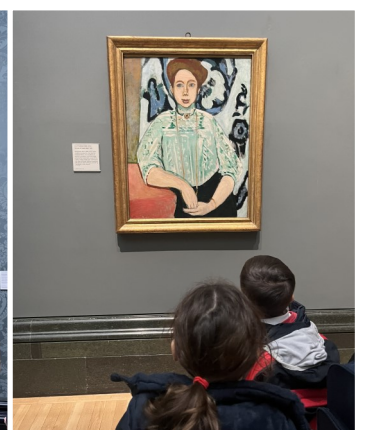

What is St David's Day?

It's the day when the people of Wales, and others around the world, celebrate their patron saint, St David. On this day, many people choose to wear Welsh national symbols, like a daffodil or leek.

Who was St David?

St David or Dewi Sant in Welsh was born on the south-west coast of Wales, near to where the city of St David's is today. There are many stories about miracles happening around St David. One of the famous stories is from when he was speaking to a large crowd and someone in the crowd shouted: "We won't be able to see or hear him." Then, the ground David stood on is said to have risen up so that he was standing on a hill, making it easier for everyone to see him.

Year - Visit to the National Gallery

Palm Sunday Church Choir

CHILDREN NEEDED FOR BACH ST MATTHEW PASSION ON
PALM SUNDAY 24TH MARCH, 6PM:

As you know we have a choir for Year 3 to Year 6 that meets on Mondays at 8.30- 9.00am each week.

We also have the opportunity of the children joining the Holy Trinity mixed age choir performance of Bach's St Matthew Passion at Holy Trinity on Sunday 24th March, Palm Sunday at Holy Trinity Church. Bach's amazing work (as you possibly know is considered one of the great pillars of western culture) has a role for children.

Max Barley, the church choir master, warmly invites our children (from age seven) to attend practises over the next four Tuesday afternoons from 4-4:45pm.

There is no cost involved in attending and he promises lots of chocolate!

Please contact Max if you would like your children to be a part of this exciting experience
music@sloanechurch.org

Wraparound Offer – Survey for Parents

Schools are kindly asked to help with passing this survey onto parents to help the LA understand the local wraparound offer.

All those who respond will have the chance to enter a draw
To win a £100 voucher.

The survey can be accessed via the link <https://forms.office.com/e/TFYaehmgAL> or the QR code

Wraparound childcare survey for families

COLLECTING PLASTIC MILK CARTONS FOR SHEPHERDS & SHEEP ACTIVITY

Please could you collect milk bottles like this for our Shepherds and Sheep who have an exciting making project planned in a few weeks' time.

Can you guess what we are making?

We need 100 so please get saving! Please could you drop them off in our school offices.

Thank you! We will tell you when we have enough.

Mrs Hawkins

Interested in Music Lessons?

There are currently a few spare slots for Singing, Guitar and Violin lessons.

Lessons cost £160 per term for ten 20 minute lessons and £210 for ten 30 minute lessons and take place during the school day. (The school can sometimes offer a subsidy to those for whom the cost might be prohibitive.)

Contact Mrs Ross as soon as possible if you are interested: ross@ccht.rbkc.sch.uk

Sign up today for a children's health check!

Are you a **parent of a child aged 3-13 years old**, registered with a GP in central London?

Did you know you are **eligible for a one-time children's health check?**

Healthcare Central London is running the first-of-its-kind child health clinic.

Within the session, an advanced nurse practitioner will complete physical checks and reviews.

This will be a unique opportunity to discuss any concerns regarding your child's health and to get support with their future wellbeing.

Contact your registered GP to book your session*

When: Mondays to Fridays, 9:30am – 5pm

Location: St Georges House, 82 Vincent Square, London SW1P 2PF

*Please note you can only be seen if you have an appointment booked.

For any general enquiries please contact: hcl.corporate@nhs.net

Recommended Read

Who Let the Words Out? ages 9-11 & up

Author: Joshua Seigal **Illustrator:** Chris Piascik **Publisher:** Bloomsbury Education

Never swim in lava, never tickle frogs, never poke your father, never pickle dogs...

In this funny, engaging poetry collection, Joshua Seigal offers useful 'advice', interesting images and silly juxtapositions. The everyday is made new through his quirky lens.

With poems about all sorts of subjects, from funny pets to silly schools, this is a poetry collection to make you smile. The wordplay and humour is spot on for primary school children, including lots of puns, enabling them to feel that poetry is something for them. The strong rhythm and rhyme of many poems makes them fun to say aloud. There is a range of poetic forms on display, too, for instance haiku, couplets and shape poems.

