Athletics

On Wednesday, our KS2 children took part in athletics trials at Battersea Park. It was a fantastic day and a great way to celebrate the speed, stamina and perseverance of those competing.

Thank you to Mr Henwood for organising a great event and a big well done to all who took part.
(More photos on page 4)

Dates for your diary

- A** **Monday 15th** - Back to School after Easter
- Friday 19th** - 1CM, Start of Forest School sessions
- P** **Wednesday 24th** - RTM Visit to the London Aquarium
- Friday 26th** - 1CM, Forest School
- R** **Tuesday 30th** - 4AJ visit to the Tate Expressionists Exhibition
- Tuesday 30th** - 3MQ Pop Up Restaurant (details to follow)

REMINDER!!

We are a **NUT FREE SCHOOL**

~Friday 29 March – Good Friday~

12pm Stations of the Cross for Children, 3pm The Liturgy of the Passion

~Saturday 30 March – Easter Eve~

8pm Vigil and First Mass of Easter

~Sunday 31 March – Easter Day~

11am Choral Eucharist

Can we please remind you we are a nut free school

Children who suffer from nut allergies can develop mild or potentially life-threatening allergic reactions. If someone has a nut allergy it is not just eating nuts that can cause a reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

Some foods, especially after school snacks, need to be checked for their ingredients. Snacks for break time should be **FRUIT** or **VEGETABLES** only. **NO SWEETS** or **CHOCOLATE** allowed at school or after school clubs.

So please can we ask that you have no nut products in the lunch boxes or brought into the school:

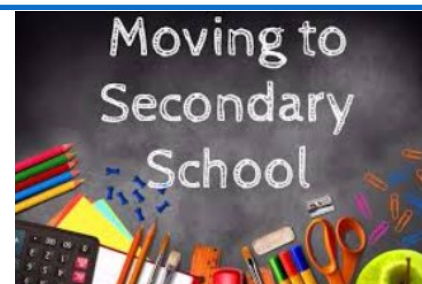

- Peanut butter sandwiches
- Chocolate spreads
- Cereal bars
- Granola bars
- Cakes
- Biscuits / Cookies

This list is not exhaustive, so please check the packaging of products closely. We appreciate that this is an additional thing to check and we know that you recognise the importance of it.

Secondary School Transfer

We thought you would be interested to see which Secondary Schools have offered places to our children so far this year. There are a wide range of offers as usual but I am concerned that parents are not looking carefully enough at the admission criteria for schools and just hope their child will get into places without looking how likely it is.

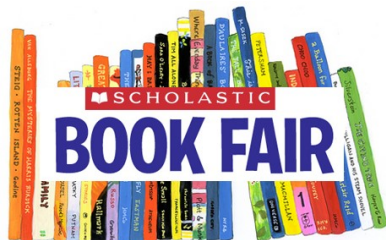

Please do come to either one of your Secondary Transfer meetings we are running next half term.

Holy Trinity - Wednesday 17th April at 9.30am

Christ Church - Thursday 18th April at 8.30am

Internet Safety

Gaming and Social Media

As you know, we have a no phone policy at school and have had for the last three years. This has had a positive effect on reducing the issues around cyberbullying and problems with phones being used inappropriately on journeys to and from school. It has also had the effect of encouraging more parents to drop off and collect their children rather than getting them to do that alone, which also causes lots of problems if they are not ready.

What all my teachers and learning support assistants still report on is the worrying amount of time many children seem to be on screens at home, either gaming or using social media, which is not appropriate for their age. Many children seem to be going to bed late because they have been on a screen, and this is not good for them and certainly will not help their reading attainment if this is a substitute for reading a book.

Just to remind you that What's App age is 13, and that makes so much sense as being able to navigate the problems around group chats is hard enough for adults, let alone primary school children. It will undoubtedly cause problems that children are not experienced enough to deal with. Children need to learn how to communicate and deal with friends face to face before they can do it virtually. Please think very carefully about how you are parenting your child and the access you give them to both gaming and social media.

We are running an Internet safety meeting with Childnet on Monday 29th April at 7pm in Cadogan Gardens. Please put it in your diary and come along.

We all need to think more about how our children are accessing screens at home.

Comic Relief Red Nose Day 2024

Thank you very much to everyone who generously donated to our Comic Relief Red Nose fundraiser. By sending your children to school wearing red or fancy dress, buying the nose that grows and donating and buying cakes, you helped us raise £747.85.

This money will help support incredible projects and organisations that are making a real difference for people across the UK and around the world – this includes helping people experiencing homelessness, poor mental health and food poverty.

Athletics Trials

TCS Mini London Marathon

SATURDAY 20th APRIL
FUNDRAISING FOR CCHT

TCS will give £10 to our school for every child under the age of 17 who completes their distance!

The TCS Mini London Marathon invites schools to bring their children and young people to run, jog, walk, or wheel one mile or 2.6K in the heart of the capital.

The event is free to enter, and what's more, our title partner, TCS, is giving schools £10 for every participant aged 17 or under who finishes the event! Participants cross the iconic TCS London Marathon Finish Line and receive a TCS Mini London Marathon medal.

The 2024 event will take place on 20 April, and we want as many children as possible to be able to take part, so there is a one-mile event for children in Reception to Year 7 and a 2.6K route for those in Years 4 to 12 who can go a bit further.

Money for schools!

For every participant aged 17 or under who finishes the TCS Mini London Marathon, our title partner TCS will donate £10 to their school to spend on PE or IT equipment. So, the more children who take part and get active, the more money your school will raise!

Since the London Marathon started in 1981, its participants have raised more than £1 billion for good causes – so why not make your TCS Mini London Marathon a fundraising event and raise money for your school or our charity partner [WWF-UK](https://www.worldwildlife.org/).

WOULD YOUR CHILDREN LIKE TO TAKE PART IN THE TCS MINI MARATHON?

HOLY TRINITY HAS BEEN SELECTED TO TAKE PART IN THE TCS LONDON MARATHON, WE HAVE **50 SPACES** AVAILABLE FROM THE **1 MILE** STARTING POINT AND **50 SPACES** AVAILABLE FROM THE **2.6K** ROUTE. PLEASE EMAIL krose@ccht.rbkc.sch.uk IF YOU WOULD LIKE A PLACE FOR YOUR CHILD/REN. PLEASE SPECIFY WHICH STARTING POINTS YOU WOULD LIKE THEM TO START AT. ENTRIES WILL BE GIVEN ON A FIRST COME FIRST SERVE BASIS.

Our participants' safety is our top priority. The event takes place on a closed, secure route (see maps above) with stewards and a dedicated Welfare Team on the course to make sure all children have a safe and enjoyable experience. All participants need to be escorted to a safe and secure 'drop off' zone at the Start Area.

Children in Year 3 or above on Event Day can complete the route on their own, while children in Reception to Year 2 need to be accompanied on the course, with a minimum ratio of one adult for every eight children. Participants will also need to be collected from a safe and secure zone by the Finish Line.

CCHT London to Paris Bike Ride 21st—23rd June

If you are interested in a personal challenge, a very enjoyable weekend away, bonding with fellow CCHT parents and raising significant funds for our schools, then this is the weekend for you! Join our group of parents, both past and present, governors and staff for a scenic and steady ride (no boy racers please!) from Christ Church to the Champs Elysees. The route we will be taking is below and your accommodation, ferry journey and return Eurostar journey home will be your only personal costs (bar the bar and evening refreshments!) All abilities welcome, you really just need a bike, and we encourage the more the merrier—the only benefit of booking in early is so that you can reduce your travel costs and join in on the regular group training sessions. If you would like to hear more the trip, please contact:

Charlie Combe on 07747796124
or Tim McKean on 07917461987

Sign up today for a children's health check!

Are you a **parent of a child aged 3-13 years old**, registered with a GP in central London?

Did you know you are **eligible for a one-time children's health check?**

Healthcare Central London is running the first-of-its-kind child health clinic.

Within the session, an advanced nurse practitioner will complete physical checks and reviews.

This will be a unique opportunity to discuss any concerns regarding your child's health and to get support with their future wellbeing.

Contact your registered GP to book your session*

When: Mondays to Fridays, 9:30am – 5pm

Location: St Georges House, 82 Vincent Square, London SW1P 2PF

*Please note you can only be seen if you have an appointment booked.

For any general enquiries please contact: hcl.corporate@nhs.net

Nature Champions - Exploring, protecting and enjoying the natural world

This Easter holiday Holland Park Ecology Centre is running our Nature Champions sessions for eight to 12 year-olds in partnership with Change4Life and the Department for Education.

These drop-off sessions are outdoors in our woodland area and include a campfire cooked lunch. There are **FREE funded places** for those eligible for **Free School Meals** and charged places.

Join us in Holland Park for exciting activities including outdoor exploration and play, nature connection and wellbeing, food growing and campfire cooking. The sessions will be outdoors using the beautiful woodland site.