WHAT IS HAF?

The Holiday Activities and Food (HAF) Programme provides free activities and food for children aged 4 to 16, and to 18 for those with SEND, who are eligible for Free School Meals (FSM) during the Easter, Summer and Christmas Holidays.

Some of the fun activities available include sports camps (football, basketball, boxing, table tennis), music, dance, arts and crafts, adventure play, gardening, cooking, youth clubs and offsite trips!

AM I ELIGIBLE FOR FREE SCHOOL MEALS?

You have to apply for income-related Free School Meals – it's not an automatic scheme.

This is different to other free lunch offers that are available universally.

If you think you could be entitled, please contact your school.

If you are FSM eligible, you'll also receive supermarket vouchers during all school holidays!

I'M NOT ELIGIBLE FOR FSM, CAN I STILL ATTEND?

Some of our holiday activities offer paid places or reduced cost for those not eligible for Free School Meals. Please check with individual organisations for more information.

Holiday Clubs

Amazing multi-activity club experiences for every child!

Ensure your child experiences a holiday club like no other with JAG! Our jam-packed daily schedule uniquely caters for each child's talents and interests, forging unforgettable memories in an amazing holiday experience!

- ✓ Something for every child, with a wide range of fun-filled activities
- ✓ All activities delivered by expert play leaders in a safe, fun environment
- ✓ Confidence building by learning new skills and trying new things under expert guidance
- ✓ Positive interactions that nurture friendship and social awareness
- ✓ Enhanced wellbeing through a focus on happiness, mindfulness, kindness and being active

Building Brighter Futures Together!

Children love our holiday clubs, because the diverse experiences we offer are so much fun. With a brilliant mix of sports, energising activities that get children moving, creative sessions that bring out their inner inventor and much more, our expert teams ensure an inclusive and fun environment that delivers an important role for every child in every session.

Our Whole of Child Programme

We design all our activity programmes to prepare children for the future, nurturing vital life skills in each and every one of them in a way that taps in to their unique skills and interests. With fun activities spanning seven core categories, it's easy to see why children's time at JAG is always their favourite time!

EASTER FOOTBALL CAMP 2024

DH-Sports Coaching will be running a football camp in both weeks of the Easter holidays. Week 1 will be from Tuesday 2nd to Friday 5th April. Week 2 will be Monday 8th to Friday 12th April. Both camps will run from 9.45am to 2.45pm. The venue for camp will be at Battersea Park by the Albert Bridge Car Park. The camp will consist of quality coaching, fun games and small-sided matches delivered by fully qualified and first aid trained coaches. Each child will also receive some prizes for taking part. The prices for the camp are as follows:

Week 1:	
Four Days	£80
Four Days Pre-Booking	£75
Full Day	£20
Half-Day 9.45am-12.15pm or 12.30pm-2.45pm	£15
Week 2:	
Full Week	£100
Full Week Pre-Booking	£90
Full Day	£20
Half-Day 9.45am-12.15pm or 12.30pm-2.45pm	£15

The age group for the camp is from 4 to 14 years with all levels of ability welcome. If you would like to book a place for your child, could you please email to dhenwood@ccht.rbkc.sch.uk or you can contact me by mobile on 07772547192

Coach ELLEN MAGGS
 * Former England & Arsenal footballer
 * Pioneering Girls Grassroots Coach

English- This week, we have started a new story book: 'Handa's Surprise'. The children really enjoyed sharing what their favourite fruits are and thought of adjectives to describe them.

'I like eating bananas because they are sweet.'

Alphabet Code:

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/ /f/ /l/ /ff/ /ss/ /ll/ /j/
/v/ /w/ /x/ /y/ /z/ /zz/ /th/ /ch/ /sh/ /qu/ /ng/ /ai/ /ee/ /igh/ /oa/ /oo/ /ar/ /or/ /ur/ /ow/
/oi/ /ear/ /air/

This week the children have learnt:

/air/ - sit on the chair we then started reviewing our sounds /qu/ /ng/

Please continue to go through the tricky words in their tricky words book, thank you.

Maths - we introduced the concept of subtraction.

They have been playing subtraction games and understanding that when we subtract, the quantity gets smaller.

'There are 10 people on the bus, two get off. How many are left?'