The programme will be different each day and you can choose which days to attend.

During these drop-off sessions we will provide a **FREE** healthy lunch and snacks. To apply for a funded place, follow this link to complete a form:

[Nature Champions HAF funded place application form](#)

If families are not eligible for Free School Meals, they are able to book the charged places at £36 per child per day, follow this Eventbrite link: [Nature Champions on Eventbrite](#)

Time: 10.30am-3.00pm

Ages: 8 to 12 year-olds

Dates: Tuesday 2 to Friday 5 April

Please contact the Ecology Centre for more information:

- To secure a stand please email krose@ccht.rbkc.sch.uk directly
- Cash or Bank transfer on the day to purchase

T's & C's

- To secure a table please email Katie Rose directly: krose@ccht.rbkc.sch.uk this will go on a first come first served basis to parents of students from both schools
- There is a £50 non refundable deposit to secure a selling table (*it is possible to share tables with other parents to reduce cost but please ensure payment for the table is made by one of you and sort out split costs amongst yourselves*)
- If you require a hanging rail please mention to Katie Rose
- 20% of your profits are to be donated to the schools within 48 hours
- Entrance donation fee on the door - £2 minimum
- Each table holder is responsible for set up and set down, all items must be removed from the premises. Tables can be loaned by the school with prior arrangement.
- Each table holder should have their bank details printed ready to take bank transfers for payment if they so wish; alternatively, they can accept cash but they are to manage their own petty cash
- Tea, coffee and homemade baking stand with all proceeds directly going to the schools

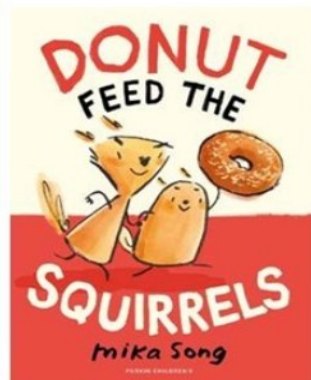

Recommended Read

Donut Feed the Squirrels (ages 6-8 & up)

Author: Mika Song Publisher: Pushkin Children's Books

When Norma and Belly spy a donut truck near to the forest, they desperately want a sweet, delicious donut for breakfast. Yet when the grumpy donut seller sprays the hungry squirrels with water instead of giving them what they want, Norma and Belly hatch a plan to get inside the donut van and help themselves – and add some chestnuts into the mix for extra yumminess.

Things are going very well until the donut machine explodes, and the donut seller catches Norma and Belly cake-handed. Fortunately, the squirrels escape – leaving the donut seller with a huge mess to clear up, and inspiration for a new donut flavour...

Mika Song's sweet, amusing and simple graphic novel about two naughty squirrels features large panels and brief text, meaning that this is a suitable read for younger and middle primary readers, especially any young reader who enjoys animal friendships and gentle humour. It's a quick read which is also arranged into chapters, which adds a layer of ease and accessibility to the reading process. Plus, there's donuts. What else could you really ask for?

English- We have continued with our journey around the world and this week we have listened to the story 'Tortoise's Dream'.

In the story, the tortoise has a dream. She dreams of a tree full of fruits. Then, the tortoise and the other animals work as a team to find the tree of her dreams. Grandma Koko tells them that if they remember the name of the tree 'Omumbo Rombonga' they will find it. On their way, some of the animals come across different challenges but they persevere and finally find the tree of the tortoise's dream!

This week's activities: the children drew their dreams on a tree. Then, they wrote a sentence describing their dreams.

We also learnt about the Life Cycle of a Plant.

Alphabet Code:

In Alphabet code, the sounds we know are:

/s/ /a/ /t/ /p/ /i/ /n/ /m/ /d/ /g/ /o/ /c/ /k/ /ck/ /e/ /u/ /r/ /h/ /b/ /f/ /l/ /ff/ /ss/ /ll/ /j/ /v/ /w/ /x/ /y/ /z/ /zz/ /th/ /ch/ /sh/ /qu/ /ng/ /ai/ /ee/ /igh/ /oa/ /oo/ /ar/ /or/ /ur/ /ow/ /oi/ /ear/ /air/

This week the children reviewed the following sounds:

/oa/ - a goat in a boat

/oo/(long) - bright moon

/oo/(short) - look at the book

Please continue to go through the tricky words in their tricky words book, thank you.

Maths - In Maths, we have focused on mass and capacity.

Vocabulary introduced: heavier, lighter, the same balance full, nearly full, half-full, nearly empty and empty.

Enjoy the weekend!

Year 1

Friday 22nd March 2024

Dear Parents,

This week, in English, we have commenced a new story book: Alan's Big, Scary Teeth. The children used adjectives to describe the alligator from the story, they used the conjunction 'and' to join two sentences together and they wrote non-chronological report based on facts about alligators.

In Maths, the children learnt about length and height. They compared objects and used the vocabulary: long/short, tall/short, the longest, the shortest, the tallest, longer than, shorter than, taller than. They measured objects using other objects such as cubes, paperclips and rubbers. They also measured objects in centimetres using a ruler. They learnt that objects need to be aligned with 0cm for the measurement to be accurate.

"The book is 15 cubes long"

"The highlighter is 7 paperclips long"

"The water bottle is 18 cm long"

Forest School:

-Information about Forest School has been sent on a separate e-mail:

Time of Arrival:	10:00	Time of Departure	12:00

Wishing you a lovely weekend,

Miss Martin

Learning at Holy Trinity in Year 2
Friday 22nd March 2024

This week Year Two have produced incredible stories based on the text 'My Grandma and me'. Year Two worked incredibly hard to use a range of similes, conjunctions and questions. Sofia wrote, 'One peaceful morning as the birds were singing my Grandma pulled the curtains as soft as a pillow.' Hannah wrote, 'When is the bread being delivered? I can smell it already!' We are hoping to get a copy of these to you very soon.

In Maths, we have been developing our understanding of measure. We have been using rulers and metre sticks to measure a range of items around our school. Later we challenged ourselves to answer a range of operations questions using measure units.

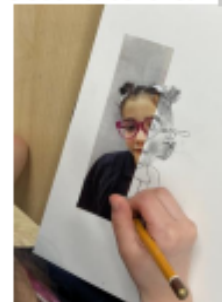

As part of our computing unit, we have been learning about presenting data through pictograms. This week Alona visited us and shared more about her job as a Data Analysis. We learnt that questions could be presented through data and graphs. We created a bar chart to work out which month would be the busiest for birthday parties and a pie chart to show which is the largest producer of car parts.

In our Art lesson, we created beautiful portraits practicing our shading and sketching skills.

Ophelia and family have shared a beautiful tradition of Persian New Year. We explored the symbolism of the beginning of spring and even got to try some delicious Lavashaks!

In RE we have reflected on our visit to St Pauls Cathedral and begun our preparations for the Easter Assembly next week.

Reminders:

- Our [Amazon Wishlist](#) has been topped up with a few more requests if possible
- Continue to practice reading comprehension and mathematic papers- these are available as [KS1 practice papers](#)- let me know if you would like any more
- Easter Assembly
- 1:30 Finish Thursday 28th

Many thanks, Miss Peach

Learning at Holy Trinity in Year 3

Friday 22nd March 2024

This week in English, we finished writing our own short story based on the adventures in Arthur and the Golden Rope. We then planned and wrote a diary entry as one of the characters. We numbered the main events of the story before getting into character. We needed to think about our character's emotions as well as their actions.

In Maths, we have continued learning about fractions. This week, we learnt about unit fractions (a fraction with a numerator of 1), the meaning of the numerator and the denominator and ordering and comparing unit fractions.

What do you notice?

$\frac{1}{4} < \frac{1}{5}$	$\frac{1}{2} > \frac{1}{10}$

When the numerator is 1, the smaller the denominator the larger the fraction.

In RE, we wrote our diary entries retelling the events of Easter Sunday. To prepare us for this, we sequenced and retold the events of the Easter story. We then thought about how Mary mother of Jesus and Mary Magdalene would have been feeling at different points on Easter Sunday.

In Science, we continued our topic of fossils. Last week, we learnt what fossils are and discovered that fossils can include the remains of animals, plants and footprints! This week, we learnt about how fossils are formed through fossilisation.

In Art, we created our own printing blocks using polystyrene to create a printed repeating pattern.

On Wednesday, we took part in the KS2 Athletics Afternoon. Thank you to everyone who escorted us there and back, and to everyone who came to watch. The children had such a fun afternoon!

Have a lovely weekend, Miss Quirke and the Year 3 team 😊

Reminders:

Homework and Reading records to be returned every Wednesday. These will be given back to the children on Thursdays.