History - We have started a new topic 'Toys from the Past', we begun by reading the story 'The Toy maker'. We looked at some toys from the past and discussed the similarities and differences to toys the children have at home.

Extra homework:

Interview a family member or friend (adult) about toys.

Children to make a recording of the interview: 2 questions and answers

Upload film or Show and Tell in class

Focus on the language and vocabulary that they use- pick out key words and start to make a word bank.

Reminders:

Trip to the Saatchi Gallery Thursday 7th March, children must be in school uniform please.

Book week next week, the children will need to bring in their favourite book to share.

Have a lovely weekend!

Year 1

Friday 1st March 2024

Dear Parents,

It was nice to see some of you on Tuesday and discuss your child's progress.

This week, in English, the children watched a short clip of a story called *The Clock Tower*. It's a clip without words that shows the story of a ballerina who lives in a clock tower. When she stops dancing, the clock freezes and the town becomes gloomy. The children worked in teams to sequence the story and thought of adjectives to describe the main scene.

In Maths, we worked out number problems and completed addition and subtraction sentences by finding out the difference.

$$9 - 2 = 7$$

$$18 - 5 = 13$$

How many jumps from 5 to 13?

b)

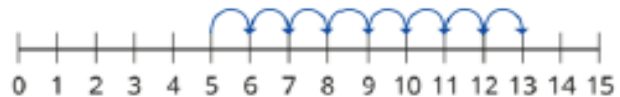

$$\square + 2 = 9$$

d)

$$\square + 5 = 18$$

$$5 + \square = 13$$

Reminders:

- Parent meetings: Tuesday 5th in the Year 1 classroom.

Wishing you a lovely weekend,

Miss Martin

Learning at Holy Trinity in Year 2
Friday 1st March 2024

This week we have enjoyed writing our own Dread Cat poems. We were extremely impressed with Omar's acrostic poem 'Dangerously, frightening like a tiger' and Emil's use of rhyme!

In maths this week, we are using the multiplication symbol to represent equal groups along with sharing equally. We have been representing these using arrays, please continue to practice this for this week's homework.

Reading books are getting longer and we would like to remind you that you are more than welcome to keep these until they are finished. Please do not feel like you have to rush through as we know there are books that are loved at home alongside our school reading books. Simply return them on a Tuesday when you are ready for some more.

A big thank you to parents and carers who have been able to join me for our parent meeting appointments. It has been great to talk through current reports and ongoing targets. There are still some appointments available for Tuesday 5th March. If you would be interested in receiving any more resources to support learning at home then please let me know.

Following our trip to the National Gallery, Year 2 had fantastic facts to share. Thank you for your research that you completed for homework! It was incredible to read and the inspired art looks fantastic on our WOW wall. This week we began to explore the work of Kandinsky. We listened to his favourite classical composer and thought of the shapes and colours we felt through the music. We then created our own inspired abstract art.

In Geography, we explored the continent of Australasia and learnt lots about Whale Sharks that swim nearby.

In RE we are beginning our unit on Easter and started by recounting the Easter story. Through this unit, we will reflect on key symbols and enjoy a visit to St Paul's Cathedral.

Reminders:

We have had a few cases of chicken pox throughout KS1- please continue to keep a close eye on your child for symptoms.

Recommended Read:

A dress with pockets
The moonshine Dragon

Many thanks, Miss Peach

Learning at Holy Trinity in Year 3

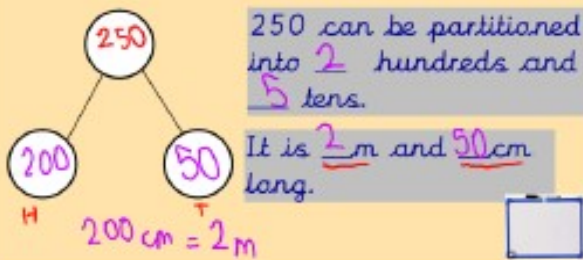

Friday 1st March 2024

In English this week, we began writing our newspaper articles about the events of Spyfox. We worked hard to lay out our pages carefully, form a eye-catching headline, and to include an introduction, good content and quotes.

In Maths, we have been learning about measurement and equivalent lengths. We know that there are 10mm in 1cm, and 100cm in 1m. We have used this information to solve problems and make conversions.

You do

Mrs. Hawkins measures the length of her desk. It is 250cm long. How long is Mrs. Hawkins' desk in cm and m?

In Science, we thought about how rocks are used in every day life. We looked at how some rocks can be man made and then we explored rocks around our school.