Easter Assembly – Thursday 28th March at 9:30am

Learning at Holy Trinity in Year 4

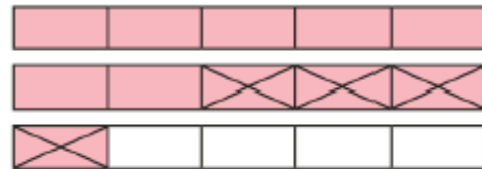

Friday 22nd March 2024

Highlights of this week include:

Maths

We completed our fractions unit with learning how to subtract from mixed numbers using bar models and number lines. Firstly, we discovered what happens when a whole number is subtracted from a mixed number and then a fraction that does not cross a whole from a mixed number. Once this was secure, children completed subtractions that cross a whole number, using different methods. We spent the next lesson consolidating understanding of fractions by identifying common misconceptions surrounding learning about fractions. Children then carried out an end of unit assessment, to identify target areas through marking the assessments as a class.

What subtraction does the bar model show?

How do you know?

English

Children continued to work on their modern tales by writing their introductions to their pieces. This included using a range of conjunctions, describing the setting and using fronted adverbials. Year 4 then wrote their first drafts, which included work carried out last week (their plans) and their introductions. Many children shared their drafts with the class by reading out their tales and then received feedback from the audience (their friends!).

PE.

On Wednesday, we attended an athletics event at Battersea Millennium Arena. This involved sprint races and included children from KS2 within the federation. Year 4 were noticeable for their terrific approach to the whole event; the way they entered with enthusiasm, integrity and generosity of spirit.

Science

This week's lesson began with a recap of knowledge from our Sound unit. These involved children ordering a sequence of statements describing how sound travels from a source to our ears. After this, we explored our new science topic Electricity by looking at the Learning Brief. This helped children understand what we would be learning about in this new topic.

Have a lovely weekend!

Learning at Holy Trinity in Year 5 - Friday 21st March 2024

Year 5 have turned themselves into poets this week!

This week in RE we learned about Palm Sunday and Maundy Thursday. On Palm Sunday, people hold palm crosses to remember when Jesus went to Jerusalem. On Maundy Thursday, a ceremony takes place to remember the last supper. - Nomin

In PSHE this week we did a quiz on eligible jobs for us. A lady also came in and told us how to recognise anxiety and depression. Last but not least, we had a lesson on stereotypes and how we would respect each others' dream jobs. - Maya

This week in Athletics, we had some races and relays. There were finals too! Some people did not make it but that's okay, we also went against Christ Church. - Annabel

In Maths we have been learning how to add, subtract, divide and multiply fractions. - Marcus

This week in Reading, we have been reading a book called Holes. In Holes, there is a boy named Stanley and he is sent to Camp Green Lake. - Teo

In Science, we have been learning about how long mammals go through gestation. Our class made a graph to represent this. - Elena

*In Drama we are learning and practising scripts that we are going to perform in the cellar theatre. So far we are practising **The Bog of Cats**, **To Be or Not To Be**, and the mystery item. - Celeste*

In English we have planned a poem all about change. We got to start writing our poem. - Maddie

Reminders:

- Homework is due on Wednesdays
- Please ensure your children have snack! Snacks must be fruit or vegetables (NO NUTS). Many of the children are saying they are hungry and do not have/have forgotten snack. This means that they are having a hard time during the day and cannot concentrate on learning.

Have a lovely weekend!

Miss Pollard-Brown and the Year 5 team

Learning at Holy Trinity in Year 6

Friday 22nd March 2024

This week in maths, we continued looking at algebra. We looked at solve equations where we didn't know one or two amounts given. It was a tricky concept to get our heads around but with hard, we did it! We are moving onto looking at decimals next week.

In English we wrote our plans for our dialogue piece where Kotler speaks to three different people. On Thursday we started to write these up, making sure we used 'show not tell' when describing character's and making an obvious change in Kotler's tone and register when talking to the Commander, the soldiers and Bruno.

In history we learnt about the main reasons believed to have made the Vikings leave Scandinavia. We discussed the five main reasons and investigated the evidence supporting each reason. We came to the conclusion as there was no definitive evidence, so maybe all five reasons were valid. Then we learnt about how far and wide the Vikings travelled and which of those locations they settled in and which they only raided.

In computing we continued to look at using spreadsheets. We learnt how to use formulas to produce calculated data and how to create our own formula.

On Wednesday we had our athletics afternoon where we were met with brilliant sunshine and a chance to show off our athletic skills.

Reminders:

- Monday 25th March - Kensington and Chelsea Junior Citizenship Scheme Trip
- Thursday 28th March - Easter Service 9:30am
- Thursday 28th March - End of term 1:30pm finish (no clubs)

What a fantastic week everyone. I hope you all have a lovely weekend. One week to go! ☺