In RE, we began our Easter unit. For our first lesson, we thought about the role of Judas in the Easter story. We discussed why Judas did what he did and how he may have felt once he betrayed Jesus.

Have a super weekend,

Miss Quirke and the Year 3 team 😊

Reminders:

Final parent meetings next week. Please book an appointment online if you have not already done so.

Homework and Reading books are to be returned to school on Wednesdays.

Learning at Holy Trinity in Year 4

Friday 1st March 2024

Highlights of this week include:

Maths

This week children developed their understanding of mixed numbers through partitioning mixed numbers in different ways. Part-whole models and bar models were used as key representations that allowed

children to see how a mixed number is being partitioned. Children also labelled the fractions on number lines by picking out the number of intervals between each of the whole numbers. The positions of mixed numbers on blank number lines were also identified. We finished the week comparing and ordering mixed numbers and exploring improper fractions.

Max is converting $\frac{23}{6}$ to a mixed number.

I can divide the numerator by the denominator to turn it into a mixed number.

$$23 \div 6 = 3 \text{ r}5$$

$$\frac{23}{6} = 3\frac{5}{6}$$

English

We continued our unit on Phillip Pullman's *The Firework-Makers Daughter*. Children reenacted a scene from the book where Lila has an argument with her father. Doing this, the children were able to explore both character's feelings and intentions. We then used this work to plan and write a letter to from Lila to her father, explaining why she was leaving home.

Geography

In Geography this week, children added information researched from their home learning to their posters which they created last week at school. The posters were developed by children in pairs and each pair presented their posters to the rest of the class.

Science

For this week's lesson, children explored the processes that occur within the water cycle. To begin with, they completed a diagram of the water cycle by labelling the name of the processes (such as evaporation, condensation and transpiration). Children then went onto 'hot seat' one another - testing their knowledge of the processes that happen within the water cycle.

Have a lovely weekend!

Learning at Holy Trinity in Year 5 - Friday 1st March 2024

What a busy week in Year 5!

We are learning about the story Wonder. We are learning about how Summer sat with August at lunch [and what that means for August]. - Toska

In maths we have been learning about multiplying by 1, 2, 3 and 4 digits. Using different ways such as column method, area model and place value. We have different opinions on which one is easiest. - Dina

Coasts are when water meets the land and the Jurassic Coast is what we are learning about. It is where we are going at Osmington Bay. - Leo

In art this week we are learning about textiles and fabrics. We looked at the boat in a bottle by an African artist Yinka Shonibare. Afterwards, we made our own 4th Pillars. - Chryssa

We have read seven chapters of the book so far. In class we have tried to read Stanley's mind on how he thought the lake at Camp Green Lake looked. - Sanidhya

In science this week, we have been learning about the younger stages in life. We also said that we change a lot from when you're a baby both physically and inside yourself - Isabella

In spelling and handwriting we have been practicing our words and testing each other. - Abigail

Reminders:

- PE kit needs to be worn on Wednesdays and Thursday, and swimming kit brought/worn on Thursdays
- Homework is now due on **WEDNESDAYS**

Have a wonderful weekend!

Miss Pollard-Brown and the Year 5 Team

Learning at Holy Trinity in Year 6

Friday 1st March 2024

This week in maths, we continued looking at ratio. We looked at using a ratio sign, the similarities between ratio and fractions and how to use scale drawings.

In English we started our new topic by recapping the differences between informal and formal language and style of writing. We discussed when both formats would be used and the features that are specific to each one.

In DT we completed our 'shelters' topic by writing a set of instructions on how to make a tepee. We focused on using imperative verbs, different sentence starters and following the format of a non-fiction, procedural piece of writing.

On Tuesday we had our trip to the beautiful Buddhapadipa Temple. We were shown around the temple, recapped our understanding of the religion and learnt about the history of the building.

Thank you to all the parents who I met with this week, thank you for your time and it was great to celebrate how well your children are doing!

Year 6, today is the day you find out which secondary school you are going to. Regardless of the news you receive today, please remember that each of you are brilliant, kind, hardworking and wonderful human beings. I love coming into school and being your teacher every single day and no matter what response you get today, please remember how proud of you all I am.

Whatever secondary school you go to, they will be lucky to have you!

Reminders:

- Tuesday 5th March - Parents Evening
- Monday 11th - Trip to St Bartholomew the Great

What a wonderful first week back. Have a great weekend ☺
